to younger women Drawing on psychoanalysis and gender studies this book explores their films as barometers of their respective historical moments marking cultural shifts from modernism to postmodernism **Theatre Magazine** W. J. Thorold, Arthur Hornblow, Arthur Hornblow (Jr.), Perriton Maxwell, Stewart Beach, 1929 **Quicksand** Henning Mankell, 2017-01-10 A stunning and poignant autobiographical look at the myriad experiences that shape a meaningful life by the bestselling author of the Kurt Wallander mysteries Surely one of the most moving and intriguing farewell notes ever written Intensely beautiful in its spirit Alexander McCall Smith New Statesman In January 2014 Henning Mankell received a diagnosis of lung cancer Quicksand is a response to this shattering news but it is not a memoir of destruction Instead it is a testament to a life fully lived a tribute to the extraordinary but fleeting human journey that delivers both boundless opportunity and crucial responsibility In a series of intimate vignettes Mankell ranges over rich and varied reflections of growing up in a small Swedish town where he experiences a startling revelation on a winter morning as a young boy of living hand to mouth during a summer in Paris as an ambitious young writer of his work at a theater in Mozambique where *Lysistrata* is staged in the midst of civil war of chance encounters with men and women who changed his understanding of the world Along the way Mankell ponders the meaning of a good life and the critically important ways we can shape the future of humanity if we are fortunate enough to have the choice Vivid clear eyed and breathtakingly beautiful Quicksand is an invaluable parting gift from a great man *Rome and its environs* John Murray (Firm), 1856 *Circus Company* Edward Seago, 1933 *The Survey*, 1928 *Emotional Arenas* Mark Seymour, 2020-04-02 Based on the records of a murder trial that transfixed all of Italy in the late 1870s this study makes use of a dramatic court case to develop a new paradigm for the history of emotions the emotional arena Set in the decade following Italian unification the context was one of notable cultural variety An as yet unexplored aspect of this was that the experience and expression of emotions were as variable as the regions making up the new nation Through a close examination of the spaces in which daily lives loves and deaths unfolded from marital homes to places of socializing and entertainment to a Roman court room Mark Seymour explores the way social arenas are crucial to the historical development of emotional cultural rules The narrative is driven by the failed marriage of a decorated but allegedly impotent Risorgimento soldier his wife s scandalous affair with a virile circus artiste who had a string of previous lovers and the illicit new couple s murder of the hapless husband Hundreds of witnesses from local professionals to servants and even circus clowns interviewed across the length and breadth of the peninsula left their personal views on marriage sexuality and infidelity These provide an extraordinary series of peepholes into little known areas of the new nation s social fabric A careful yet imaginative reading of the prosecution records as well as contemporary newspaper coverage allows reconstruction of the highly emotional experiences of all those touched by this extraordinary story The result is a classic Italian micro history with relevance for today s emotionally volatile times **Hammer Complete** Howard Maxford, 2019-11-08 Think you know everything there is to know about Hammer Films the fabled Studio that Dripped Blood

Beyond Little Women Lauren Hehmeyer, 2025-02-24

This collection concentrates on the secondary works of Louisa May Alcott and looks at the idea that Alcott was as heavily influenced by her times as by her transcendentalist upbringing. Her work often subverts the conventional and includes the new, the practical, and the real. The sections include:

1. the gothic and the monstrous feminine
2. the theme of useful work
3. the themes of physical and mental health
4. Alcott's philosophy concerning creativity and genius

Contributors emphasize Alcott's belief in women's agency and argue that Alcott can be considered as a brilliant bridge between the Transcendental idealism of the early nineteenth century and later reforms.
