Amerikan* Horst Hermann Kruse,1973      *Revolution and the Word : The Rise of the Novel in America* Cathy N. Davidson Professor of English Duke University,1987-02-19 Revolution and the Word offers a unique perspective on the origins of American fiction looking not only at the early novels themselves but at the people who produced them sold them and read them It shows how in the aftermath of the American Revolution the novel found a special place among the least privileged citizens of the new republic As Cathy N Davidson explains early American novels most of them now long forgotten were a primary means by which those who bought and read them especially women and the lower classes moved into the higher levels of literacy required by a democracy This very fact Davidson shows also made these people less amenable to the control of the gentry who naturally enough derided fiction as a potentially subversive genre Combining rigorous historical methods with the newest insights of literacy theory Davidson brilliantly reconstructs the complex interplay of politics ideology economics and other social forces that governed the way novels were written published distributed and understood Davidson also shows in almost tactile detail how many Americans lived during the Constitutional era She depicts the life of the traveling book peddler the harsh lot of the printer the shortcomings of early American schools the ambiguous politics of novelists like Brackenridge and Tyler and the lost lives of ordinary women like Tabitha Tenney and Patty Rogers Drawing on a vast body of material the novels themselves as well as reviews inscriptions in cherished books letters and diaries and many other records Davidson presents the genesis of American literature in its fullest possible context      How to Write a Million Dollar Adventure Novel: Novel Writing as a Profitable Profession Ray Mesluk,1999      *Video Hounds Golden Movie Retriever* 1993 VideoHound Staff,Visible Ink,Videohound,1992-09 The people have spoken and it s thumbs up for Video Hound With 21 000 videos reviewed and rated this is the best darn video movie guide there is The Niagara Gizette Used as the database of choice for Blockbuster Video s new Movie Guide      Follow Me Daniel Thomas,2024-10-03 Follow Me is a unique contribution of Mr Daniel Thomas to the devotional literary world and history of the Mar Thoma Church in North America His ardent efforts are appreciated since he brought together the thoughts of great literary geniuses the contributions of great church leaders and the legacies of great missionary warriors from different epochs of history It was an ambitious task it was a good discipline and has turned out as a great contribution He has done everything possible to point to the great Master or Rabbi of human civilization Jesus Christ Jesus called his disciples saying Follow me This call resonates through the biblical world of God s call of the Patriarch Abraham the call of Moses to liberate the People of God from slavery from Egypt God s call continues through prophets priests judges and kings Rt Rev Dr Abraham Mar Paulos Diocesan Bishop      **The Age of Melodramatic Miniseries** Scott Humphries,2023-03-17 Glamour power champagne breakfasts in satin sheets welcome to

television's most dazzling and overlooked genre: women-centric melodrama miniseries of the 1980s and 1990s. Decades before *Real Housewives* rags to riches fantasies depicting strong women overcoming tragedy to take charge of their destinies were a big hit with TV audiences, reflecting the greed is good ethos of the day and encoded with feminist messaging, these glitzy, often camp stories depicted statuesque superwomen facing off with square-jawed men in boardrooms and bedrooms. This book explores the shows that epitomized the prime-time soap era and gave us such memorable scenes as Stefanie Powers trading lovers with her twin sister, Joan Collins fighting Nazis in haute couture, and Phoebe Cates demanding "Which one of you bitches is my mother?"

*Cicero, Classicism, and Popular Culture* Marshall Fishwick, 2013-04-15 Learn why Cicero is considered one of the most important individuals in all of Western culture. Marcus Tullius Cicero (106-43 BC) was a poet, philosopher, writer, scholar, barrister, statesman, patriot, and the linguist who helped make Latin into a universal language. His many influences in rhetoric, politics, literature, and ideas are seen throughout Western civilization. *Cicero, Classicism, and Popular Culture* explores the fascinating man behind the eloquence and his monumental effect on language, morality, and popularity of Western culture. One of the leading authorities on popular culture, Dr. Marshall Fishwick discusses the multifaceted man who may be, besides Jesus, the central figure in all of Western civilization. The author recounts his own personal quest of traveling the land and ancient cities of Italy, gleaned insights from people he met along the way who have knowledge about Cicero's life and times. However, *Cicero, Classicism, and Popular Culture* is more than a simple search for the man and his accomplishments; a man whose mere words changed the way people think. This book shows in each of us the roots of our own ideas, beliefs, and culture. *Cicero, Classicism, and Popular Culture* discusses Cicero's rise to acclaim, his affect on the language of popular culture, common traits Cicero shared with Thomas Jefferson, rhetoric, the art of oratory, community, two pivotal essays on friendship and old age, vision of his reputation, the search for peace, Marshall McLuhan, Ciceronian Cicero's Rome, Cicero's ancestral home of Arpinum, Julius Caesar, politics, and the influences of Cicero, the Roman republic, and its downfall. America as the new Rome, much more. *Cicero, Classicism, and Popular Culture* is a startling, entertaining examination of the man who made Western culture what it is today. The book is insightful reading for educators, students, or anyone interested in one of the major forces in popular culture.

*Directory of World Cinema: Russia* 2 Birgit Beumers, 2015-02-20 Soviet and Russian filmmakers have traditionally had uneasy relationships to the concept of genre. This volume rewrites that history by spotlighting some genres not commonly associated with cinema in the region, including Cold War spy movies and science fiction films, blockbusters and horror films, remakes and adventure films, and chernukha films and serials. Introductory essays establish key aspects of these genres, and directors' biographies provide the

background for the key players Building on the work of its predecessor which explored cinema from the time of the tsars to the Putin era this book will be warmly received by the serious film scholar as well as all those who love Russian cinema Directory of World Cinema Russia 2 is an essential companion to the filmic legacy of one of the world s most storied countries

**Gender and Sexuality in Juvenal's Rome** Chiara Sulprizio,2020-02-27 The poet Juvenal is one of the most important ancient Roman authors and his sixteen satires have left a strong mark on western literature Despite his great influence little is known about the poet s life beyond unreliable details gleaned from his poetry Yet Juvenal s satires contain a wealth of information about the mentality of imperial era Romans This volume offers a fresh and student friendly translation of two of Juvenal s most provocative poems Satire 2 and Satire 6 With their common focus on gender and sexuality these two works are of particular interest to today s readers Both Satire 2 and Satire 6 target effeminate men and wayward women as objects of ridicule and they ruthlessly mock their behavior in an effort to expose deep seated problems in Roman society The longer of the two works Juvenal s sixth satire addresses a basic question Why get married in a tone of spite and ferocity and its details are disturbingly graphic Satire 2 is a shorter but equally pointed tirade against effeminacy and passive homosexuality Taken together the poems compel readers to critique the discourse of gender stereotypes and misogyny For students and scholars of gender and sexuality these poems are crucial texts Chiara Sulprizio s lively translation perfectly suited for classroom use captures the vivid spirit of Juvenal s poems and her extensive notes enhance the volume s appeal by explicating the poems from a gendered perspective An in depth introduction by Sarah H Blake places the satires within their broader literary historical and cultural context **The Mirror of Literature,**
