Radical And Evangelical:

Latin American Theology: Radical Or Evangelical? C. Peter Wagner, 1970 This book is the first attempt to describe in broad terms what is occurring in theological circles in the Latin American Protestant Church It begins with an analysis of the most vocal segment of the church labeled the new radical left A general description of the position is followed by specific analyses of theological stresses found in the writings of such representatives as Gonzalo Castillo Jose Miguez Rubem Alvez Jorge Lara Emilio Castro Richard Shaull and others pointing out how the theology of these men has to one degree or another become secularized Their theology is then criticized from the point of view of the church growth position popularized by Dr Donald McGavran which the author holds One of the principal theses of the book is an attempt to show that radical theology as enunciated by this segment of Latin American theologians reduces to a type of syncretism and thus becomes not Biblical Christianity but rather another gospel Finally the theology of the relationship of the church to the world on the part of several evangelicals such as Fernando Vangioni Washington Padilla Jose Maria Rico and others is described although it is not a fully developed theology Evangelicals in Latin America have been busier putting a soul winning theology into practice rather than attempting to articulate it As a result they are strong on numbers of church members but not on theologizing The author's own position as to the rationale for an evangelical social ministry is outlined in the final chapter He believes that whereas the evangelical's primary responsibility in the world is to reconcile multitudes to Jesus Christ the church also has a secondary responsibility to serve society in general not necessarily as a means to an evangelistic end but in fact as an end in itself Publisher *The Radical Evangelical* Nigel G. Wright, 2016-08-31 The gospel we profess is the most radical power on earth reaching to the depths of our personal social and political existence It needs a radical people to embody and proclaim it This book examines the nature of evangelical theology dealing with areas of persistent disagreement and controversy such as the status of the Bible the nature of Christ's achievement on the cross and the meaning of hell It offers a new way forward that remains committed to the fundamentals of faith while retaining a flexible response to the challenges of the future

Transformation After Lausanne Al Tizon, 2008 Lausanne 74 inspired evangelicals around the world to take seriously the full implications of the Gospel for mission This was especially true of a worldwide network of radical evangelical mission theologians and practitioners whose post Lausanne reflections found harbour in the notion of Mission as Transformation This missiology integrated evangelism and social concern like no other and it lifted up theological voices coming from the Two Thirds World to places of prominence This book documents the definitive gatherings theological tensions and social forces within and without evangelicalism that led up to Mission as Transformation And it does so through a global local grid that points the way toward greater holistic mission in the 21st century BOOK JACKET *Evangelical Dictionary of Theology* Walter A. Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics **Radical Christian Voices and Practice** Zoë Bennett, David B.

Gowler,2012-01-26 Sixteen new essays by a team of leading international scholars on the theme of the Bible and its reception and appropriation in the context of radical practices and an exposition of the imaginative possibilities of radical engagement with the Bible in inclusive social contexts **Aspects of the Canadian Evangelical Experience** George A. Rawlyk,1997

Aspects of the Canadian Evangelical Experience explores Canadian evangelicalism in the nineteenth and twentieth centuries placing it within historical cultural and theological frameworks from publisher description **How to be Evangelical**

Without Being Conservative Roger E. Olson,2008 In recent years the American media have portrayed the evangelical movement as a conservative force in society equating it with fundamentalism Many people equate evangelical Christianity with conservatism in religion politics theology and social attitudes But is this the whole story of evangelicalism Roger Olson s new book sets forth evidence that the link between evangelicalism and conservatism has not always been as strong as it is today in the popular mind Olson shows how contemporary **Is Jesus Your Personal Saviour?** George A. Rawlyk,1996

What emerges in this groundbreaking and often controversial book is a complex richly textured picture of a vibrant form of populist Christianity as experienced and practised by rank and file evangelicals Is Jesus Your Personal Saviour will inspire serious debate about the complex nature of Canadian evangelicalism in the 1990s Treacherous Faith David

Loewenstein,2013-08-29 Treacherous Faith is a major study of heresy and the literary imagination from the English Reformation to the Restoration It analyzes both canonical and lesser known writers who contributed to fears about the contagion of heresy as well as those who challenged cultural constructions of heresy and the rhetoric of fear mongering

Christian Masculinity Yvonne Maria Werner,2011 In the mid nineteenth century when the idea of religion as a private matter connected to the home and the female sphere won acceptance among the bourgeois elite Christian religious practices began to be associated with femininity and soft values Contemporary critics claimed that religion was incompatible with true manhood and today s scholars talk about a feminization of religion But was this really the case What expression did male religious faith take at a time when Christianity was losing its status as the foundation of society This is the starting point for the research presented in *Christian Masculinity* Here we meet Catholic and Protestant men struggling with and for their Christian faith as priests missionaries and laymen as well as ideas and reflections on Christian masculinity in media fiction and correspondence of various kinds Some men engaged in social and missionary work or strove to harness the masculine combative spirit to Christian ends while others were eager to show the male character of Christian virtues This book not only illustrates the importance of religion for the understanding of gender construction but also the need to take into consideration confessional and institutional aspects of religious identity *Progressive Evangelicals and the Pursuit of*

Marsden, James M. Peters, Tommy W. Rogers, Tom Rose, John Whitehead, In a thought provoking exploration of the historical tension between fundamentalist beliefs and social action the narrative delves deep into the roots of mistrust that have shaped American perspectives over the years With incisive analysis and sharp wit the book challenges traditional notions of engagement social within evangelical circles shedding light on the complexities of theological conservatism in a rapidly changing world From the struggles of the Great Reversal to the modern day debates on liberalism and activism this book offers a fresh perspective on the intersection of faith and social responsibility Through a rich tapestry of historical anecdotes theological reflections and contemporary critiques the reader is invited to reconsider long held assumptions and explore the potential for a more nuanced understanding of Christian social action A must read for those seeking to navigate the complexities of faith and societal engagement in today's world 'Ethos' and the Oxford Movement James Pereiro, 2008 A revisionist assessment of the Oxford Movement James Pereiro's rediscovery of a so far neglected concept fundamental to Tractarian thinking provides a deeper understanding of Tractarian intellectual developments and the historical events

surrounding the Movement The Other Evangelicals Isaac B. Sharp, 2023-04-18 What is the first thing that comes to mind when you hear evangelical For many the answer is white patriarchal conservative or fundamentalist but as Isaac B Sharp reveals the big tent of evangelicalism has historically been much bigger than we've been led to believe In The Other Evangelicals Sharp brings to light the stories of those twentieth century evangelicals who didn't fit the mold including Black feminist progressive and gay Christians Though the binary of fundamentalist evangelicals and modernist mainline Protestants is taken for granted today Sharp demonstrates that fundamentalists and modernists battled over the title of evangelical in post World War II America In fact many ideologies characteristic of evangelicalism today such as biblical womanhood and political conservatism arose only in reaction to the popularity of evangelical feminism and progressivism Eventually history was written by the winners the Billy Grahams of American religion while the losers were expelled from the movement via the establishment of institutions such as the National Association of Evangelicals Carefully researched and deftly written The Other Evangelicals offers a breath of fresh air for scholars seeking a more inclusive history of religion in America Q Spirit Top 23 LGBTQ Christian Books List 2023 **Evangelicals** Mark A.
