Raincoast Chronicles 23 Peter A. Robson, 2015-04-25 When the first edition of Raincoast Chronicles was produced by a couple of novice publishers in the unlikely location of Pender Harbour in 1972 it boldly announced that it was going to put BC character on the record Printed in sepia ink and decorated with the rococo flourishes characteristic of that extravagant era the unclassifiable journal cum serial book about life on the BC coast struck a nerve and in time became something very close to what it set out to be a touchstone of British Columbia identity Soon the term Raincoast which had been coined by the editors was appearing on boats puppet theatres interior decorating firms and at least one other publishing enterprise Raincoast Chronicles also created another publishing enterprise Harbour Publishing Many of the stories that started out as articles in the Chronicles grew into books and so the White family was more or less forced to get into book publishing to deal with them That undertaking went on to publish some six hundred books and counting about every possible aspect of BC and in 2014 celebrated its fortieth anniversary in the biz To honour that occasion this special double issue of Raincoast Chronicles takes a tour down memory lane selecting a trove of the most outstanding stories in all those Harbour books and republishing them in one volume Here are some of Canada's most exciting and iconic writers Al Purdy Anne Cameron Edith Iglauer Patrick Lane and Grant Lawrence to start a long list Here also are stories of disasters at sea scarcely believable bush plane feats eerie events at coastal ghost towns and a First Nations elder who has seen so many sasquatches he finds them sort of boring Full of great drawings and photos this jumbo anniversary edition of Raincoast Chronicles is a feast of great Pacific Northwest storytelling Raincoast Chronicles Eleven Up Howard White, 1994 Winner of the 1995 Roderick Haig Brown BC Book Prize **Raincoast Chronicles Six/ten** Howard White, 1983 Over thirty historical articles along with fiction poetry reviews remarkable photographs and beautiful line drawings Some of the authors represented are Earle Birney M Wylie Blanchet Hubert Evans Jack Hodgins Edith Iglauer W P Kinsella Dorothy Livesay Pat Lowther Susan Musgrave John

people under the remarkable skipper Herb Assu It was the Assu family that gave Haig Brown the experience that has led him to understand the harmony and sustainability of the traditional Indigenous approach to the environment Now an experienced international marine journalist Haig Brown adds historical context to the narrative providing a nuanced view of the interplay between Indigenous communities and the commercial fishing industry Illustrated with black and white photographs mostly by Vicki Assu his wife at the time this account not only portrays a young man s journey but also serves as a tribute to the enduring spirit and resilience of the We Wai Kai family and their deep connection to the coastal waters of British Columbia

Moore,2014-11-01 Between 1920 and 1933 the issue of prohibition proved to be the greatest challenge to Canada U S relations When the United States adopted

national prohibition in 1920 ironically just as Canada was abandoning its own national and provincial experiments with prohibition U S tourists and dollars promptly headed north and Canadian liquor went south Despite repeated efforts Americans were unable to secure Canadian assistance in enforcing American prohibition laws until 1930 Bootleggers and Borders explores the important but surprisingly overlooked Canada U S relationship in the Pacific Northwest during Prohibition Stephen T Moore maintains that the reason Prohibition created such an intractable problem lies not with the relationship between Ottawa and Washington DC but with everyday operations experienced at the border level where foreign relations are conducted according to different methods and rules and are informed by different assumptions identities and cultural values Through an exploration of border relations in the Pacific Northwest Bootleggers and Borders offers insight into not only the Canada U S relationship but also the subtle but important differences in the tactics Canadians and Americans employed when confronted with similar problems Ultimately British Columbia s method of addressing temperance provided the United States with a model that would become central to its abandonment and replacement of Prohibition
