Prophecy And The Church:

Prophecy and the Church Oswald T. Allis, 2001-08-02 For a number of years it was the difficult yet delightful task of the author to interpret the Prophetic Books of the Old Testament to successive classes of theological students This made it necessary for him to make a decision of the utmost importance Should he in accordance with the time tested belief of the Church instruct his students that the kingdom prophecies of the Old Testament Church have their fulfillment in large measure in the New Testament Church Or should he follow the relatively new and decidedly revolutionary teaching commonly called Dispensationalism and declare that these prophecies skip over the Church age and will be literally fulfilled in a Jewish kingdom age which will follow it These were the alternatives between which he found himself obliged to choose His decision and the reason for it are set forth in this volume

Prophecy Bruce Yocum, 1976 In the times of the Old and New Testaments God guided his people through prophecy Now in the twentieth century the prophetic gifts are reappearing within the charismatic renewal Can this modern revival of the prophecy truly bring God's words to the church Bruce Yocum believes it can if Christians learn to use the gift properly Prophecy discusses the basic nature of prophecy and offers guidelines on receiving prophetic inspiration delivering prophecies to a group judging false prophecies and maturing in the use of prophetic gifts He focuses on the role of the Christian community in testing and forming prophets who can be trusted to speak the word of the Lord from back cover

The Church in End-Time Prophecy Curtis Schulze, 2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church's obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through

Church Martin Scott,2001-08 **The Gift of Prophecy in 1 Corinthians** Wayne Grudem,1999-10-27 Dr Grudem discusses the relevance purpose and function of prophecy in the church today He provides fresh understanding that preserves the distinctive authority of Scripture while giving the church space to enjoy Holy Spirit s most edifying gifts The Company Of Hope David L. Larsen,2004-06 While recovering from a near fatal fall Jason Ryker discovers a technological wonder to help speed his recovery a mind machine This computerized gadget combines flashing lights in special glasses with synchronized harmonic pulses through headphones The audio visual stimulation instantly places the subject in an altered state of mind The machine works wonders for Jason until a close encounter with Nature causes the system to go awry **Christian Prophecy** Niels Christian Hvidt,2007-04-19 Throughout the Hebrew Bible God guides and saves his people through the words of his prophets When the prophets are silenced the people easily lose their way What happened after the incarnation death and resurrection of Christ Did God fall silent The dominant position in Christian theology is that prophecy did indeed cease at some point in the past if not with the Old Testament prophets then with John the Baptist with Jesus with the last apostle or with the closure of the canon of the New Testament Nevertheless throughout the history of Christianity there have always been acclaimed saints and mystics most of them women who displayed prophetic traits In recent years the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt Mainstream systematic theology both Protestant and Catholic has mostly marginalized or ignored the gift of prophecy In this book however Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church Prophecy never died he argues but rather proved its dynamism by mutating to meet new historical conditions He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it Throughout though there is always an awareness of the critical discernment required when evaluating the charism of prophecy The debate about prophecy Hvidt shows leads to some profound insights about the very nature of Christianity and the church For example some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God s salvation in Christ is still far away This is the position that Hvidt forcefully and persuasively defends and develops in this ambitious and important work *Prophecy in Early Christianity and the Ancient Mediterranean World* David Edward Aune,1983 Aune s comprehensive study of early Christian prophecy includes a review of its antecedents Greco Roman oracles ancient Israelite prophecy prophecy in early Judaism a discussion of Jesus as prophet and analyses of Christian prophetic speeches from Paul to the middle of the second century A D **IS THE GIFT OF PROPHECY FOR TODAY?** F. David Farnell,2019-01-07 In the first century A D miraculous gifts occurred with the baptism with the Holy Spirit These served as signs that God was no

longer using the Israelite nation but that his approval now rested on the Christian church which had been established by his Son Heb 2 2 4 On the day of Pentecost miraculous gifts followed the outpouring of the Holy Spirit and in each case mentioned in the New Testament where the miraculous gifts of the Spirit were given at least one of the 12 apostles or Paul was present Ac 2 1 4 14 8 9 20 10 44 46 19 6 With the death of the apostles the transmittal of the gifts of the Spirit ended Did the miraculous gifts of the Spirit cease Is the gift of prophecy for today It is imperative that we know the correct answer to that question Prophecy in the Church Martin Scott,1992-01-01 **The System of Prophecy Generally Held in Popish and Protestant Churches, Historically and Scripturally Proved to Have Originated In, Or After the Fourth Century, Etc** James Scott (Author of Outlines of Prophecy.),1846 Prophets and Personal Prophecy (Volume 1) Dr. Bill Hamon,1987-07-01 There Are More Examples of Personal Prophecy in Scripture Than Any Other Biblical Subject Prophets and Personal Prophecy is not an abstract theological doctrinal statement but a practical how to guide on what personal prophecy is and what you are supposed to do with it This book is an absolute must for anyone who has *Ecstatic Prophecy* Stacey Campbell,Wesley Campbell,2008-11-01 Ecstatic prophecy is a form of prophecy in which the prophet is completely overtaken by the Holy Spirit body soul and spirit and prophesies almost as an oracle In Ecstatic Prophecy Stacey Campbell a respected teacher and regular and high profile recipient of this gift explains the ins and outs of this remarkable mode of prophecy She takes readers through biblical and early church examples of ecstatic prophecy and uncovers the history of its occurrence until modern times She also examines how those with this gift can mature in it avoid deception by testing spirits and use this method of prophesying to grow closer to God and to reveal Jesus This unique book will be compelling to anyone who follows prophetic literature and movements as well as to those who may be experiencing ecstatic prophecy without understanding it *The Reformation of Prophecy* G. Sujin Pak,2018-05-31 Protestant reformers found the prophet and biblical prophecy to be exceptionally effective for framing their reforming work under the authority of Scripture for the true prophet speaks the Word of God alone and calls the people their worship and their beliefs and practices back to the Word of God uses the prophet and biblical prophecy as a powerful lens through which to view many aspects of the reformers in the sixteenth and seventeenth centuries G Sujin Pak argues that these prophetic concepts served the substantial purposes of articulating a theology of the priesthood of all believers a biblical model of the pastoral office a biblical vision of the reform of worship and biblical processes for discerning right interpretation of Scripture Pak demonstrates the ways in which understandings of the prophet and biblical prophecy contributed to the formation of distinct confessional identities She goes on to demonstrate the waning of explicit prophetic terminology particularly among the next generation of Protestant leadership Eventually she shows the Protestant reformers concluded that the figure of the prophet carried with it as many problems as it did benefits though they continued to give much time and attention to the exegesis of biblical prophetic writings *These Truths about the Church of God of Prophecy* Church of God of Prophecy,19?? *Reclaiming Prophecy*

Darin Slack, 2015-05-16 Is there a way to experience prophetic ministry in a God honoring way without all the mess and confusion Prophetic ministry is the Holy Spirit's gift to the Church Yet this gift has been abused confused and misused making it difficult for today's Church leaders to embrace With biblically sound delivery Darin Slack offers a compelling perspective based on his thirty years of experience in prophetic ministry He challenges indifference and complacency while discouraging doctrinal disorder in the administration of the gift Slack provides a powerful and much needed balance that will allow Church leaders to see the great potential for blessing in the prophetic while reducing the risk Through Scripture Slack offers leaders from all doctrinal backgrounds a faith building process for realizing prophecy that leads to Church edification 1 Cor 14:3 This book is a must have for every pastor or Church leader who desires to scripturally understand and implement prophetic ministry Your Sons and Daughters Shall Prophesy Ernest B. Gentile, 1999-06-01 A thorough yet practical study that shows how the biblical gift of prophecy can build up today's churches and individual Christians *New Testament Prophecy* David Hill, 1979 **The Beginner's Guide to the Gift of Prophecy** Jack Deere, 2010-10 How Do You Know It's God Safeguarding Yourself Against Deception Finding Balance and Insight Discovering and Activating Your Own Gift The Beginner's Guide to the Gift of Prophecy describes the operation of the prophetic gift in the church today The book offers not only a balanced overview of the role of prophecy in the Christian community but **Prophetic Community** Kim M. Maas, 2019-08-20 All God's people have been given the ability not only to hear his voice but to speak his words Yet some still believe that the gift of prophecy ceased with the death of the New Testament apostles Others believe that gifts are reserved only for those specially anointed and appointed Grounded in Scripture international speaker and author Kim Maas will help you understand the history of the modern prophetic movement key misunderstandings and misconceptions about prophecy where prophetic community fits into God's kingdom plan When the body of Christ recognizes that we are called to be a prophetic community the voice of God will be released with fresh power in the church and the family in the halls of justice and of education in places of business and of leisure and in the streets of every neighborhood city and nation Lives will be changed Communities will be transformed Culture will be influenced And history will be made
