A Companion to Jean Renoir Alastair Phillips,Ginette Vincendeau,2013-04-11 A Companion to Jean Renoir An extraordinary collection of essays that more than fulfills the aims of its editors Alastair Phillips and Ginette Vincendeau The essays offer exciting original work from younger scholars as well as long established authorities all of which offer invaluable insights into the films writings and life of Jean Renoir Receiving particular attention are questions about the singularity or multiplicity of what the editors call the many Renoirs French

American Indian even transnational especially from the early 1930s through the early 1960s Whether mining relatively unexplored archive materials deploying newly current methodological approaches interrogating one of a wide range of topics and issues or engaging in close textual analysis the contributors construct a tantalizing series of innovative road maps for future researchers to pursue Richard Abel University of Michigan Alastair Phillips and Ginette Vincendeau have brought together essays that bring new perspectives to both the best known and the lesser known of Renoir's films Both French cinema specialists and viewers new to Renoir's work will find much of interest in this outstanding collection Judith Mayne Ohio State University Dubbed simply the best director by François Truffaut Jean Renoir is a towering figure in world film history This exhaustive survey of his work and life features a comprehensive analysis of his films from the multiple critical perspectives of the world's leading Renoir scholars Renoir's career spanned four decades and four countries and included an extraordinary body of films some of which *La Grande illusion* 1937 and *La Règle du jeu* 1939 are universally recognized masterpieces Fathered by the celebrated painter Pierre Auguste Renoir the filmmaker lived through much of the twentieth century beginning his career in the silent era and ending it in full Technicolor His films are notable for their paradoxical combination of strong internal coherence and thematic breadth and diversity and they provide a rich source for today's scholars of film history and French culture This handbook the largest volume on Renoir ever produced in the English language ranges in scope from extreme close up analysis of individual films to long shot explorations of his aesthetics and the social and cultural contexts in which he worked The most ambitious critical study of Renoir to date this book will appeal to film enthusiasts as much as scholars and specialists *Love in Contemporary British Drama* Korbinian Stöckl, 2021-01-18 Despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama *Love in Contemporary British Drama* reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays Special emphasis is put on narratives of love's compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned *Love Inspired November 2023 Box Set - 2 of 2* Pamela Desmond Wright, Betsy St. Amant, Danielle Thorne, 2023-10-24 *Love Inspired* brings you three new titles Enjoy these uplifting contemporary romances of faith forgiveness and hope This box set includes *BONDING OVER THE AMISH BABY* by Pamela Desmond Wright After a car
