Raincoast Chronicles 14:

Raincoast Chronicles 24 Judith Williams, 2019-04-27 Of the settlers prospectors trappers mountaineers and loggers who came to British Columbia's remote Bute Inlet between the 1890s and the 1940s few remained long August Schnarr however trapped far up the Homathko and Southgate Rivers and logged the inlet shores from 1910 until the 1960s An adventurous photographer August strapped his Kodak camera to his suspenders and captured his mountain climbing upriver treks and family homestead His photo collection is a diary of fifty years of an upcoast life In this twenty fourth issue of Raincoast Chronicles Judith Williams traces the Schnarrs family story through August's photographs Included are classic portraits of the pioneering Bute residents posed on wooden boats and floathouses and with giant fish catches and hunting trophies as well as rare 1930s pictures documenting August's daughters with their pet cougars They were nice pets we could pet them and they'd purr just like a cat and they kept pawing you don't quit don't quit said August's daughter Pansy in an interview with Maud Emery They didn't like anybody but us three they didn't like my dad at all They were just like cats to us we didn't think of them as anything special nothing but a bunch of work Richly illustrated impeccably researched and featuring diaries interviews and oral history Raincoast Chronicles 24 illuminates the experience of homesteading on the remote BC coast

Raincoast Chronicles 23 Peter A. Robson, 2015-04-25 When the first edition of Raincoast Chronicles was produced by a couple of novice publishers in the unlikely location of Pender Harbour in 1972 it boldly announced that it was going to put BC character on the record Printed in sepia ink and decorated with the rococo flourishes characteristic of that extravagant era the unclassifiable journal cum serial book about life on the BC coast struck a nerve and in time became something very close to what it set out to be a touchstone of British Columbia identity Soon the term Raincoast which had been coined by the editors was appearing on boats puppet theatres interior decorating firms and at least one other publishing enterprise Raincoast Chronicles also created another publishing enterprise Harbour Publishing Many of the stories that started out as articles in the Chronicles grew into books and so the White family was more or less forced to get into book publishing to deal with them That undertaking went on to publish some six hundred books and counting about every possible aspect of BC and in 2014 celebrated its fortieth anniversary in the biz To honour that occasion this special double issue of Raincoast Chronicles takes a tour down memory lane selecting a trove of the most outstanding stories in all those Harbour books and republishing them in one volume Here are some of Canada's most exciting and iconic writers Al Purdy Anne Cameron Edith Iglauer Patrick Lane and Grant Lawrence to start a long list Here also are stories of disasters at sea scarcely believable bush plane feats eerie events at coastal ghost towns and a First Nations elder who has seen so many sasquatches he finds them sort of boring Full of great drawings and photos this jumbo anniversary edition of Raincoast Chronicles is a feast of great Pacific Northwest storytelling Raincoast Chronicles 25 Alan Haig-Brown, 2025-05-13 This 25th edition of Raincoast Chronicles intertwines Alan Haig Brown's experiences of his formative years as a deckhand on a We Wai Kai seiner with the

historical and cultural context of BC's commercial fishing industry In *Raincoast Chronicles* 25 Haig Brown recounts his formative years as a deckhand in the 1960s and early 70s on a fishing boat run by the We Wai Kai family he married into as a teenager The history of commercial fishing and of British Columbia itself in all its twisting relations with Indigenous peoples is mirrored in Haig Brown's vivid account of life aboard where there are no typical days despite the tightly choreographed tasks and immense local knowledge required by this ever risky business Recalling dancing fingers deftly untangling purse seine nets the delicious salmon stews and huckleberry pies Mitzi Assu whipped up from a cramped galley and the crew's navigation skills in facing dangerous tide rips Haig Brown beautifully captures the daily rhythms challenges and camaraderie of life on the fishing boat from a decade spent immersed in the traditions of the We Wai Kai people under the remarkable skipper Herb Assu It was the Assu family that gave Haig Brown the experience that has led him to understand the harmony and sustainability of the traditional Indigenous approach to the environment Now an experienced international marine journalist Haig Brown adds historical context to the narrative providing a nuanced view of the interplay between Indigenous communities and the commercial fishing industry Illustrated with black and white photographs mostly by Vicki Assu his wife at the time this account not only portrays a young man's journey but also serves as a tribute to the enduring spirit and resilience of the We Wai Kai family and their deep connection to the coastal waters of British Columbia

God's Little Ships Michael L. Hadley, 1995 The men and women of the Columbia Coast Mission ships legendary figures in the history of the BC coast are brought vividly to life in this readable well researched volume From 1904 to the mid 1970s the mission sent out ships in all kinds of weather delivering medical care and non

sectarian spiritual support to logging camps Native villages and white settlements in 20 000 square miles of rugged coastline John Antle who founded the mission was a devout and practical Christian who measured his success in services to BC s outposts rather than material wealth or number of converts Immortalized in Margaret Craven s *I Heard the Owl Call My Name* and in the hearts and memories of families all over the coast the mission was a glad bold organization that could be as rough cut and unconventional as the individuals it served **Ocean of Destiny** Arthur Lower,2011-11-01 The modern history of the North Pacific began five hundred years ago when Europeans sailed into the ocean for the first time This discovery shaped the destinies of seven countries that now rim its Asiatic and North American shores Russia China Japan North Korea South Korea the United States and Canada Their history is an exciting epic of discovery the great expeditions of Marco Polo Drake and Magellan the quest for the spices of Cathay the early days of the fur trade the gold rush and the long treks westward across North America to first establish Canadian and American possessions on the Pacific shore Rivalry and confrontation were part of this epic From the sixteenth to the nineteenth century European powers contested for the riches of the East and the West the wealth of the ocean and territory to sate colonial ambitions Since that time full blooded conflicts developed between Asian states and between Asia and the Western powers As a major trading power in the Pacific with no tradition of territorial expansion and as a respected peacekeeper Canada is in a unique position to view the history of the Pacific impartially This survey is doubly valuable not only as the first history of the North Pacific dealing with the concurrent events in the East and West but also as a history reflecting Canada s international outlook *BC Studies* ,1998

J. Hughes: Life at the Lake** Robert Amos, 2023-10-24 The latest instalment in the award winning series on the life and work of E J Hughes brings the reader into this very private artist's home and studio on Shawnigan Lake In the most intimate volume yet about prolific Canadian painter E J Hughes the artist's official biographer Robert Amos brings us Life at the Lake capturing the years Hughes and his wife Fern spent at their home on Shawnigan Lake Vancouver Island Following Hughes's service as a war artist in 1946 he and Fern looked for a place to buy in Victoria Then in 1951 they spotted an ad for a property on Shawnigan Lake about 40 kilometres north of the city The quiet lakeside existence he and Fern established suited his temperament and artistic needs perfectly In addition to reproductions of all of his Shawnigan themed oils and watercolours the book includes dozens of sketches colour notes local news clippings letters and illuminating excerpts from recorded interviews with Pat Salmon Hughes's longtime friend and assistant With a keen appreciation for the quotidian Amos captures lakeside life at Shawnigan with Hughes's observations on birds and trees and trips to local shops and restaurants He tells of an unusually snowy winter that slowed the delivery of finished paintings to the post office and on a more sombre note the gradual progression of Fern's muscular dystrophy The book shares insights into the relationships with Fern Pat and agent Max Stern that allowed Hughes to achieve great success as an artist while living a quiet existence at Shawnigan Lake For the Hughes fan and anyone who enjoys learning about the everyday lives of artists this latest addition to the Hughes pictorial canon is a must
