## **Political Development And Social Change In Libya:**

Political Development and Social Change in Libya 'Umar Ibrāhīm Fathālī, Monte Palmer, 1980      **Economic Crisis and Political Change in North Africa** Azzedine Layachi, 1998-10-28 A collective effort by American and North African scholars this volume provides a comprehensive analysis of recent economic social and political events in North Africa It shows how the Maghrebi states and societies are currently at a very important junction as they try to adjust to different ways of doing things in new regional and international orders Using a political economy approach the book focuses on a series of issues raised by the interaction between economic crisis and reform on the one hand and political change or stagnation on the other The author and his contributors provide a comprehensive and up to date survey of particular value to scholars and researchers of the Arab world in general and North Africa in particular      *Government and Politics of the Middle East and North Africa* Sean Yom, 2019-10-30 The latest edition of this renowned textbook explores the states and regimes of the Middle East and North Africa Presenting heavily revised fully updated chapters contributed by the world's leading experts it analyzes the historical trajectory political institutions economic development and foreign policies of the region's nearly two dozen countries The volume can be used in conjunction with its sister volume *The Societies of the Middle East and North Africa* for a comprehensive overview of the region Chapters are organized and structured identically giving insightful windows into the nuances of each country's domestic politics and foreign relations Data tables and extensive annotated bibliographies orient readers towards further research Whether used in conjunction with its sister volume or on its own this book provides the most comprehensive and detailed overview of the region's varied politics Five new experts cover the critical country cases of Turkey Lebanon Jordan Saudi Arabia and Iran All chapters cover the latest events including trends that have remarkably changed in just a few years like the gradual end of the Syrian civil war As such this textbook is invaluable to students of Middle Eastern politics The ninth edition brings substantial changes All chapters also have a uniform streamlined structure that explores the historical context social and economic environment political institutions regime dynamics and foreign policy of each country Fact boxes and political maps are now far more extensive and photographs and images also help illustrate key points Annotated bibliographies are vastly expanded providing nothing short of the best list of research references for each country      *The 2011 Libyan Uprisings and the Struggle for the Post-Qadhafi Future* J. Pack, 2013-06-18 The 2011 Libyan Uprisings is a thematic investigation of how pre-existing social regional tribal and religious fissures influenced the trajectory of the 2011 Libyan Uprisings and an analysis of what this means for the post Qadhafi future      **Libya's Foreign Policy In North Africa** Mary-jane Deeb, 2019-03-13 Since 1969 when Colonel Mu ammar al Qadhdhafi came to power through a military coup Libya has been the focus of a great deal of attention Its experiments with nation building have been viewed with curiosity and its foreign policy with dismay by Western analysts Much has been written to explain Libya's international and domestic behavior but des      *The Government and Politics of the*

*Middle East and North Africa* Mark Gasiorowski, Sean L. Yom, 2018-05-04 With recent upheavals in the Middle East and North Africa the eighth edition of *The Government and Politics of the Middle East and North Africa* has been thoroughly revised to provide a necessary comprehensive and current examination of the domestic politics and foreign policies of this crucial region A newly expanded introduction provides students with a comparative and thematic overview of the region from its political regimes and electoral institutions to its economic and social concerns Each chapter written by an invited specialist uses a common framework to explore the historical background social and political environment political structure and dynamics and foreign policy of a country Chapters are augmented by a country map a box providing key facts and an annotated bibliography summarizing the major literature The eighth edition provides vital new considerations of the aftermath of the Arab Spring the ongoing sectarian violence and rise of ISIS and the growth of social forces like youth movements and women's rights groups In addition the inclusion of six new contributors brings fresh perspectives ensuring that *The Government and Politics of the Middle East and North Africa* remains an essential guide to the region's political landscape

*The Making of a Pariah State* Martin Sicker, 1987-03-04 *The Making of a Pariah State* takes the reader behind the flamboyance and apparent irrationality of Libyan leader Muammar Qaddafi to expose his attempt to impose national cohesion on the Arab Muslim and Third World elements under his leadership Addressed to the general reader interested in foreign affairs this timely and unique book provides a coherent framework for understanding why Libya is involved in international terrorism and the danger Qaddafi poses to the Third World and the West

**The Politics of Nuclear Non-Proliferation** Ursula Jasper, 2013-10-08 This book examines the puzzle of why some states acquire nuclear weapons whereas others refrain from trying to do so or even renounce them Based on the predominant theoretical thinking in International Relations it is often assumed that nuclear proliferation is inevitable given the anarchic nature of the international system Proliferation is thus often explained by vague references to states insecurity in an anarchic environment Yet elusive generalisations and grand abstract theories inhibit a more profound and detailed knowledge of the very political processes that lead towards nuclearisation or its reversal Drawing upon the philosophical and social theoretical insights of American pragmatism *The Politics of Nuclear Non Proliferation* provides a theoretically innovative and practically useful framework for the analysis of states nuclear proliferation policies Rather than recounting a parsimonious lean account of proliferation the framework allows for the incorporation of multiple paradigms in order to depict the complex political contestation underlying states proliferation decisions This pragmatist framework of analysis offers ways of overcoming long standing metatheoretical gridlocks in the IR discipline and encourages scholars to reorient their efforts towards imminent real world challenges This book will be of much interest to students of nuclear proliferation international security and IR theory

Polity And Society In Contemporary North Africa I. William Zartman, William Mark Habeeb, I William Zartman, 2019-06-04 In the twenty five years since the last comprehensive book on state and society in North Africa was

published the nations of the Maghrib have undergone profound social political and economic changes The region has for example experienced one of the highest population growth rates in the world accompanied by a dramatic increase in migration t

**The Cambridge History of Africa** J. D. Fage, Roland Anthony Oliver, Michael Crowder, 1975 The eighth and final volume of The Cambridge History of Africa covers the period 1940-75 It begins with a discussion of the role of the Second World War in the political decolonisation of Africa Its terminal date of 1975 coincides with the retreat of Portugal the last European colonial power in Africa from its possessions and their accession to independence The fifteen chapters which make up this volume examine on both a continental and regional scale the extent to which formal transfer of political power by the European colonial rulers also involved economic social and cultural decolonisation A major theme of the volume is the way the African successors to the colonial rulers dealt with their inheritance and how far they benefited particular economic groups and disadvantaged others The contributors to this volume represent different disciplinary traditions and do not share a single theoretical perspective on the recent history of the continent a subject that is still the occasion for passionate debate

**Political Psychology And Foreign Policy** Eric Singer, Valerie M Hudson, 2020-02-24 First published in 1992 One of the issues of particular interest to political psychologists centers around how foreign policy decisions are made The psychological phenomena that political psychologists examine have to do with how individuals perceive interpret feel about and react to their environment The political factors have to do with the activities involved in governing or the making of public policy that is with how the material and human resources of a collectivity are allocated The research presented in this volume addresses 6 key questions that link psychological and political processes and the chapters are organized around three conceptual clusters perception studies personality studies and studies of group dynamics

*Africa, Asia, and South America Since 1800* A. J. H. Latham, 1995 A reference for graduate and undergraduate students presenting the bibliographic details and sometimes describing and evaluating the content of over 5 000 books in English most published since 1945 and many quite recently but also some earlier works of enduring importance A section of works on all three continents is followed by sections on each which first consider the continent as a whole then each country usually by chronological periods and topics such as economics politics and society Indexed only by author and editor but the table of contents is detailed enough to provide adequate access Distributed in the US by St Martin's Press Annotation copyright Book News Inc Portland Or

**The Libyan Short Story** Ahmed Fagih, 2008-03-27 Ahmed Fagih PhD is a writer of international standing His writings include the award winning trilogy Gardens of the night and a large body of novels plays short story collections and essays His dramas were performed in so many countries and his books widely read and translated He founded and chaired many institutions in his country and abroad among the posts he occupied the chairman of Arab Cultural Trust The general secretary of union of writers and artists the director of the national institute of drama and music He directed and performed many plays for the theatre group he founded in Tripoli The New Theatre He served as the head of his country's diplomatic missions in Athens

and Bucharest He is the chairman of the Mizda heritage society and was awarded the highest medal in his country The grand al fatah medal      North Africa's Arab Spring George Joffé,2013-10-18 This book addresses issues surrounding the evolution of the Arab Spring in North Africa After a general introduction and explanation of the events on a region wide basis it turns to examine aspects of each of the countries concerned The role of the Muslim Brotherhood during the Nasser regime and in the contemporary situation is compared together with an analysis of the emergence of new political parties in Egypt The book analyses the links between social media and satellite television during the revolution in Egypt This is followed by a study of the intellectual and cultural background to the Tunisian revolution and an analysis of the new political parties in Tunisia It also looks at the revolution process in Libya and concludes with a study of why there was no revolution in Algeria and how the Moroccan monarchy was able to sideline those who challenged it at the price of constitutional changes that are essentially cosmetic This book was originally published as a special issue of The Journal of North African Studies

**Micro-evidence for Peacebuilding Theories and Policies** Yuichi Kubota,2022-11-30 Relying on micro evidence on the repercussions of civil conflicts this edited book explores theories and policies of post conflict peacebuilding Reconsidering existing knowledge on the civil conflict and peacebuilding processes in particular it empirically presents the relationships between conflict dynamics and citizens norms values and preferences in the post conflict context Once it occurs civil conflict brings enormous suffering on the local society As a consequence of wartime coercion and violence that tear it apart citizens come to harbor fear distrust and hatred of others especially of those who are in different sociopolitical groups This can significantly alter the pre conflict norms and values of the citizenry and make reconciliation difficult across groups in the aftermath of the conflict To tackle these problems post conflict peacebuilding should be well designed so that it can widely cover and sufficiently deal with conflict affected citizens This approach urges us to pay serious attention to the individual level impact of the conflict process and dynamics The importance of micro level analysis does not disregard that of normative and or macro level approaches to the development of peacebuilding policies However the micro level approach is better able to capture wartime civil military relations that largely vary between individuals The book is aimed at linking academic knowledge with policy development in peacebuilding To reflect existing policy frameworks in peacebuilding the implications of micro evidence based studies for conflict affected societies are discussed here A bottom up approach pursued throughout this book allows us to elaborate desirable policy schemes for peacebuilding that conform to local contexts      *The Foreign Policies Of Arab States* Bahgat Korany,Ali El-Din Hillal Dessouki,2019-07-09 Middle East politics have been proverbial for their changeability The 1970s ushered in petro politics for instance but OPEC s international status declined markedly in the following decade Similarly the Arab world s ostracism of Egypt in the 1970s following its separate peace with Israel was turned around in the 1980s the late 1980s also brought PLO acceptance of the State of Israel Interstate relations were not the only arena to experience significant alterations state society relations also underwent dramatic changes such as the

acceleration of privatization in erstwhile socialist regimes Then the 1990s opened with a political earthquake the Gulf Crisis The second edition of this highly acclaimed text offers a penetrating analysis of trends in Arab foreign policies since the book was originally published in 1984 including an early analysis of the effects of Iraq's invasion of Kuwait and the subsequent coalition victory over Iraq In addition the authors have included new chapters on Jordan at the heart of the Arab world and on the Sudan the region's link to sub-Saharan Africa Their inclusion allows a fuller understanding of the foreign policies of states that occupy crucial geopolitical positions but wield little tangible power Moreover in many of its chapters the book raises the crucial question of how the foreign policies of these countries can cope with the prevalence of political change

Military Politics of the Contemporary Arab World Philippe Droz-Vincent, 2020-10-29 Compares the crucial role of Arab armies in state building a decade after the 2011 Arab Uprisings in Tunisia Egypt Libya Yemen and Syria **The Arab Spring** Carlo Panara, Gary Wilson, 2013-01-08 The Arab Spring New Patterns for Democracy and International Law explores a number of critical issues brought to the forefront of the international community as a result of the uprisings which began in the Middle East and North Africa in early 2011 Particularly prominent among these are issues concerning the right to democracy within international law self-determination recognition of newly installed governments the use of force for humanitarian purposes protection of human rights and the prosecution of international crimes This important volume brings together a multitude of fresh voices and as events in the Arab world continue to unfold is certain to make a valuable contribution to a meaningful understanding of the Arab Spring from a constitutional and international law perspective

**Problems of Communism**, 1985 **Islamist Radicalisation in North Africa** George Joffe, 2012-06-12 This book focuses on the current issues and analytical approaches to the phenomenon of radicalisation in North Africa Taking a comprehensive approach to the subject it looks at the processes that lead to radicalisation rather than the often violent outcomes
