The Interpretation of The Meaning of The Holy Quran Volume 43 - Surah An-Nur Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin **A God Like No Other: Depaganizing**

the God of the Hebrew Bible David A. Brondos, 2024-07-15 For centuries scholars and interpreters of the Hebrew Scriptures or Old Testament have read those Scriptures as if they spoke of a God whose desires concerns and interests were essentially no different than those of the other gods of antiquity known to us Like those gods what the God of Israel supposedly sought above all else was the honor worship and obedience of human beings and their submission to his will as his faithful and devoted servants While he undoubtedly demanded the practice of what was good right and merciful among his people in a way that set him apart from other gods ultimately he did so for his own sake in order to bring about in them the type of behavior that pleased him and compel them to live in conformity with his justice holiness and righteousness Those who sought to enjoy his blessings and avoid his fierce wrath and punishments had no choice but to strive to keep him content by observing all that he had commanded and making atonement for the sins and offenses they committed by offering him the sacrifices that appeased him Although he loved his people deeply his righteous and holy nature placed limits on that love and prevented him from showing them his favor unless the demands of his nature were satisfied When we abandon such an understanding of the God of Israel and instead read the Hebrew Bible on its own terms in order to grasp the logic underlying

its narratives however a very different portrait of God emerges The God of whom the biblical texts speak is a God who desires nothing but the good for all those whom he has created and refuses to back down from his efforts to bring them to live in ways that will allow them to enjoy the wholeness and well being he desires for all when they insist on filling their lives with injustice suffering and violence When he demands that they obey all that he has commanded by practicing justice and compassion and avoiding behaviors that do them harm he does so not for his sake but for theirs If he jealously refuses to let his people serve and worship other gods it is only because those gods bring death and destruction rather than the life that is found in him alone While at times he must himself resort to violence and even bring down evil on human beings in order to put a stop to oppression and injustice he does so only because his passionate and unbending commitment to the well being of all of the families of the earth together with his beloved people Israel will not allow him to hold back or relent in his efforts to save them not from him but from themselves Christian and Jewish readers alike will find in the present volume a God who is very different from the God they have been taught to encounter previously in the biblical texts a God whose ultimate concern is not for his own glory honor or worship or for the demands of a righteous and holy nature that holds him captive but for the healing wholeness and well being of all of his creatures Such an understanding of God not only calls into question traditional interpretations of the Hebrew Bible but also lays the basis for a fresh reading of the many difficult passages that have long challenged biblical interpreters due to the violent and troubling image of God that they convey *An explanation of the Decalogue or ten commandments, with reference to the Catechism of the Church of England. Toward an Interpretation of the Book of Proverbs Zoltán S. Schwáb,2013-08-15 Major religious themes of the Bible such as election and covenant are not mentioned in the book of Proverbs Furthermore self interest underlies its motivational system you shall behave well because it will be good for you These selfish and secular features have posed serious ethical and theological challenges for some interpreters while others have claimed that their presence is only in the eyes of the beholder After a thorough investigation of the history of Proverbs interpretation in the nineteenth and twentieth centuries Zoltán Schwáb argues that its self interested and secular nature should not be simply affirmed or dismissed The question is not whether Proverbs is selfish and secular but in what ways it is selfish and secular and within what conceptual framework one is supposed to interpret these characteristics In order to construct a proper framework Schwáb uses such diverse sources as Thomas Aquinas theological ethics modern secularization theories ancient Near Eastern temple ideology and the theological tradition of God's incomprehensibility The result is a reading that simultaneously reflects on the ancient context of the text and the concerns of its readers in a secular world Mekhilta De-Rabbi Shimon Bar Yo (Edward E. Answering and Understanding the Call of God for Your Life Chinyere Nwawkwe, 2013-03-20 Go ye therefore and teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost Teaching them to observe all things whatsoever I have commanded you and lo I am with you alway even unto the end of the world Amen Matthew 28 1920 Also I heard the voice of the Lord saying Whom shall I send and who will go for us Then said I Here am I send me Isaiah 6 8 How do you know God has called you into the ministry How can you really tell in which area of the ministry he wants you to serve For many these can be frustrating and confusing questions In Answering and Understanding the CALL of God for Your Life author Chinyere Nwawkwe provides guidance in responding to Gods call for your life and your lifes ministry Blending her personal experiences with a plethora of scriptural examples Nwawkwe walks you through the process and shows how this calling is a privilege God has given you In her study she considers the factors involved in Gods calling the reasons that some people struggle with the call of God the Bible characters who struggled with answering Gods call the reasons that God called you the enemies of Christian life who will try to interrupt Gods call and ways to overcome the enemies Nwawkwe communicates that your response to the call of God has significant effects in your life as you run your Christian race Christ Jesus has called and commanded every individual to preach the gospel to all creatures Are you ready *The Oneness and Simplicity of God* Barry D. Smith, 2013-11-13 That YHWH is numerically one is foundational to the theology of the Hebrew Bible Christian theologians historically have affirmed that there is a more fundamental type of oneness attributable to God God is one not merely in the sense of being the only God but also in the sense of being simple or non composite having no parts of any kind In this way God is said to be an absolute unity After a consideration of all the evidence Barry D Smith reaches the conclusion that there is no basis for ascribing simplicity to God The simplicity doctrine is not found in Scripture and the traditional arguments used to establish it are unconvincing In addition the recent defenses of the simplicity doctrine prompted by Alvin Plantinga s work Does God Have a Nature are unsuccessful It should not be thought however that the

rejection of divine simplicity means that by default God must be conceived as composite not even as a perfect composite with maximally great God making properties. Rather, there is a third option: God should not be conceived as either simple or composite. The question of in which mode God has attributes or exemplifies properties should be set aside.
