Short Life Michael Edward Nichols, 2020-08-04 The theme of Short Life is the brevity of life developed through several transparent stories from the life of Michael Edward Nichols Most people want to live a meaningful life but many end up living mundane routine lives that seem to have no purpose Many want to live well but lack the motivation to get started Short Life aims to awaken every person to realize their time on earth is short and give practical tips on how to redeem the time the Lord has given those on earth Michael Edward Nichols discovered the truth that focusing on one s own death can teach them how to live Since the quality of his life has been dramatically impacted by the realization that life is very short Michael s goal is to be a catalyst for transformation in other people s lives from inside out Part one of Short Life focuses on inner thoughts and attitudes Part two concentrates more on outward behavior and relationships The counter cultural premise of Short Life challenges readers to

actually think about his or her death as much as possible Surprisingly rather than causing one to become morbid or depressed thinking about one's own death actually unleashes the power to live an authentic full life Where After Mariel Forde Clarke, 2021-08-27 A journey that will compel readers to view life after death in a completely different way Where do our loved ones go After they die This is the question that has traversed the universe for centuries and is considered one of life's greatest mysteries While many of the world's renowned philosophers scientists theorists doctors and great mystics endorsed the existence of the afterlife no one book has been available to explore it all until now Mariel Forde Clarke asserts that whether you believe in God or heaven you can be comforted by the sense that an afterlife exists beyond the realm of one's physical comprehension Drawing on the findings of patients who have had neardeath experiences and visions and on those of renowned scientists and doctors Clarke helps the reader chart the journey of the soul and navigate their grief

Overcoming Regret Meco G. Caroway, 2018-05-30 I was lost in a world of regret that I needed a savior to redeem me from Lost like a breeze in the midst of a hurricane I was blinded by my very own ambition and I could not see nor navigate myself through life not knowing whether I was coming or going I made a plethora of mistakes that resulted in an avalanche of regret Regret that once controlled my life and imprisoned my metacognition I found myself like most people in a degenerating cycle fuel by the gravity of regret Three specific attributes governed my life as the gravity of regret influenced it I was governed by fear bad habits and the opinion of other people Fear of loss fear of rejection fear of failure and fear of the unknown Bad habits of illegitimate desire deception and disobedience The opinion of individual family church and the society in which I live Loren E. Pedersen, 2005-01-01 The Soul Grows in Darkness recounts a profoundly challenging life Born nearly deaf Loren lives in a rat infested Chicago ghetto where he contends with poverty family conflict prejudice drugs and terrifying violence Barely surviving this murky urban landscape his struggles initiate a lifelong search for God and truth Answers to his insatiable curiosity about life death and war are rare but mysterious dreams and inner dialogues pose probing questions that guide his journey He wonders whether his memories and dreams are only illusory In adulthood he turns to psychoanalysis to redeem his dark past and find meaning in his dreams As a result he becomes an analyst himself Are memories dreams and the promptings of the unconscious only opiates of minds desperately coping with a hopelessly disordered world Or however unreliable do they contain one's truth The Soul Grows in Darkness is a hopeful and poignant search for self understanding love and God Its conclusion is astonishing Poignant funny tragic and uplifting Loren Pedersen's new book will be many things to many readers compelling true life story inspirational and cautionary tale psychological self help manual and a chronicle of the second half of the tumultuous twentieth century Readers will be immensely entertained by the vivid story here of Dr Pedersen's life through which they will discover illumination of their own Mark Spencer Author of the novels Love and Reruns in Adams County and The Weary Motel Winner of The Faulkner Society Faulkner Award for Fiction and of the Omaha Prize for the Novel Her Rejection, His Regret Rosie Meachem, 2025-01-09 I Alpha Miller hereby

reject you Isla Higgins as my mate and Luna of the Pembroke Pack he said with a smirk his beta pinning me against the wall My heart shattered into a thousand pieces and a physical ache coursed through me as pain consumed every fiber of my being After the humiliating rejection from her fated mate and his betrayal with his chosen mate Mora Isla leaves the pack determined to start a new life Five years later she returns to the Pembroke Pack when her mother falls gravely ill As she comes to terms with the past and becomes a respected warrior in the Eclipse Moon Pack secrets and lies are revealed Alpha Miller now consumed by regret is determined to reclaim his true Luna and plead for a second chance I Isla Higgins accept your rejection of me as your mate and Luna of the Pembroke Pack The collective gasps around us only deepened Alpha Miller's fury But I didn't care anymore He meant nothing to me now and the weight of years of pain and rejection finally lifted from my shoulders Why should I care about being rejected Now it's my turn my rejection his regret
