Ragmans Memory:

Straight From The Ragman's Horse Robert Fenwick, 2014-04-24 Enclosed are one boy's tales of growing up in a tough working class neighbourhood in an industrial Tyneside town in the 1950s and 1960s They are about real life and experience However the tales are also about truth lies and betrayal Comedy sits alongside pathos and tragedy sometimes uncomfortably They are fragments of the author's memories of those years but quite possibly they will also be part of the collective memory of other working class children of that era

The Catch Archer Mayor, 2008-09-30 Joe Gunther a policeman for most of his adult life gets the call that every cop hates and every law enforcement friend and family member fears a fellow officer has been killed in the line of duty During what appears to have been a routine traffic stop on a dark country Vermont road a deputy sheriff was shot to death From what can be seen on the cruiser's video recorder it is believed that the killers were a couple of Boston based drug runners pulled over by the deputy on their way from Canada to Boston Gunther and his Vermont Bureau of Investigation team are brought in not only to identify the killers but to track them down regardless of where they've run all the way from Boston to Portsmouth New Hampshire to the coast of Maine Meanwhile along that very same shoreline Alan Budney the disaffected son of a Maine lobsterman is a man with big ambitions to usurp and replace the state's primary drug kingpin in a plan that will inevitably place him on a collision course with Gunther's investigation In a case that leads him into unfamiliar territory Gunther finds himself facing some utterly ruthless players in a lethally dangerous game

The Company She Kept Archer Mayor, 2015-09-29 During the height of a harsh Vermont winter the body of a woman is found hanging from the steel mesh retaining net lining the cliffs along the interstate She was brutally murdered with the word dyke carved into her chest She was also a state senator and best friend and ally of the current governor Gail Zigman At Zigman's personal request Joe Gunther and his Vermont Bureau of Investigation team agree to help the Vermont State Police in their investigation before the victim's high profile and powerful friends create the inevitable publicity maelstrom Raffner was indeed a lesbian and the word carved into her chest might be evidence of a hate crime or it might be a feint designed to confuse and mislead investigators But the question remains what was she involved with who wanted her dead and what company was she keeping What Gunther and his team discover during their initial investigation isn't the stuff of a simple murder Someone killed a prominent figure and fabricated an elaborate scene for a purpose And this might only be the beginning in Archer Mayor's *The Company She Kept*

up dead Joe Gunther and his team follow the evidence to an escaped mental patient who holds the key to solving both cases

Proof Positive Archer Mayor, 2014-09-30 Ben Kendall was a troubled man Coming back from Vietnam with PTSD and scars that no one else could see he hid away from the world filling his house with an ever increasing amount of stuff until finally the piles collapsed and he was found dead crushed beneath his own belongings But what at first glance looks to be a tragic accidental death of a hoarder may be something much more and much deadlier Ben s cousin medical examiner Beverly Hillstrom unsettled by the circumstances of his death alerts Joe Gunther and his Vermont Bureau of Investigation team Ben it seems brought back something else from Vietnam than personal demons he also brought back combat photos and negatives that someone else wants desperately to keep from the public eye When Beverly s daughter Rachel made her cousin Ben and his photos the subject of her college art project some of those photos appeared on the walls of a local art gallery This in turn resulted in the appearance of a two man hit squad searching for some other missing negatives With Joe Gunther and his squad trailing behind the grisly research results of the hit team and the deadly killers closing in on Rachel Gunther has little time to find and protect Rachel before she ends up in the same grisly state as her cousin before her Archer Mayor s Proof Positive is another enthralling installment in the Joe Gunther Series Tag Man Archer Mayor, 2011-09-27 Archer Mayor s Vermont police procedurals are the best thing going New York Times Book Review Across Brattleboro Vermont rich people some with dark secrets are waking up in their high security alarm equipped homes to find a Post it note stuck to their bedside tables reading You re it There is little sign of disturbance anywhere nothing stolen that anyone admits and only a bit of expensive food eaten as a signature The Press loves the story and dubs the burglar the Tag Man But who is he And what s he actually doing In fact he s quickly running for his life for what he discovers in one of these houses appears to be proof of a heinous string of murders But is it Joe Gunther struggling to recover from a devastating personal loss leads his VBI team to untangle the many conflicting pieces of evidence while the burglar himself struggles for survival in the no man s land between the police and the villains With no one knowing what to believe or who to trust with Tag Man running for his life in a way he never imagined possible as no one knows who s watching as they sleep or who truly did what the Tag Man is critically acclaimed author Archer Mayor at his very finest Presumption of Guilt Archer Mayor, 2016-09-27 A forty year old skeleton is found encased in a concrete slab at a recently decommissioned nuclear energy site It becomes a case for the Vermont Bureau of Investigation VBI and its leader Joe Gunther since they have the resources and the ability to investigate an old very cold missing persons case that has now been reclassified as murder The victim was Hank Mitchell and Gunther must chase down old rumors and speculations who benefited from his death and the disappearance of his body And was his death somehow tied to New York City mafia money being laundered through the construction project But what seems the coldest of cold cases roars back to life when one of the central figures in this mystery is shot to death right after speaking with Gunther And when a young police officer the son of VBI investigator Lester Spinney is kidnapped is that meant to be a warning to the

VBI team to drop the case After all these many years the truth behind the murder still has to the power to kill and it s up to Gunther and his team to capture the living and finally put the dead to rest **Red Herring** Archer Mayor,2010-09-28 VBI Vermont Bureau of Investigation head Joe Gunther and his team are called in to investigate a series of violent deaths that appear unrelated until telltale clues reveal a linkage between them and that all of the deaths are in fact murders However apart from a single drop of unexplained blood left at each crime scene there are no obvious connections between the victims or the cases The police are faced with more questions than answers including what do the mysterious deposits of blood mean coming as they do from three additional unknown people In their search for the elusive truth the VBI must plumb the depths of every suspect s past every victim s most intimate details and examine each piece of evidence down to the smallest detail an examination which includes a trip to the Brookhaven National Lab on Long Island and an exploration of cutting edge forensic technology **Bury the Lead** Archer Mayor,2018-09-25 Joe Gunther and the VBI team are investigating a murder and an arson case both potentially related to an outbreak of ebola When the body of a young woman is found near a trail at a popular ski mountain the case falls to Joe Gunther and his team at the Vermont Bureau of Investigation VBI They quickly have a suspect Mick Durocher and a confession but not everyone on the team is convinced Despite Mick s ready admission investigators quickly sense there might be more going on than is immediately apparent At the same time a large local business is being targeted with escalating acts of vandalism a warehouse fire a vandalized truck a massive cooling system destroyed resulting in loss of life And either by coincidence or not Mick Durocher the self confessed murderer was once employed by this very company These two puzzling cases now possibly connected are further complicated by the sidelining of a key member of VBI Willy Kunkle who undergoes surgery at a hospital that appears to be having an unlikely and suspiciously timed outbreak of Ebola Joe and his team pursue these cases uncovering motives that might link them while proving that trust betrayed can be a toxic virus turning love into murderous loathing Indeed behind the mayhem and murder Joe must uncover a tragic history before another victim dies **Blood on the Constitution** R. S. Suple,2010-07 All might be free if they valued freedom and defended it as they should Samuel Adams In the late 1920 s the well oiled machine of capitalist interest ran roughshod over the civil rights of American workers Blood on the Constitution follows Teddy Albert Gall through the horrific world of brutality rape exploitation and murder that characterised this era for so many whose voices were lost to history Albert as he is called ex marine and talented prize fighter is drawn into the deadly world of the trade union movement unions big business mafia and the ranks of the oppressed and the oppressors all struggle for supremacy Teddy enters the fray compelled by his noble sense of justice yet tortured by the fact that he is endangering the lives and livelihoods of those around him pursued by a psychotic serial hit man and pursuing happiness with the woman he loves In Blood on the Constitution the long awaited sequel to The Ragman s War Suple provides a fascinating and impeccably researched insight into a key period that shaped the America we know today Its compelling characters and shocking tales are

skilfully interwoven culminating in an unforgettable climactic confrontation **Marked Man** Archer Mayor, 2021-10-12 In Archer Mayor's *Marked Man* the death of a local millionaire becomes suspicious when Joe Gunther learns that he was not who he claimed. A year ago local philanthropist and millionaire Nathan Lyon died a natural death in his sprawling mansion a 150 000 square foot converted mill surrounded by his loving attentive family. Or so it seemed at the time. Now Joe Gunther and his Vermont Bureau of Investigation team has discovered that almost nothing about that story was true. Nathan Lyon was actually Nick Bianchi from Providence Rhode Island. His money came from Mafia tainted sources. And his family now seems to be dying themselves and their deaths are now revealed to be murders. As Gunther's team desperately works to uncover what is going on at The Mill who is responsible and what they are trying to accomplish Joe himself travels to Rhode Island to look into the original source of the money. While the police are doing their jobs private investigator Sally Kravitz teams up with reporter Rachel Reiling to expose the truth behind this tangled and expanding web of duplicity greed and obsession. Having betrayed many it's no surprise that Nathan Lyon was a marked man. But now Gunther has to figure out who among the many killed him and stop them before their killing spree claims another. *Ragman* Walter Wangerin, 2010-10-12 The expanded Twentieth Anniversary edition of stories parables and prayers from the National Book Award winning author of *The Book of the Dun Cow* Updated with eleven new stories and meditations this Gold Medallion winning classic interweaves vivid stories deep meditations and provocative allegories that together explore the power and meaning of love within an often inhumane urban landscape.
