Raine And Johnnie:

Raine and Johnnie Angela Levin,1993 **Ever After** Anne Edwards,2024-03-26 Diana s many fans are sure to be delighted by Edwards s intimate prose and detailed descriptions Publishers Weekly Perfect for fans of Netflix s The Crown This is the stuff of fairy tales said the Archbishop of Canterbury on July 23 1981 after the 20 year old Lady Diana Spencer arrived in a glass coach for her wedding to Prince Charles But everyone knows how that fairy tale ended Drawing upon intensive research and interviews acclaimed biographer Anne Edwards well known for her revelatory and incisive books on members of Britain s royal family here uncovers new details of Diana s life and her search for love of her family background and of a betrayal historic in its outcome What the public did not know at the time of her storybook wedding was the true story of Diana s troubled childhood of the cold autocratic grandfather who disdained her father who was himself an abusive husband obsessed with having a son to inherit the Spencer wealth and title When Diana married Prince Charles she joined the equally troubled House of Windsor and was caught up in a plot Shakespearean in its deception and eventual tragic ending Anne Edwards paints a vivid portrait of a woman desperate in her marriage fearful of her life who became devious and often brilliant in the moves she played in a treacherous royal chess game As in her superb biographies of other royal and celebrated women Anne Edwards s Ever After transcends the one sided views of Diana in a work that must be called definitive At long last and with all of the insight and narrative drama that have marked her previous bestsellers Edwards brings us the first full scale authoritative portrait of a more intelligent more resourceful and sometimes more ruthless woman than we have seen before **The Real Diana** Lady Colin Campbell,2013-08-06 When I met Diana at a mutual friend s house in 1990 I was astonished by her conduct Up to this point the Diana I had encountered was a princess who had behaved very much in keeping with the forms and traditions of royalty In social situations she was as circumspect as the rest of them as indeed all ladies are Now however she was the antithesis of circumspect Throwing caution and reserve to the wind she said that she wanted me to write the truth about her life because I feel as if the whole fairy tale is crushing whatever s left of the real me If you d just write about the real Diana it would make all the difference Lady Colin Campbell Who was the real Diana What was it like to be so privileged yet so anguished so beloved yet so self loathing so spoiled yet so despairing The Princess of Wales was all these things far more complicated conflicted and intriguing a person than the wildly disparate saint or lunatic she is frequently portrayed to be Royal insider Lady Colin Campbell sets the record straight on many of the most controversial aspects of Diana s turbulent life how Charles and Diana s engagement came to pass though it seemed ill advised to those closest to both of them what their honeymoon was really like the truth behind Diana s bulimia her widely reported suicide attempts and her obsession with Camilla Parker Bowles Diana s search for love and fulfillment with numerous men before during and after her marriage her brilliant manipulations of the press and her relationship with Dodi Fayed Lady Colin Campbell s New York Times bestselling biography Diana in Private was the first to expose the truth about

Diana and her troubled marriage In *The Real Diana* she reveals that the reason she knew so much about what went on behind the palace gates was because Diana herself was the source Drawing upon these confidences as well as on conversations with countless people who knew Diana and with Diana herself in the final years of her life Lady Colin Campbell combines true insight with true compassion to bring us the most intimate and revealing portrait of the Princess of Wales that we will ever have
