Raise The Floor Wages And Policies That Work For All Of Us:

Raise the Floor Holly Sklar, Laryssa Mykyta, Susan Wefald, 2001 *Raise the Floor* shows why so many hardworking Americans can't make ends meet **Class Construction** Carrie Freie, 2007-01-01 *Class Construction* White Working Class Student Identity in the New Millennium explores the identity development of a group of white working class high school students in a deindustrialized area of the Northeast This ethnographic study explores class racial and gender identity construction and focuses on the ways the students' perceptions of their current and future classed, raced and gendered selves are negotiated within the context of the school structure **Monthly Labor Review** , 2006 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews **Class Construction** ,

Encyclopedia of U.S. Labor and Working-Class History Eric Arnesen, 2006-11-16 A RUSA 2007 Outstanding Reference Title The Encyclopedia of US Labor and Working Class History provides sweeping coverage of US labor history Containing over 650 entries the Encyclopedia encompasses labor history from the colonial era to the present Articles focus on states regions periods economic sectors and occupations race relations ethnicity and religion concepts and developments in labor economics environmentalism globalization legal history trade unions strikes organizations individuals management relations and government agencies and commissions Articles cover such issues as immigration and migratory labor women and labor labor in every war effort slavery and the slave trade union resistance by corporations such as Wal Mart and the history of cronyism and corruption and the mafia within elements of labor history Labor history is also considered in its representation in film music literature and education Important articles cover the perception of working class culture such as the surge in sympathy for the working class following September 11 2001 Written as an objective social history the Encyclopedia encapsulates the rise and decline and continuous change of US labor history into the twenty first century **Worker Centers** Janice Ruth Fine, 2006 As national policy is debated a locally based grassroots movement is taking the initiative to assist millions of immigrants in the American workforce facing poor pay bad working conditions and few prospects to advance to better jobs Fine takes a comprehensive look at the rising phenomenon of worker centers fast growing institutions that improve the lives of immigrant workers through service advocacy and organizing from publisher information

Monthly Labor Review United States. Bureau of Labor Statistics, 2006 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews **Progressive Solutions Built on American Values** Bernie Horn, 2003 [Is Inequality in America Irreversible?](#) Chuck Collins, 2018-04-27 We are living in a time of extreme inequality America's three richest people now own as much wealth as the bottom half of the population Although most accept that this is grotesque many politicians accept it as irreversible In this book leading US researcher and activist Chuck Collins succinctly diagnoses the drivers of rampant inequality arguing that such disparities have their roots in 40 years of the powerful rigging the system in their favor He proposes a far reaching policy agenda analyzes the barriers to

progress and shows how transformative local campaigns can become a national movement for change This book is a powerful analysis of how the plutocracy sold us a toxic lie and what we can do to reverse inequality **Dollars & Sense**, 2005 **Z Magazine**, 2003 **Making Immigration Work for American Minorities** United States. Congress. House. Committee on the Judiciary. Subcommittee on Immigration Policy and Enforcement, 2011 **Setting a record**, 1987 Minimum Wage Policy in Great Britain and the United States Jerold L. Waltman, 2008 Describes and analyses the operation of current minimum wage policies and politics in the United Kingdom and the USA Traces the origins history and development of minimum wages in the two countries Argues that what most influences the minimum wage in both countries is the degree to which it is integrated in the political vision of how the state should assist the poor *Unequal Cities* Richard McGahey, 2023-01-10 Cities are central to prosperity they are hubs of innovation and growth However the economic vitality of wealthy cities is marred by persistent and pervasive inequality and deeply entrenched anti urban policies and politics limit the options to address it Structural racism suburban subsidies regional government fragmentation the hostility of state legislatures and federal policy all contribute to an unequal status quo that underfunds cities while preventing them from pursuing fairer outcomes Economist Richard McGahey explores how cities can foster equitable economic growth despite the obstacles in their way Drawing on economic and historical analysis as well as his extensive experience in government and philanthropy he examines the failures of public policy and conventional economic wisdom that have led to the neglect of American cities and highlights opportunities for reform *Unequal Cities* features detailed case studies of New York Detroit and Los Angeles tracing how their attempts to achieve greater equity foundered because of the fiscal and political constraints imposed on them McGahey identifies key lessons about the political coalitions that can overcome anti urban biases arguing that alliances among unions environmentalists and communities of color can help cities thrive But he warns that cities cannot solve inequality on their own political action at state and federal levels is necessary to achieve systemic change Shedding light on the forces that produced today s dysfunction and disparities *Unequal Cities* provides timely policy prescriptions to promote both growth and equity **Dynamics of Social Welfare Policy** Gardenia Harris, Bernard Ivan Tamas, Nancy S. Lind, 2008 This book examines ten key issues poverty housing taxation and the economy child welfare education health criminal justice civil rights and global issues confronting social work professionals and places them in their larger context The introduction to each issue identifies its genesis or the reasons that the issue became a dominant theme in the policymaking agendas of Congress The second and third sections of each issue provide actual arguments written and spoken by elected officials both in the U S Congress and the Presidency representing liberal versus conservative viewpoints on the issues By providing the actual text of the arguments and refraining from interpreting and biasing the political viewpoints of the legislators the book enables students to critically evaluate each side of the debate and to become empowered to bring about change The vantage point of *Dynamics of Social Welfare Policy* is that both liberal and conservative policymakers have

good reasons for holding their respective beliefs Students thus are provided with the opportunity to learn about the other side This knowledge will improve students confidence when approaching policymakers and enhance their ability to be effective advocates Understanding both sides of issues central to social work professionals will facilitate the development of arguments and policy options that satisfy decision makers of either political orientation beliefs Students thus are provided with the opportunity to learn about the other side This knowledge will improve students confidence when approaching policymakers and enhance their ability to be effective advocates Understanding both sides of issues central to social work professionals will facilitate the development of arguments and policy options that satisfy decision makers of either political orientation beliefs Students thus are provided with the opportunity to learn about the other side This knowledge will improve students confidence when approaching policymakers and enhance their ability to be effective advocates Understanding both sides of issues central to social work professionals will facilitate the development of arguments and policy options that satisfy decision makers of either political orientation

Issues for Debate in Social Policy CQ Researcher,2014-05-27 This collection of non partisan reports focuses on 18 hot button social policy issues written by award winning CQ Researcher journalists As an annual that comes together just months before publication the volume is as current as possible And because it s CQ Researcher the social policy reports are expertly researched and written showing all sides of an issue Chapters follow a consistent organization exploring three issue questions then offering background current context and a look ahead as well as featuring a pro con debate box All issues include a chronology bibliography photos charts and figures

New Labor Forum ,2009 **Congressional Record** United States. Congress,2000 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

[The Code of Federal Regulations of the United States of America](#) ,1972 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government
