## **Ragged Dicks Masculinity Steel And The Rhetoric Of The Self Made Man:**

**Ragged Dicks** James V. Catano, 2001 Corporate magnates of the late 20th century as exemplified by Lee Iacocca and industrial barons on the Gilded Age such as Andrew Carnegie comprise the brotherhood Catano English Louisiana State U calls Ragged Dicks He examines their own accounts of themselves to reveal how the rich take personal credit for their success c Book News Inc *The Rhetoric of RHETORIC* Wayne C. Booth, 2009-02-09 In this manifesto distinguished critic Wayne Booth claims that communication in every corner of life can be improved if we study rhetoric closely Written by Wayne Booth author of the seminal book *The Rhetoric of Fiction* 1961 Explores the consequences of bad rhetoric in education in politics and in the media Investigates the possibility of reducing harmful conflict by practising a rhetoric that depends on deep listening by both sides Labor Pains Christin Marie Taylor, 2019-04-24 From the 1930s to the 1960s the Popular Front produced a significant era in African American literary radicalism While scholars have long associated the black radicalism of the Popular Front with the literary Left and the working class Christin Marie Taylor considers how black radicalism influenced southern fiction about black workers offering a new view of work and labor At the height of the New Deal era and its legacies Taylor examines how southern literature of the Popular Front not only addressed the familiar stakes of race and labor but also called upon an imagined black folk to explore questions of feeling and desire By poring over tropes of black workers across genres of southern literature in the works of George Wylie Henderson William Attaway Eudora Welty and Sarah Elizabeth Wright Taylor reveals the broad reach of black radicalism into experiments with portraying human feelings These writers grounded interrelationships and stoked emotions to present the social issues of their times in deeply human terms Taylor emphasizes the multidimensional use of the sensual and the sexual which many protest writers of the period such as Richard Wright avoided She suggests Henderson and company used feeling to touch readers while also questioning and reimagining the political contexts and apparent victories of their times Taylor shows how these fictions adopted the aesthetics and politics of feeling as a response to New Deal era policy reforms both in their successes and their failures In effect these writers some who are not considered a part of an African American protest tradition illuminated an alternative form of protest through poignant paradigms **The Women of Explosive Ordnance Disposal** April Cobos, 2024-05-29 *The Women of Explosive Ordnance Disposal* Cyborg Techno Bodies Situated Knowledge and Vibrant Materiality in Military Cultures addresses the disparities between policy discourse and the lived experiences of women in the Explosive Ordnance Disposal community who these policies seek to regulate through a rhetorical framework During the Global War on Terrorism the changing contexts of war brought the community to the forefront of combat preceding the 2016 policy repeal restricting women's service in combat which positioned these women at a poignant moment in history Their positioning also sheds light on the challenges twenty first century scholars face in analyzing shifting gender roles in the workplace with policies advocating for gender equality which often buries continued gendered ideologies and discourse This

book takes a mixed methods approach of qualitative and quantitative data from surveys available government documents and other cultural artifacts to create a more triangulated analysis While this book is rooted in rhetorical analysis its dynamic nature demands using an interdisciplinary approach that pulls from discourse analysis political historical and military scholarship and other humanities based feminist scholarship

**Men Beyond Desire** David Greven, 2025-01-10 This book explores the construction of male sexuality in nineteenth century American literature and overturns longstanding views Far from desiring heterosexual sex and wishing to bond with other men through fraternity the male protagonists of classic American literature mainly want to be left alone Greven makes the claim that American men eschewing both marriage and male friendship strive to remain emotionally and sexually inviolate Examining the work of traditional authors Hawthorne Poe Melville Cooper Irving Stowe Greven discovers consistently resistant portrayals of male characters who defend their individuality through a lockdown on sexuality Objects of desire from both women and other men the inviolate males discussed in this study disrupt established gendered and sexual categories inspiring fresh analysis of the era and its literary depiction of American manhood This second edition of *Men Beyond Desire* 2005 expands the analysis of male sexuality to include discussions of developments in the field of masculinity studies It includes a new introduction that introduces the complementary figure of the victim monster and revisits the work of Leslie Fiedler and a new chapter that focuses on Melville's tale *Bartleby the Scrivener* 1856 Chapter 4 expands the analysis of the intersections among free love health reform and male sexuality in *The Blithedale Romance* 1852 and chapter 9 expands the discussion of Billy Budd Sailor to address questions of race and the role of the Handsome Sailor

**Critical Representations of Work and Organization in Popular Culture** Carl Rhodes, Robert Westwood, 2007-12-21 This book challenges traditional organizational theory looking to representations of work and organizations within popular culture and the ways in which these institutions have also been conceptualized and critiqued there Through a series of essays Rhodes and Westwood examine popular culture as a compelling and critical arena in which the complex and contradictory relations that people have with the organizations in which they work are played out By articulating the knowledge in popular culture with that in theory they provide new avenues for understanding work organizations as the dominant institutions in contemporary society Rhodes and Westwood provide a critical review of how organizations are represented in various examples of contemporary popular culture The book demonstrates how popular culture can be read as an embodiment of knowledge about organizations often more compelling than those common to theory and explores the critical potential of such knowledge and the way in which popular culture can reflect on the spirit of resistance carnivalisation and rebellion

**Murder in a Few Words** Charlotte Beyer, 2022-02-22 The clue puzzle legal thriller and classic whodunit are just a few of the subgenres within the widely popular crime fiction genre However despite its popularity among readers the crime short story genre has yet to be fully explored by scholars This book offers a deep dive into crime short stories written by a wide range of authors tracing the history and evolution of the crime

short story The book offers an accessible and original examination of crime short stories focusing on compelling themes such as miscarriage of justice feminism environmental crime and toxic masculinity *The American Success Myth on Film* J.

Levinson,2012-05-15 In examining the enduring appeal that rags to riches stories exert on our collective imagination this book highlights the central role that films have played in the ongoing cultural discourse about success and work in America

**Sexuality and German Fascism** Dagmar Herzog,2005 The interrelationship of fascism and sexuality has attracted a great deal of interest for some time now This collection offers fresh perspectives by leading scholars on the history of sexuality under national socialism on such topics as the persecution of Jewish gentile sex in the race defilement trials homophobic propaganda and the prosecution of same sex activity within the Wehrmacht and SS representations of female sexuality in film prostitution on home and battle fronts sexual relations between Germans and foreign forced laborers and reproductive practices among Jewish survivors Moreover the authors provide new insights into the relationships between Nazi sexual politics and antisemitism and challenge assumptions of Nazism as sexually repressive instead they emphasize the interrelationships between incitement to sexual activity and persecution and mass murder book jacket *Entrepreneurship*

*in Policing and Criminal Contexts* Robert Smith,2021-03-25 Entrepreneurship in Policing and Criminal Contexts explores the contemporary and under researched themes of entrepreneurial policing and entrepreneurialism in criminal justice contexts which are emerging topics of both theoretical and practical interest in the current rapidly changing criminal justice environment **The Color Line and the Assembly Line** Elizabeth Esch,2018-05-04 The Color Line and the Assembly Line

tells a new story of the impact of mass production on society Global corporations based originally in the United States have played a part in making gender and race everywhere Focusing on Ford Motor Company s rise to become the largest richest and most influential corporation in the world The Color Line and the Assembly Line takes on the traditional story of Fordism Contrary to popular thought the assembly line was perfectly compatible with all manner of racial practice in the United States Brazil and South Africa Each country s distinct racial hierarchies in the 1920s and 1930s informed Ford s often divisive labor processes Confirming racism as an essential component in the creation of global capitalism Elizabeth Esch also adds an important new lesson showing how local patterns gave capitalism its distinctive features **Colonial Extractions**

Paula Butler,2015-05-27 Challenging Canada s image as a humane enlightened global actor Colonial Extractions examines the troubling racial logic that underpins Canadian mining operations in several African countries Drawing on colonial postcolonial and critical race theory Paula Butler investigates Canadian mining activities and the discourses which serve to legitimate this work Through a series of interviews with senior personnel of businesses with mining operations in Africa Butler identifies a continuation of the same colonialist mindset that saw resource ownership and racial dominance over Indigenous peoples in Canada as part of Canada s nation building project Financially culturally and psychologically Canadians are invested in extracting resource based wealth in the Global South and as Butler s analysis of Canada s

influence over South Africa's first post-apartheid mining legislation shows they look to legitimize that extraction through neoliberal legal frameworks and a powerful national myth of benevolence. Complementing analyses of the industry through political economy or critical development studies, *Colonial Extractions* is a powerful and unsettling critique of the cultural dimension of Canada's mining industry overseas.

**American Mythos** Robert Wuthnow, 2009-02-09 America was built on stories, tales of grateful immigrants arriving at Ellis Island, Horatio Alger style transformations, self-made men and the Protestant work ethic. In this new book, renowned sociologist Robert Wuthnow examines these most American of stories, narratives about individualism, immigration, success, religion, and ethnicity through the eyes of recent immigrants. In doing so, he demonstrates how the American mythos has both legitimized American society and prevented it from fully realizing its ideals. This magisterial work is a reflection and meditation on the national consciousness. It details how Americans have traditionally relied on narratives to address what it means to be strong, morally responsible individuals and to explain why some people are more successful than others, in short, to help us make sense of our lives. But it argues that these narratives have done little to help us confront new challenges. We pass laws to end racial discrimination yet lack the resolve to create a more equitable society. We welcome the idea of pluralism in religion and values yet we are shaken by the difficulties immigration presents. We champion prosperity for all but live in a country where families are still homeless. *American Mythos* aptly documents this disconnect between the stories we tell and the reality we face. Examining how cultural narratives may not and often do not reflect the reality of today's society, it challenges readers to become more reflective about what it means to live up to the American ideal.

*The Bloomsbury Handbook of Gender and Educational Leadership and Management* Victoria Showunmi, Pontso Moorosi, Charol Shakeshaft, Izhar Oplatka, 2022-02-24 Drawing together diverse research perspectives and theoretical underpinnings, this handbook explores gender as a social category and examines cultural and social differences. Bringing together diverse perspectives from around the world, including from Africa, Europe, the Middle East, the UK, and the USA, the volume sets out the gender and educational leadership and management field, providing a snapshot of the field as it stands, signalling its development and directions for future development. It offers focused reviews of empirical research on particular aspects of the field and presents new insights from research findings and methodological approaches.

**The Myths That Made America** Heike Paul, 2014-08-15 This essential introduction to American studies examines the core foundational myths upon which the nation is based and which still determine discussions of US American identities today. These myths include the myth of discovery, the Pocahontas myth, the myth of the Promised Land, the myth of the Founding Fathers, the melting pot myth, the myth of the West, and the myth of the self-made man. The chapters provide extended analyses of each of these myths, using examples from popular culture, literature, memorial culture, school books, and every day life. Including visual material as well as study questions, this book will be of interest to any student of American studies and will foster an understanding of the United States of America as an imagined community by analyzing the

foundational role of myths in the process of nation building

### **The SAGE Handbook of Gender and Communication**

Bonnie J. Dow, Julia T. Wood, 2006-07-19 The SAGE Handbook of Gender and Communication is a vital resource for those seeking to explore the complex interactions of gender and communication. Editors Bonnie J. Dow and Julia T. Wood together with an illustrious group of contributors review and evaluate the state of the gender and communication field through the discussion of existing theories and research as well as through identification of important directions for future scholarship. The first of its kind, this Handbook examines the primary contexts in which gender and communication are shaped, reflected, and expressed: interpersonal, organizational, rhetoric, media, and intercultural. Key Features: Brings together the expertise of leading scholars; Esteemed scholars edit each section and leading researchers in the field author each chapter; The distillation of scholarship in each area by seasoned scholars clarifies what is and is not known in that area of research; Offers historical and theoretical perspectives; Authors discuss the development of gender and communication research during the past three decades and examine the theories, questions, and issues about gender and communication that are ascending to define the next stage of work in the area; Provides comprehensive reference lists; Each section summarizes existing theory and research related to an area of gender and communication scholarship and guides readers to the central works in the field as well as directs future scholarship toward the most urgent, important, and promising topics, methodologies, and/or perspectives.

### **Handbook of Qualitative Research Techniques and Analysis in Entrepreneurship**

Helle Neergaard, Claire M. Leitch, 2015-10-30 One of the most challenging tasks in the research design process is choosing the most appropriate data collection and analysis technique. This Handbook provides a detailed introduction to five qualitative data collection and analysis techniques pertinent to exploring entrepreneurial phenomena. Techniques for collecting and analysing data are rarely addressed in detail in published articles. In addition, the constant development of new tools and refinement of existing ones has meant that researchers often face a confusing range from which to choose. The experienced and expert group of contributors to this book provide detailed practical accounts of how to conduct research employing focus groups, critical incident technique, repertory grids, metaphors, the constant comparative method, and grounded theory. This Handbook will become the starting point for any research project. Scholars new to entrepreneurship and doctoral students as well as established academics keen to extend their research scope will find this book an invaluable and timely resource.

### **Perplexing Patriarchies: Fatherhood Among Black Opponents and White Defenders of Slavery**

Pierre Islam, 2019-08-15 Perplexing Patriarchies examines the rhetorical usage and lived experience of fatherhood among three African American abolitionists and three of their white proslavery opponents in the United States during the nineteenth century. Both the prominent abolitionists Frederick Douglass, Martin Delany, and Henry Garnet as well as the prominent proslavery advocates Henry Hammond, George Fitzhugh, and Richard Dabney appealed to the popular image of the father, husband, and head of household in order to attack or justify slavery. How and why could these opposing individuals rely on

appeals to the same ideal of fatherhood to come to completely different and opposing conclusions This book strives to find the answer by first acknowledging that both the abolitionists and the proslavery men shared similar concerns about the contested status of fatherhood in the nineteenth century However due to subtle differences in their starting assumptions and different choices of what parts of a father s responsibilities to emphasize the black abolitionists conceived of an ideal father who protected the autonomy of his dependents while the proslavery men conceived of one whose authority necessitated the subordination of those he protected Finding that these differences arose from choices in starting assumptions and emphases rather than total disagreement on what the role of the father should be this work reveals that black abolitionists were not radically critiquing the gender conventions of their day but innovatively working within those conventions to turn them towards social reform This discovery opens up a new way for historians to consider how oppressed peoples negotiated the intellectual boundaries of the societies which oppressed them Not necessarily breaking entirely from those boundaries nor passively accepting them but ingeniously synthesizing a worldview from within their confines that still allowed for freedom and personal autonomy

The Measure of Manliness Karen Bourrier,2015-04-10 The Measure of Manliness is among the first books to focus on representations of disability in Victorian literature showing that far from being marginalized or pathologized disability was central to the narrative form of the mid century novel Mid Victorian novels evidenced a proliferation of male characters with disabilities a phenomenon that author Karen Bourrier sees as a response to the rise of a new Victorian culture of industry and vitality and its corollary emphasis on a hardy active manhood The figure of the voluble weak man was a necessary narrative complement to the silent strong man The disabled male embodied traditionally feminine virtues softening the taciturn strong man and eliciting emotional depths from his seemingly coarse muscular frame Yet the weak man was able to follow the strong man where female characters could not to all male arenas such as the warehouse and the public school The analysis yokes together historical and narrative concerns showing how developments in nineteenth century masculinity led to a formal innovation in literature the focalization or narration of the novel through the perspective of a weak or disabled man The Measure of Manliness charts new territory in showing how feeling and loquacious bodies were increasingly seen as sick bodies throughout the nineteenth century The book will appeal to those interested in disability studies gender and masculinity studies the theorization of sympathy and affect the recovery of women s writing and popular fiction the history of medicine and technology and queer theory

**Rhetorical Exposures** Christopher Carter,2015-04-30 In Rhetorical Exposures Christopher Carter explores social documentary photography from the nineteenth century to the present in order to illuminate the political dimensions and consequences of photographs taken and selected to highlight social injustice

## Whispering the Strategies of Language: An Psychological Journey through **Ragged Dicks Masculinity Steel And The Rhetoric Of The Self Made Man**

In a digitally-driven world wherever screens reign supreme and instant transmission drowns out the subtleties of language, the profound secrets and psychological nuances concealed within words frequently move unheard. Yet, set within the pages of **Ragged Dicks Masculinity Steel And The Rhetoric Of The Self Made Man** a charming fictional treasure pulsing with raw emotions, lies a fantastic journey waiting to be undertaken. Published by a skilled wordsmith, this marvelous opus encourages visitors on an introspective journey, delicately unraveling the veiled truths and profound affect resonating within the material of each and every word. Within the emotional depths of this touching evaluation, we shall embark upon a heartfelt exploration of the book is core subjects, dissect its charming writing design, and yield to the effective resonance it evokes heavy within the recesses of readers hearts.
