Race, Radicalism, and Reform Ian Robertson, Abram L. Harris, 2017-09-08 First published in 2017 **Radical childhoods** Jessica Gerrard, 2016-05-16 At a time when education appears to be simply reproducing social class relations Radical childhoods offers a timely consideration of how children's and young people's education can confront and challenge social inequality Presenting detailed analysis of archival material and oral testimony the book examines the experiences of students and educators in two schooling initiatives that were connected to two of the most significant social movements in Britain Socialist Sunday Schools est 1892 and Black Saturday Supplementary Schools est 1967 Analysing across time the author explores the ways in which these two very different schooling movements incorporated large numbers of women challenged class and race inequality and attempted to create spaces of emancipatory education independent to the state It argues that despite appearing to be on the margins of the public sphere these schools were important if contested and complex sites of political struggle *Racial Structure and Radical Politics in the African Diaspora* Georgia A. racialised politics The underlying concern of this study is to outline both a theoretical frame for an analysis of racial politics and detailed empirical accounts of different arenas of political mobilisation By exploring the unfinished politics of race this study provides a timely reminder that the position of racial and ethnic minorities in political institutions remains deeply contested

Vellon, 2017 Racial history has always been the thorn in America s side with a swath of injustices slavery lynching segregation and many other ills perpetrated against Black people This very history is complicated by and also dependent on what constitutes a white person in this country Many of the European immigrant groups now considered white have also had to struggle with their own racial consciousness In *A Great Conspiracy against Our Race* Peter Vellon explores how Italian immigrants a once undesirable and swarthy race assimilated into dominant white culture through the influential national and radical Italian
