Rails Under My Back Jeffery Renard Allen, 2015-10-20 Will put Allen in the company of writers such as James Joyce August Wilson and Ralph Ellison The Philadelphia Inquirer When it was first published fifteen years ago Jeffery Renard Allen's debut novel *Rails Under My Back* earned its author comparisons to some of the giants of twentieth century modernism The publication of Allen's equally ambitious second novel *Song of the Shank* cemented those lofty claims Now the book that established his reputation is being restored to print in its first Graywolf Press edition Together the two novels stand as significant achievements of twenty first century literature *Rails Under My Back* is an epic that tracks the interwoven lives of two brothers Lucius and John Jones who are married to two sisters Gracie and Sheila McShan For them their parents and their children life is always full of departures someone is always fleeing town and leaving the remaining family to suffer the often dramatic sometimes tragic consequences The multiple effects of the comings and goings are devastating These are the almost mythic expression of the African American experience in the half century that followed the Second World War The story ranges as the characters do from the city which is somewhat like both New York and Chicago to Memphis to the West and to many inner and outer locales *Rails Under My Back* is a multifaceted brilliantly colored intensely musical novel that pulses with urgency and originality *Specifications and Drawings of Patents Issued from the United States Patent Office*
