Poetic Ethics in Proverbs Anne W. Stewart, 2016 This study explores the sophisticated understanding of the formation of the moral self that emerges in the poetry of Proverbs which many have wrongly dismissed as simplistic Anne W Stewart analyzes images and metaphors to illuminate the Book's views on the role of emotions and desires in shaping moral imaginations

Poetic Ethics in Proverbs Anne W. Stewart, 2015-12-01 The Book of Proverbs frequent use of binary oppositions righteous and wicked wise and foolish has led many to assume that its vision of the moral world is relatively simplistic This study demonstrates that Proverbs in fact presents a remarkably sophisticated response to ethical questions of profound concern to the Israelite sages who crafted the book what motivates human beings How do they learn How does the power of desire shape human characters Anne W Stewart analyzes Proverbs multifaceted collection of images and metaphors to reveal their complex understanding of the development of the moral self which suggests that character formation requires educating all of the senses and not simply the cognitive faculties One of few works to make explicit connections between the poetic form of Proverbs and its pedagogical function Poetic Ethics in Proverbs will appeal to all those interested in literary approaches to the Bible

Love Leads Us Home Lori Scarborough, 2024-10-25 How many times do you wonder about Love What does it mean to Love and be Loved This book explores from a Biblical perspective how Love is expressed in Scriptures This book is written to challenge encourage and illustrate God's message to us Love is woven like a Scarlet Thread throughout the Bible connecting verses chapters and books providing a roadmap to our Eternal Home This book is not written from a theological lens but is meant to create a safe space for the reader to consider their own thoughts about each Scripture The book explores ways that as Christians we are called to Love but also acknowledges that we often fail to Love well in many ways as we interact with fellow Christians and others within our circle of influence While the focus is on verses of the Bible that mention the word Love there is opportunity to deeper explore many stories within the Bible The stories may surprise you as we see that Love is not always what we might expect Let this book speak to you as you discover how the Bible describes Love It is more than romance cupids and warm feelings God loves unconditionally but directs us how to Love His commandments each other and ourselves How we love others impacts how others view God as we demonstrate Christ's love through our words and actions In our brokenness we Love imperfectly but can continue to grow in our abilities There are several common themes that are seen in this study and each one is important as we continue to grow in our Spiritual journey This book highlights the work of other talented artists who have expressed their work through many mediums Take your time to listen and consider their thoughts as well

Poetic Imagination in Proverbs Knut Martin Heim, 2013-05-01 No fewer than 223 verses in Proverbs appear two times 79 sets three times 15 sets or even four times 5 sets in identical or slightly altered form more than 24% of the book Heim analyzes all of these presenting them in delineated Hebrew lines and in English translation Where appropriate the translations are followed by textual notes that discuss uncertainties regarding the

textual witnesses textual criticism and explore lexical grammatical and syntactical problems Heim also analyzes the way the parallelism in each verse of a variant set has been constructed presenting diagrams and tables with columns that highlight the corresponding similarities and differences among repeated verses Key to this investigation is the search for links between the variants and their surrounding verses such as repetitions of sound and sense Heim shows that most variant repetitions result from skillful poetic creativity Reconstruction of the editorial and creative poetic process highlights what poets did how they did it and why they did it He develops criteria for determining the direction of borrowing between the verses and demonstrates that the phenomenon of variant repetition is an editorial concern that operates on the level of the book as a whole He develops and refines a range of interpretive techniques and skills arrives at fresh interpretations and shows that ancient proverbial wisdom is relevant to modern societies This study sheds new light on the nature of biblical poetry and on the methods and virtues best suited for its study While specific to the book of Proverbs in the first instance the findings in this study apply to poetry elsewhere Three fundamental insights should inform future work on poetry the creative combination of repetition with variation is the very essence of poetry what has been written with imagination should be read with imagination imaginative interpretation values the normal features of poetic expression and celebrates the truly unusual
