Rainy Sunday:

The New Cambridge English Course 2 Student's Book B Michael Swan, Catherine Walter, 1990-06-07 The New Cambridge English Course is a four level course for learners of English **The Day of the Dead** Maurizio de Giovanni, 2014-03-05 The fourth Commissario Ricciardi historical mystery following *Everyone in Their Place* is a superb novel for fans of Italian noir Library Journal starred review Commissario Ricciardi has visions He sees and hears the final moments in the lives of those who have suffered violent deaths It may be a talent or it may be a curse but it has helped him become one of the most successful homicide detectives in the Naples police force It s a rainy autumn in 1930s Naples as its inhabitants celebrate the week of the dead Ricciardi s instincts tell him that the death of a street urchin is actually murder but investigating the homicide is not going to be easy The authorities want to avoid any sign that things are not as they ought to be in Naples for they are preparing for the state visit of Benito Mussolini Ricciardi will have to conduct his investigation hidden from the eyes of his superiors What s worse his sixth sense is no help to him this time the scene of the crime is silent still not a word or a sign or even a scream from the dead Has his unwelcome gift finally faded Or is something more sinister at work De Giovanni s slashing wit cuts deeply into his cameo portraits of the high and mighty even as his elegant style ennobles the wretched lives he views with such compassion The New York Times Book Review De Giovanni is a masterful plotter and sub plotter it s a joy to ease into his complete command of his craft These are murder mysteries raised to a brilliant level Open Letters Monthly Catalog of Copyright Entries Library of Congress.
