from an unusual mixture of religious written texts and oral tradition jokes and proverbs The sources range from ancient Israel to works from the twenty first century In many ways it is an authentic and striking Jewish self portrait that is painted for the very first time in this fascinating volume Scriptural Authority in Early Judaism and Ancient Christianity Géza G. Xeravits, Tobias Nicklas, Isaac Kalimi, 2013-06-26 The impact of earlier works to the literature of early Judaism is an intensively researched topic in contemporary scholarship This volume is based on an international conference held at the Sapientia College of Theology in Budapest May 18 21 2010 The contributors explore scriptural authority in early Jewish literature and the writings of nascent Christianity They study the impact of earlier literature in the formulation of theological concepts and books of the Second Temple Period
