**The Opening of the Third Eye** Dr. Douglas M. Baker,2014-03-02 The Opening of the Third Eye The human brain is a priceless computer lying perfectly maintained but almost silent None of us uses the full potential of this amazing instrument yet we all possess a secret trigger for activating its mechanism Called the Third Eye in occult language this trigger can release a vortex of psychic energy for the extension of awareness in new dimensions for speeding up or slowing down time as experienced on our planet and achieving one hundred per cent personality integration Dr Baker reveals that the Third Eye derives its power from the pineal pituitary and carotid glands allied to whirlwinds of energy known as chakras or force centres There are seven of these centres in the human body their physical location being the base of the spine the solar plexus the spleen the heart the throat the brow and the top of the head Five safe techniques for arousing the Third Eye are provided They have been practised by the author without hazard and with many rewards for over forty years In our present condition we can only observe the outer surface of the planet manifesting in gaseous liquid and solid form We are completely unaware of the subtler states of matter beneath these outward appearances But the Third Eye reveals all underlying structures This means that one could observe the termites in apparently solid wooden paneling or more constructively man s inner organs could be observed and all traces of disease in them immediately recognised with consequent enormous benefits to medical progress

**It's My Birthday Too** Sylvia Mallonee,2015-07-22 For a number of years I had a feeling of pervasive sadness in the month of December that I could not explain especially around Christmastime Our birthday Anna Christines and mine is December 12 just twelve days before Christmas I do not know how old I was when I learned I had a twin sister The only thing I remember being told is You had a twin sister and she died End of story She was never talked about and never even given a name For a period of time she did not seem real to me so I gave her the name of Anna Christine In my heart I wanted to make that connection and tell our story That desire persisted and out of that desire the book I longed to write is becoming a reality Its My Birthday Too is a story about the journey of twin souls During a memorable walk in December 2004 I connected to Anna Christine and the bond that only twins have has become stronger every day I know now that my twin has been with me always She always has been and she always will be So I invite you to join us on our journey It is a story of a forever kind of love

Cosmic and Universal Laws Margo Kirtikar Ph.D.,2021-11-17 Described in Holy Scriptures of all religions in mythology in fairy tales and allegories that describe the essence and nature of the human These divine laws act as guidelines to define the order and structure of creation govern every form of life and every action that occurs in the universe The same principles work for all alike No law activates itself it is we who activate a law of the universe through our thoughts and actions individually and collectively As we have been given the freedom of choice we can make right or wrong choices But if we repent there are laws that allow us to correct our mistakes Heaven meets earth in the human who is both physical and divine The human being is the highest manifestation of the cosmos and is co creator pre destined as the builder and collector of all treasures of the universe The power of creativeness responds to the call of the spirit and the human determines his own destination in the cosmos This book is meant as a guideline to inspire you to arouse your curiosity and to prompt your own inner personal dialogue as we witness the cosmic cyclic changes of the universe We have no alternative but to grow in awareness expand our consciousness

**Astrology as Path to Higher Consciousness** Kurt Abraham, 2009-08      **A New Light on Ascension** Diana Cooper, 2004-01-12

It has been ten years since Kumeka Master of the Eighth Ray introduced himself to Diana Cooper and began to meld his consciousness with hers. A Little Light on Ascension presented the information he impressed on Diana at the time, but since then much has changed on our planet and Kumeka has recently imparted further information. This knowledge previously offered to just a few is now available to millions of lightworkers eager to assist in the task of moving this planet into the light. Yes, ascending into the higher realms can be achieved in this lifetime. We may have to work at it, but all the tools and information we need are now available to us thanks to A New Light on Ascension. However, be prepared: this journey is not for the fainthearted. Kumeka does not offer a quick fix; he invites and encourages each one of us to join the millions on the planet now actively working towards a joyful life of spirit. Diana Cooper's A Little Light on Ascension is the book that reminds me why I am here and what it is all about. To say I find it an inspiration is an understatement to describe it; as my bible would not be an exaggeration.
