National Union Catalog ,1979 Includes entries for maps and atlases of literary properties sold at auction in the United States **American Book Prices Current** ,1986 A record of literary properties sold at auction in the United States *Black Writers Interpret the Harlem Renaissance* Cary D. Wintz,2020-11-25 First Published in 1996 One of the most interesting features of the Harlem Renaissance was the degree to which black writers and poets were involved in promoting and analyzing their own literary movement One of its formative events was the 1926 attempt by Wallace Thurman Langston Hughes and other young writers to publish a literary magazine FIRE This was the first of several efforts by black writers to establish literary journals While these efforts failed the magazine Opportunity employed a series of black poets as columnists to analyze and review black literary efforts This volume collects the writings of this important literary journal as well as including many autobiographical and historical sketches **The Encyclopedia Americana** ,1927 The Fires Beneath Seán Morrow,2016-06-01 The life of Monica Wilson is a story of groundbreaking scholarship passionate creativity and personal tragedy during South Africa s bitter and divided twentieth century As a young anthropologist in the 1930s Monica immersed herself in the lives work and beliefs of African communities in southern and East Africa while carefully observing the effects of historical change At the core of her existence was her intellectual collaboration and intense personal relationship with her husband the brilliant but clinically depressive Godfrey Wilson who took his own life in 1944 After Godfrey s death Monica raised their two children and built a career as a leading academic at Fort Hare Rhodes University College and the University of Cape Town In a political environment where black academics were under constant threat and ideas were censored she outspokenly advocated racial equality and freedom of speech her publications emphasising a common South African identity and implicitly challenging apartheid separate development This fascinating biography moves between the Eastern Cape Cambridge Tanganyika Nyasaland Northern Rhodesia and Cape Town It explores the relationship between anthropology and history and the tensions between liberalism Christianity Marxism and apartheid ideology Drawing on the letters and diaries left by Monica and Godfrey Wilson this is a powerful story about politics race war faith love and loss *W.B. Yeats and World Literature* Dr Barry Sheils,2015-09-28 Arguing for a reconsideration of William Butler Yeats s work in the light of contemporary studies of world literature Barry Sheils shows how reading Yeats enables a fuller understanding of the relationship between the extensive map of world literary production and the intensities of poetic practice Yeats s appropriation of Japanese Noh theatre his promotion of translations of Rabindranath Tagore and Shri Purohit Swami and his repeated ventures into American culture signalled his commitment to moving beyond Europe for his literary reference points Sheils suggests that a reexamination of the transnational character of Yeats s work provides an opportunity to reflect critically on the cosmopolitan assumptions of world literature as well as on the politics of modernist translation Through a series of close and contextual readings the book demonstrates how continuing global debates around the crises of economic liberalism and democracy fanaticism asymmetric

violence and bioethics were reflected in the poet's formal and linguistic concerns Challenging orthodox readings of Yeats as a late romantic nationalist W B Yeats and World Literature The Subject of Poetry makes a compelling case for reading Yeats's work in the context of its global modernity **W. B. Yeats, 1865-1939** Joseph Maunsell Hone, 1989-10-27 This is a biographical account of Yeats's life detailing his early family life his schooldays his London years his rise to literary fame his relationships and marriage his Oxford period and his career in public life **2025-26 BPSC TRE 4.0 & 5.0 Class IX to X English & General Studies Solved Papers & Practice Book** YCT Expert Team , 2025 26 BPSC TRE 4 0 5 0 Class IX to X English General Studies Solved Papers Practice Book 192 395 This book contains the Previous Year Solved Papers and Practice Book *English Association Bulletin* English Association, 1922 Bibliographies of English language and literature lists of new members of the association and lists of publications of the association are included T.P.'s and Cassell's Weekly , 1927 **France** , 1919 **The Americana** , 1923 **JCERT Exam Scorer Science Class 11 Jharkhand Board** SBPD Editorial, 2025-01-09 Hindi Core Hindi Elective English Core English Elective Physics Chemistry Biology Mathematics Economics Computer Science JAC Examination Question Papers 2024 of all Subjects **Fortnightly Review** , 1905 **The Fortnightly Review** , 1905 **The Fortnightly** , 1905 *Romantic Presences in the Twentieth Century* Dr Mark Sandy, 2013-05-28 Concerned with the intermingled thematic and formal preoccupations of Romantic thought and literary practice in works by twentieth century British Irish and American artists this collection examines the complicated legacy of Romanticism in twentieth century novels poetry and film Even as key twentieth century cultural movements have tried to subvert or debunk Romantic narratives of redemptive nature individualism perfectibility and the transcendence of art the forms and modes of feeling associated with the Romantic period continue to exert a signal influence on the modern moment both as a source of tension and as creative stimulus As the essays here show the exact meaning of the Romantic bequest may be bitterly contested but it has been difficult to leave behind The contributors take up a wide range of authors including Virginia Woolf F Scott Fitzgerald W H Auden Doris Lessing Seamus Heaney Hart Crane William Faulkner Don DeLillo and Jonathan Franzen What emerges from this lively volume is a fuller picture of the persistence and variety of the Romantic period's influence on the twentieth century **W.B. Yeats** Alasdair D.F. Macrae, 1995-01-12 This is not a straightforward biography but rather an attempt to describe and examine Yeats as a phenomenon partly shaped by forces and movements around him and partly shaping the public events of his time His position in literary political and cultural matters is detailed and the book offers through the study of Yeats an introduction to the fashions of ideas between the late nineteenth and early twentieth centuries **The Encyclopaedia Britannica** Hugh Chisholm, 1922 **The Encyclopedia Britannica** , 1922
