Senior Week Fling Maggie Dallen, 2019-07-31 Adam is Eve's best friend everyone knows that But when the fake kisses turn real even Eve isn't sure if she can tell the truth from the lies Are they pretending to be in love or is it a lie to say they're still just friends The nightmare of high school is finally behind Eve almost Only one thing remains before she can finally shed high school hassles Senior Week where everyone heads to the Jersey Shore for one last week of partying and fun with friends and frenemies And ex boyfriends He's the one person she thought she'd left behind He's the guy who broke her heart and left her best friend to pick up the pieces Thank goodness her great pal Adam is willing to come to her rescue all over again In a dramatic display meant to save her from public humiliation Adam kisses Eve telling their classmates they've fallen in love and are now a couple After all how hard could it be to fake a relationship for one week Playing lovers is all fun and games in a beach paradise as fake as their relationship Until very real and unwelcome emotions start to emerge Now Adam and Eve are battling not only their exes and rivals but their own jealousies and fears Can best friends really become lovers Or is this all just a Senior Week fling
