Saving Stanley The Brickman Stories:

Saving Stanley Scott Nadelson, 2011-04-01 WINNER OF THE H L DAVIS AWARD FOR SHORT FICTION at the 2004 Oregon Book Awards and GLCA's 2005 New Writers Award Scott Nadelson's interrelated short stories are graceful vivid narratives that bring into sudden focus the spirit and the stubborn resilience of the Brickmans a Jewish family of four living in suburban New Jersey The central character Daniel Brickman forges obstinately through his own plots and desires as he struggles to balance his sense of identity with his longing to gain acceptance from his family and peers In *Kosher* Daniel's disdain for his parents' values and lifestyle for their materialism and need for security leads him to take a job as a telemarketer for the Robowski Fund for the Disabled a charity benefiting two people only Daniel and Helen Robowski And in *Young Radicals* Daniel gathers research for a thesis on early Soviet history by interviewing his grandfather now a retiree in Florida who painted factories and sang Communist work songs in 1920s Leningrad before immigrating to America This fierce collection provides an unblinking examination of family life and the human instinct for attachment *Soldiers in Hiding* Richard Wiley, 2011-10-01 It's Tokyo 1941 Teddy Maki and Jimmy Yakamoto are Japanese American friends and jazz musicians playing Tokyo's lively nightclub scene Stranded in Japan after the bombing of Pearl Harbor Teddy and Jimmy are drafted into the Japanese army and sent to fight against American troops in the Philippines Their perilous attempts to remain neutral in a conflict where their loyalties are deeply divided are shattered when Jimmy is killed by the commanding officer for refusing to shoot an American prisoner The deed then falls to Teddy Thirty years later Teddy is married to Jimmy's widow father to his son a star on Japanese TV and still wrestling with the guilt over Jimmy's death Winner of the 1987 PEN Faulkner Award for Best American Fiction *Soldiers in Hiding* is a haunting portrayal of war's lingering emotional burdens This revised edition features a new preface by the author and an introduction by Nobel Prize winner Wole Soyinka *Aftermath: Stories* Scott Nadelson, 2011 THE CHARACTERS IN SCOTT NADELSON'S third collection are living in the wake of momentous events the rupture of relationships the loss of loved ones the dissolution of dreams and yet they find new ways of forging on with their lives making accommodations that are sometimes delusional sometimes destructive sometimes even healthy In *Oslo* a thirteen year old boy on a trip to Israel with his grandparents grapples with his father's abandonment and his own rocky coming of age In *The Old Uniform* a young man left by his fiancée revisits the haunts of his single days and on a drunken march through nighttime Brooklyn begins to shed the false selves that have kept him from fully living And in the title story a couple testing out the waters of trial separation quickly discover how deeply the fault lines of their marriage run and how desperately they want to hang onto what remains Mining Nadelson's familiar territory of Jewish suburban New Jersey these fearless funny and quietly moving stories explore the treacherous crossroads where disappointments meet unfulfilled desire **Leaving Brooklyn** Lynne Sharon Schwartz, 2011-10-05 An injury at birth left Audrey with a wandering eye Though flawed the bad eye functions well enough to permit her an idiosyncratic view of the world one she welcomes in

the stifling postwar Brooklyn of the 1950s During a journey to Manhattan to see a doctor about her sight she begins to explore the sexual rites of adulthood But can her romance last In this beautifully observed novel Lynne Sharon Schwartz raises themes of innocence and escape while illuminating the rich inner life of a singular girl **Clown Girl** Monica Drake,2007 Clown Girl lives in Baloneytown a seedy neighborhood where drugs balloon animals and even rubber chickens contribute to the local currency Against a backdrop of petty crime she struggles to live her dreams calling on cultural masters Charlie Chaplin Kafka and da Vinci for inspiration In an effort to support herself and her layabout performance artist boyfriend Clown Girl finds herself unwittingly transformed into a corporate clown trapping herself in a cycle of meaningless high paid gigs that veer dangerously close to prostitution Monica Drake has created a novel that riffs on the high comedy of early film stars most notably Chaplin and W C Fields to raise questions of class gender economics and prejudice Resisting easy classification this debut novel blends the bizarre the humorous and the gritty with stunning skill The Tsar's Dwarf Peter Fogtdal,2008 Soerine a deformed female dwarf from Denmark is given as a gift to Tsar Peter the Great who is smitten by her freakishness and intellect Against her will she becomes a jester in his court in this masterfully told and brilliantly translated novel about aberration endurance and the human condition Seaview Toby Olson,2011-09-21 The action of Toby Olson s PEN Faulkner Award winning novel Seaview sweeps eastward following three men and two women across a wasted American continent to an apocalyptic confrontation on Cape Cod Melinda hopes to reach the seaside where she was born before she dies of cancer Allen her husband earns their way back by golf hustling working the links en route Outside of Tucson the two meet up with a Pima Indian also headed toward the Cape to help a distant relative who has claims on a golf course there that is laid out on tribal grounds Throughout the journey Allen knows he is being stalked by a former friend Richard a drug pusher whom he has crossed and who is now determined to murder him The tortured lives of Richard and his wife Gerry stand as a dream of what might have become of Allen and Melinda had things been otherwise The lines that draw these people together converge at Seaview Links and on the mad battlefield that this golf course becomes the novel reaches its complex ending Seaview s vibrant language and fateful plot make this study of an America on the edge an unforgettable read Core Kassten Alonso,2011-03-01 THIS INTENSE AND COMPACT NOVEL crackles with obsession betrayal and madness and was an Oregon Book Award Finalist for fiction 2005 As the narrator becomes fixated on his best friend s girlfriend his precarious hold on sanity rapidly deteriorates into delusion and violence This story can be read as the classic myth of Hades and Persephone Core rewritten for a twenty first century audience as well as a dark foreboding tale of unrequited love and loneliness Alonso skillfully uses language to imitate memory and psychosis putting the reader squarely inside the narrator s head In addition deliberate misuse of standard punctuation blurs the distinction between the narrator s internal and external worlds A sense of alienation and Faulknerian grotesquerie permeate this landscape where desire is borne in the bloom of a daffodil and sanity lies toppled like an applecart in the mud **Faraway Places** Tom

Spanbauer,2011-10-20 During a fateful summer 13 year old Jake Weber witnesses the brutal murder of a Native American woman by the town banker Jake's parents forbid him to speak of the killing or name its perpetrator even as the woman's African American lover stands falsely accused The crime and what follows it forever alter Jake's view of his parents and the world around him Faraway Places won widespread praise for its vivid narrative and incantatory style and Spanbauer displays singular skill in inhabiting the mind of a troubled adolescent boy

The Next Scott Nadelson

Scott Nadelson,2013-02-18 Beginning in the summer of 2004 Scott Nadelson's life fell apart His fiancée left him a month before their planned wedding for another woman who made her living performing as a drag king He moved into a drafty attic His car's brakes went out He learned that his cat was dying Over the next two years he'd struggle with equivocal and sometimes humiliating results to get back on his feet in the process re-examining his past to understand his present circumstances The Next Scott Nadelson A Life in Progress is a literary self portrait that revolves around the dissolution of a relationship but encompasses the long process of a young man's halting self discovery Exploring episodes from the life of its author narrator marked by failure suffering and hope as well as literary and cultural influence the book weighs the things that make us want to give up against the things that keep us going Though many of the pieces are comic and self-deprecating some self-lacerating they are above all meditations on the nature of the self and the way it can be constructed through memory desire and the imagination Together they form a larger narrative a search for fulfillment and identity in a life often governed by fear With humor and unflinching honesty Scott Nadelson scrutinizes his life to discover who he is and finds just how elusive such a discovery can be To read the resulting book is to join him on a personal journey that is thoughtful surprising occasionally hilarious and unapologetically human
