Restoration Appreciation John C. Nugent, 2022-05-13 The Restoration Movement is one of the largest Christian traditions indigenous to the United States boasting nearly four million adherents Over the last century however it has suffered internal division isolationism declining institutions and widespread ignorance of its own roots The dynamism and solidarity that once typified our churches appears to be fading which has many asking if the Restoration Movement has lost all momentum Yet Jesus prayed for Christian unity and tied such unity to the world s belief John 17 Only a united church will convince unbelievers that God sent Jesus as his ultimate expression of love for them This prayer propelled the early Movement into action and may do so again today This highly accessible book invites restorationists to rise above the partisanship of our day rally around our core commitments and lead out in our strengths It informs readers about the modest origins unique resources and current challenges facing our churches It fosters stimulating conversations about mission race creeds Scripture education unity humility and relevance If it s time for you your congregation or your students to encounter or recover their restoration roots then this book is for you
