

The background of the book cover is a detailed landscape painting. It depicts a wide, green valley with a winding river in the foreground. In the distance, there are rugged, snow-capped mountains under a cloudy sky. A small village with a few buildings is visible on the right side of the valley. The overall style is reminiscent of 19th-century landscape art.

Dwila R. Funk, 2014-06-30 Have you ever wondered what happens to your beloved pet when he or she dies Will you ever be able to see him or her again in heaven Or have you been plagued by the disturbing thought that animals are only here on earth for our enjoyment in this life but when they die that is it for them and they are gone forever This haunted me for decades until I finally got up enough courage to seek out the truth for myself I went to the word of God to conduct my own research This book is the result of my quest to find the truth about how God really sees animals and His plan for them I was astounded by the wealth of information that God shares in the Holy Bible regarding animals The answers are there hidden in His word All anyone needs to do is look The Works of the Rev.
