Problems Of Homosexuality In Corrections:

Problems of Homosexuality in Corrections Clyde Bennett Vedder, Patricia G. King, 1967 **Homosexuality in Prisons** Peter C. Buffum, 1972 **Homosexual Issues In The Workplace** Louis Diamant, 2018-10-24 First published in 1993 This book looks at the stress of gay and lesbian workers within the work world and for that reason alone deserves its place on a list of recommended mental health psycho social health readings However more than this major factor merits consideration Issues that are core to the identity of any person must be examined from the particular position of the homosexual worker and career seeker and include such fundamental concepts as fairness self esteem economics survival the need and right to participate in the work force and the need and right for a voice and basic identity in vocational systems

Homosexuality and Government, Politics and Prisons Wayne R. Dynes, Stephen Donaldson, 1992 First published in 1993 Routledge is an imprint of Taylor Francis an informa company **Corrections: Illinois: the problems of the ex-offender** United States. Congress. House. Committee on the Judiciary. Subcommittee No. 3, 1972 **Corrections** David M. Petersen, Charles Wellington Thomas, 1980 Resolution of Correctional Problems and Issues, 1974 *Routledge Revivals: Homosexuality: A Research Guide (1987)* Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology **Prison Sex** Christopher Hensley, 2002 Sex in prison remains a taboo subject This comprehensive volume explores prison sex presenting original research on consensual and nonconsensual intercourse as well as the effects of conjugal visitation policies and HIV AIDS management *Project Reports of the National Institute of Law Enforcement and Criminal Justice*, 1972 **Women's Prison** Gene Kassebaum, 2017-07-28 A thoroughly researched pioneering work based on personal interviews with inmates and prison personnel and on data compiled from questionnaires and inmate record files Women s Prison reveals that homosexual liaisons are the primary foundation of the social structure of female inmates shows that homosexual behavior can be a superficial kind of adjustment to particular situational privations amplifies and broadens the application of earlier findings on men s prisons opens the way for future studies involving the delineation of homosexual roles in the free community This study began with both of the authors interest in gathering data on women in prison to see whether there were female prisoner types consistent with the reported characteristics of male prisoners Early in the course of this study it became apparent that the most salient distinction to be made among the female inmates was between those who were and those who were not engaged in homosexual behavior in prison and further of those who were so

involved between the incumbents of masculine and feminine roles It has become increasingly apparent that prison behavior is rooted in more than just the conditions of confinement Unlike their male counterparts who establish the so called inmate code women prisoners suffer intensely from the loss of affectional relationships and form homosexual liaisons as the primary foundation of their social organization The great majority of homosexually involved inmates have their first affair in prison returning to heterosexual roles outside prison Women s Prison is a revealing study of social structure and homosexuality for sociologists of vital interest to social workers parole officers and chaplains dealing with female inmates as well as penologists and criminologists and provocative reading for the non specialist

Criminal Intimacy Regina Kunzel,2022-03-22 Sex is usually assumed to be a closely guarded secret of prison life But it has long been the subject of intense scrutiny by both prison administrators and reformers as well as a source of fascination and anxiety for the American public Historically sex behind bars has evoked radically different responses from professionals and the public alike In Criminal Intimacy Regina Kunzel tracks these varying interpretations and reveals their foundational influence on modern thinking about sexuality and identity Historians have held the fusion of sexual desire and identity to be the defining marker of sexual modernity but sex behind bars often involving otherwise heterosexual prisoners calls those assumptions into question By exploring the sexual lives of prisoners and the sexual culture of prisons over the past two centuries along with the impact of a range of issues including race class and gender sexual violence prisoners rights activism and the HIV epidemic Kunzel discovers a world whose surprising plurality and mutability reveals the fissures and fault lines beneath modern sexuality itself Drawing on a wide range of sources including physicians psychiatrists sociologists correctional administrators journalists and prisoners themselves as well as depictions of prison life in popular culture Kunzel argues for the importance of the prison to the history of sexuality and for the centrality of ideas about sex and sexuality to the modern prison In the process she deepens and complicates our understanding of sexuality in America
