## Manyas Story:

*Manya's Story* Bettyanne Gray, 1995-01-01 An American born daughter chronicles the history of her mother's family Ukrainian Jews whose community faced the horror of pogroms in the early 1900s and who emigrated to the United States in search of a better life

*Tales of Transmigration-Sisters* Elena Clark, 2013-09-25 Two five year old girls met in the most tragic of circumstances on the day they were supposed to die Miraculously they survived an unspeakable ordeal and became the best of friends In fact they became more than friends from that day onward they became as close and inseparable as only true blood sisters could be The lifelong bond between Manya and Raya was so strong that nothing could ever tear them apart Their friendship survived immigration from their birth country to Israel and Canada and not even the distance of the ocean could destroy their bond They were meant to be a part of each others lives forever as sisters chosen by destiny

**Come Back for Me** Sharon Hart-Green, 2019-01-24 Loss trauma memory and above all the ties of family and being Jewish are the elements that weave together this panoramic story *Come Back for Me* travels through time and place only to bring us ultimately to the connections between generations Artur Mandelkorn is a young Hungarian Holocaust survivor whose desperate quest to find his sister takes him to post war Israel Intersecting Artur's tale is that of Suzy Kohn a Toronto teenager whose seemingly tranquil life is shattered when her uncle's sudden death tears her family apart Their stories eventually come together in Israel following the Six Day War where love and understanding become the threads that bind the two narratives together Like Sarah's Key *Come Back for Me* deals evocatively with the scars left by tragedy and the possibilities for healing

*ARRIANNA, THE LITTLEST ANGEL* Manya McLoyd, 2018-08-14 Have you ever wondered what heaven is like Do you believe what the Bible says Are the streets really paved in gold Are there many mansions there and God has one just for you Do we really know the answer If you believe in the Bible the answer is yes But if you are a skeptic you really don't know I believe what the Bible says and I let my imagination take it even further We can only imagine what heaven is like You want to believe it is a beautiful place to live before and after death My Bible states that God knew me before I was in my mother's womb That says to me that I was a living being in heaven before I was ever born This book is about a child's many adventures that may have happened while living in heaven Let your imagination take you to a place without boundaries A place of peace love and the unexpected A place where you defy the norms A place of order but unrestricted by gravity by your senses and by your imagination Nothing to inhibit you from letting you dream the unimaginable Have you ever lassoed and ridden on the back of a giant butterfly Have you ever played hide and seek with your guardian angel In my vision of heaven my granddaughter Arrianna has She is one of the littlest angels that enjoyed many adventures while living in heaven before she was born When Gabriel called her name Arrianna knew she was about to be born She was getting new parents The excitement was too hard to contain She loved living in heaven and wanted to remember everything and everyone She wanted to tell her new mother about her life in heaven's gardens About her

adventures that were so amazing The only way she could share her life with her mother was through her mother's dreams so she wrote her a letter

Ramlogan,2023-05-25 Paradise lost Op ed journalist Rajendra Ramlogan has used his weekly column to cast a critical yet fond eye over life in his native Trinidad and Tobago often doing so within the context of regional and international developments Can these sister Caribbean islands play to their strengths to throw off the corruption and crime that threaten to drag them down Since independence in the 1960s the struggle for Trinidad and Tobago has been to fulfil its early promise with politics descending into name calling and self preservation rather than attaining the aspirations and hopes of early post colonial leaders Its cultural diversity with a population of mixed African and Indian descent makes TT a unique place with music food and holidays like nowhere else but it can also cause tensions Ultimately to really love a place one must truly know it in all its imperfections Hollywood's War with Poland, 1939-1945 M.B.B. Biskupski,2010-01-08 This passionate carefully researched richly detailed well written study reveals the political motives behind WWII Hollywood s portrayal of Poles Choice

During World War II Hollywood studios supported the war effort by making patriotic movies designed to raise the nation's morale. Often the characterizations were as black and white as the movies themselves. Americans and their allies were heroes while everyone else was a villain. The peoples of Norway, France, Czechoslovakia, and England were all good because they had been invaded or victimized by Nazi Germany. Yet Poland, the first country to be invaded by the Third Reich, was repeatedly represented in a negative light. In this prize-winning study, Polish historian M. B. B. Biskupski explores why Biskupski presents a close critical study of prewar and wartime films such as *To Be or Not to Be*, *In Our Time*, and *None Shall Escape*. Through memoirs, letters, diaries, and memoranda written by screenwriters, directors, studio heads, and actors, Biskupski examines how the political climate and especially pro-Soviet sentiment influenced Hollywood films of the time. Winner of the Oscar Halecki Prize, A Choice Outstanding Academic Title.

*My Aunt Manya* José Patterson, 2015-12-22 I am sick and tired of rocking and rolling about in this boat. Do you know what I want more than anything else in the world? I WANT TO STAND QUITE STILL ON DRY LAND. My Aunt Manya is a period novel set in Russia at the end of the 19th century. The heroine, ten-year-old Sarah, lives unhappily with her much-hated stepmother. Sarah's father has gone to live in New York with his sister Manya while he looks for a job. Sarah's life changes overnight when Aunt Manya writes with news that her father has been killed in an accident. She sends her a boat ticket, some money, and an offer of a home. Sarah's family and friends are poor Yiddish-speaking Russian Jews. Their lives are in constant danger from Cossacks, cruel Russian soldiers who, without warning, kill innocent Jews in attacks called pogroms. When Sarah's friends get word that a group of Cossacks is camped nearby, they lose no time in helping her to set out alone on the longest journey of her young life. *My Aunt Manya* is a heart-warming story of Sarah's journey to America on the other side of the world. She becomes an immigrant with just one goal: to live with her Aunt Manya in a free country. Sarah faces difficulties and dangers of the unknown with great courage and determination, which, together with the hand of fate, combine to make this an unforgettable story. Readers aged 9-11 years who love adventure will be captivated by Sarah's bravery.

*Dalton Trumbo, Hollywood Rebel* Peter Hanson, 2015-08-13 As a screenwriter, novelist, and political activist, Dalton Trumbo stands among the key American literary figures of the 20th century. He wrote the classic antiwar novel *Johnny Got His Gun*, and his credits for *Spartacus* and *Exodus* broke the anticommunist blacklist that infected the movie industry for more than a decade. By defining connections between Trumbo's most highly acclaimed films, including *Kitty Foyle*, *Thirty Seconds Over Tokyo*, and *Roman Holiday*, and his important but lesser-known movies *The Remarkable Andrew*, *He Ran All the Way*, and *The Boss*, the author identifies how for nearly four decades Trumbo used the archetype of the rebel hero to inject social consciousness into mainstream films. This new critical survey, the first book-length work on Trumbo's screenwriting career, examines the scores of films on which Trumbo worked and explores the techniques that made him, at the time he was blacklisted in 1947, Hollywood's highest-paid writer. Hanson reveals how Trumbo dealt with major themes, including rebellion, radical politics, and individualism, while also detailing lesser-known areas of Trumbo's screenwriting, such

as his troubling portrayal of women the dichotomy between his proletarian attitude and bourgeois lifestyle and the almost surreptitious manner in which he included antiestablishment rhetoric in seemingly innocuous scripts An extensive filmography is included

**Chekhov and Russian Religious Culture** Julie W. De Sherbinin, 1997 Chekhov and Russian Religious Culture is an innovative study of the Virgin Mary and the saintly harlots Mary of Egypt and Mary Magdalene as a cultural paradigm encoded in Chekhov's prose De Sherbinin establishes the authority of the Marian paradigm in nineteenth century Russian culture with a comprehensive overview of salient religious and literary texts then offers critical readings of more than fifteen Chekhov stories including key works such as Peasants Peasant Women and My Life De Sherbinin argues that Chekhov inverts and displaces the Christian meanings of Marian texts in order to reveal a vast array of problematized relationships to the canonized figures This illuminating semiotic reading of Chekhov explores questions of female identity as it probes the mindset of Russian Orthodox popular culture
