Mabel Walker Willebrandt Dorothy Marie Brown,1984-01-01 **American Women and the Repeal of Prohibition** Kenneth D. Rose,1996 In 1933 Americans did something they had never done before they voted to repeal an amendment to the U S Constitution The Eighteenth Amendment which for 13 years had prohibited the manufacture and sale of alcoholic beverages was nullified by the passage of another amendment the Twenty First Many factors helped create this remarkable turn of events One factor that was essential Kenneth D Rose here argues was the presence of a large number of well organized women promoting repeal Even more remarkable than the appearance of these women on the political scene was the approach they took to the politics of repeal Intriguingly the arguments employed by repeal women and by prohibition women were often mirror images of each other even though the women on the two sides of the issue pursued diametrically opposed political agendas Rose contends that a distinguishing feature of the women s repeal movement was an argument for home protection a social feminist ideology that women repealists shared with the prohibitionist women of the Women s Christian Temperance Union The book surveys the women s movement to repeal national prohibition and places it within the contexts of women s temperance activity women s political activity during the 1920s and the campaign for repeal While recent years have seen much needed attention devoted to the recovery of women s history conservative women have too often been overlooked deliberately ignored or written off as unworthy of scrutiny With American Women and the Repeal of Prohibition Kenneth Rose fleshes out a crucial chapter in the history of American women and culture **Unintended Consequences of Constitutional Amendment** David E. Kyvig,2000 Constitutional amendments like all laws may lead to unanticipated and even undesired outcomes In this collection of original essays a team of distinguished historians political scientists and legal scholars led by award winning constitutional historian David E Kyvig examines significant instances in which reform produced something other than the foreseen result An opening essay examines the intentions of the Constitution s framers in creating an amending mechanism and then explores unexpected uses of that instrument Thereafter authors focus on the Bill of Rights and subsequent amendments addressing such subjects as criminal justice procedures the presidential election system the Civil War s impact on race and gender relations the experiment in national prohibition women s suffrage and finally limits on the presidency Together these contributions illuminate aspects of constitutional stability and evolution challenging current thinking about reform within the formal system of change provided by Article V of the Constitution Forcefully demonstrating that constitutional law is not immune to unanticipated consequences the eight scholars underscore the need for care responsibility and historical awareness in altering the nation s fundamental law

context to a familiar story worth retelling The New York Times Book Review Organized crime the Italian American kind has long been a source of popular entertainment and legend Now Thomas Reppetto provides a balanced history of the Mafia s rise from the 1880s to the post WWII era that is as exciting and readable as it is authoritative Structuring his narrative around a series of case histories featuring such infamous characters as Lucky Luciano and Al Capone Reppetto draws on a lifetime of field experience and access to unseen documents to show us a locally grown Mafia It wasn t until the 1920s thanks to Prohibition that the Mafia assumed what we now consider its defining characteristics especially its octopuslike tendency to infiltrate industry and government At mid century the Kefauver Commission declared the Mafia synonymous with Union Siciliana in the 1960s the FBI finally admitted the Mafia s existence under the name La Cosa Nostra American Mafia is a fascinating look at America s most compelling criminal subculture from an author who is intimately acquainted with both sides of the street *Firebrands* Gioia Diliberto,2024-10-30 Guaranteed to change how you picture Prohibition this lively

history turns the spotlight on four women in the immediate aftermath of winning the vote who played influential roles on all sides of the Eighteenth and Twenty First Amendments In the popular imagination the story of Prohibition in America is a story of men and male violence one full of federal agents fighting gangsters over the sale of moonshine In contrast Firebrands is the story of four Jazz Age dynamos all women who were forces behind the passage the enforcement the defiance and ultimately the repeal of the Eighteenth Amendment They battled each other directly and they learned to marshal clout with cowed and hypocritical legislators almost all of them men Their clash over Prohibition stands as the first significant exercise of women s political power since women gained the right to vote and their influence on the American political scene wouldn t be equaled for decades In Gioia Diliberto s fresh and timely take on this period of history we meet Ella Boole the stern and ambitious leader of the Woman s Christian Temperance Union who campaigned fiercely to introduce Prohibition and fought desperately to keep it alive We also meet Mabel Walker Willebrandt the most powerful woman in America at the time who served as the top federal prosecutor charged with enforcing Prohibition Diliberto tells the story too of silent film star Texas Guinan who ran New York speakeasies backed by the mob and showed that Prohibition was not only absurd but unenforceable And she follows Pauline Morton Sabin a glamorous Manhattan aristocrat who belatedly recognized the cascading evil in Prohibition and mobilized the movement to kill it These women led their opposing forces of Wets and Drys across a teeming landscape of bootleggers gangsters federal agents temperance fanatics and cowardly politicians many of them secret drunks Building on the momentum of suffrage they forged a path for the activists who followed during the great civil rights battles of the mid twentieth century Yet they have been largely lost to history In Firebrands Diliberto finally gives these dynamic figures their due creating a varied and dramatic portrait of women wielding power in politics society and popular culture

An introduction by the editor provides an overview of the issues, background, and historical problems of the time, and the personalities at play.

U.S. History As Women's History Linda K. Kerber, Alice Kessler-Harris, Kathryn Kish Sklar, 2000-11-09. This outstanding collection of fifteen original essays represents innovative work by some of the most influential scholars in the field of women's history. Covering a broad sweep of history from colonial to contemporary times and ranging over the fields of legal, social, political, and cultural history, this book, according to its editors, intrudes into regions of the American historical narrative from which women have been excluded or in which gender relations were not thought to play a part. The book is dedicated to pioneering women's historian Gerda Lerner, whose work inspired so many of the contributors, and it includes a bibliography of her works. The contributors include Linda K. Kerber on women and the obligations of citizenship; Kathryn Kish Sklar on two political cultures in the Progressive Era; Linda Gordon on women, maternalism, and welfare in the twentieth century; Alice Kessler-Harris on the Social Security Amendments of 1939; Nancy F. Cott on marriage and the public order in the late nineteenth century; Nell Irvin Painter on soul murder as a legacy of slavery; Judith Walzer Leavitt on Typhoid Mary and early twentieth-century public health; Estelle B. Freedman on women's institutions and the career of Miriam Van Waters; William H. Chafe on how the personal translates into the political in the careers of Eleanor Roosevelt and Allard Lowenstein; Jane Sherron De Hart on women, politics, and power in the contemporary United States; Barbara Sicherman on reading; Little Women; Joyce Antler on the Emma Lazarus Federation's efforts to promulgate women's history; Amy Swerdlow on Left
