

The background of the entire page is a photograph of a sunset or sunrise over a body of water. A vibrant rainbow is visible on the left side of the sky, arching from the horizon towards the top. The sky is filled with soft, colorful clouds in shades of orange, yellow, and blue. In the lower center of the image, a small boat with its lights on is visible on the calm water. The horizon line is dark and silhouetted against the bright sky.

## **Rainbows And Rain Finding Comfort In Times Of Loss:**

**Rainbows and Rain** Peggy Waterfall, 2005-10-26 Grief and loss are universal experiences which are shared by all but rarely discussed openly. As a result many of us feel alone and isolated when we are in the grip of the crushing emotions that accompany the death of someone we love. Nothing prepares us for the barrage of bewildering behaviors, thoughts and reactions that so often follow a loss. When author Peggy Waterfall watched both parents and her life partner die within one year, she emerged with a unique perspective on the timeless experience of grief and loss. In *Rainbows and Rain Finding Comfort in Times of Loss*, we learn that it is possible to find joy again, but we must first learn to grieve. We also learn that we are often unable to express to others what we are experiencing and can find ourselves at a loss to adequately convey our feelings. We want desperately to find the right words so that we can explain our strange behavior to our families, our co-workers, our friends. This book helps us to understand the importance of being patient with ourselves and is the first step in healing.

**Grief Quest** Peggy Waterfall, 2006-03 *Grief Quest* is a guided journal for your grief journey. Designed by Peggy Waterfall, author of *Rainbows and Rain Finding Comfort in Times of Loss*, this spiral bound lined journal has prompts to get you started without assuming where your thoughts will take you. Newly bereaved individuals, hospice and bereavement counselors, and grief groups will find this especially helpful. Begin the journey, start your grief quest with this very special journal.

**If You Want the Rainbow, Welcome the Rain** Anne O'Neil, 2013-06-19 Sufi poet Ghalib said, "Held back, unvoiced grief bruises the heart." This is the story of a heart bruised for many years and the hurt around that. After her father dies of liver cancer, the author finally awakens and steps into a spiritual and sober life, including healing from grief, from despair, from decades of inauthentic living. This hopeful story illustrates what is possible when grief is honored and transcended. With admirable honesty, O'Neil recounts her journey from family dysfunction and alcoholism to a life of spiritual exploration and understanding. Susan Richards, *NY Times* bestselling author, "Her honesty is compelling and her journey offers many lessons. I could not stop reading this book." Sally Helgesen, author *The Female Advantage: The Female Vision*, "This book is courageous, human, insightful, and truly inspiring. It will help many readers immensely." Kimberly Hughes, *Sacred Self Living*.

**Healing Grief, Finding Peace** Louis LaGrand, 2011-10 Featuring specific how-tos that ultimately lead the reader toward inner peace. *Healing Grief Finding Peace* offers an innovative approach to grieving; readers can choose whichever coping techniques suit them best and learn to actively take back their lives, one step at a time. Based in part on the survival skills workshops given by the author to the bereaved as well as professional grief counselors, the 101 coping strategies are presented in a practical, easy-to-use format where the reader can begin with immediate access to whatever speaks to their needs the most. *To Bring Comfort and Consolation* Paddy Shannon, 2022-05-19 In 2012 the author was invited by the Parish Pastoral Council in Newcastle Co. Down to help establish a Bereavement Ministry in the Parish. Unable to find exactly the course structure he was looking for, he designed his own course. He has divided it into five sections: The Human Experience of Grief, drawing on

my own experiences and what some of the leading experts in grief have written The Liturgy of Mourning as used in the Catholic Church Grief in the Scriptures setting elements of section 1 within a scriptural context A selection of suggested Scripture readings with reflections and some sample prayers of intercession These are intended to be used by ordained and lay ministers for their personal reflection and in preparing funeral homilies They may also be of solace to grieving people A selection of prose poems and prayers This book is directed primarily to those involved in bereavement ministry The Murder of Rachel Wanda Moran,2011-05-02 At 1 45am on New Year s Day Rachel Moran left her mother s house to make the 20 minute walk back to her own flat She never arrived Rachel was just like many women of her age loved by her family adored by her boyfriend and with a bright future ahead of her Her fatal mistake was to walk the mile or so alone to feed the kittens she and her boyfriend kept She was taken from the street and brutally murdered by Michael Little Her body wasn t discovered for a month In an attempt to make sense of what happened that night and in the months that followed her mother kept a diary of what happened A harrowing and heart wrenching story the murder of Rachel Moran will stay with you forever
