Señor Vivo and the Coca Lord Louis De Bernières, 1991 Dionisio Vivo a young South American lecturer in philosophy is puzzled by the hideously mutilated corpses that keep turning up outside his front door To his friend Ramon one of the few honest policeman in town the message is all too clear Dionisio s letters to the press exposing the drug barons must stop and although Dionisio manages to escape the hit men sent to get him he soon realises that others are more vulnerable and his love for them leads him to take a colossal revenge *Señor Vivo and the Coca Lord* Louis De Bernières, 1991 Louis de Bernieres s first novel *The War of Don Emmanuel s Nether Parts* received extraordinary critical acclaim *Senor Vivo and the Coca Lord* confirms that he is one of the most original talents at work in English fiction Dionisio Vivo a young South American lecturer in philosophy is puzzled by the corpses that keep turning up outside his front door His friend Ramon possibly the only honest policeman in town finds the message all too clear Dionisio s letters to the press exposing the murderous domination of the drug barons must stop The local coca lord sends a series of hit men to silence Dionisio but he seems to lead a charmed life insulated by a sense of justice and by his own pigheaded integrity But if he is in a sense protected he is by no means immune and protection does not extend to those he loves It is love that makes Dionisio vulnerable to betrayal love that leads him to colossal revenge Set in a world where the supernatural is perfectly routine where wit and affection can blossom in a sump of corruption where ancient deities walk the streets while the drug trade warps an entire society Dionisio s battle links disparate strands into a dazzling whole As in his first novel Louis de Bernieres turns a quizzical and unblinking gaze on the magical and the mundane on tenderness and atrocity on farce and disaster

A Love of Reading Robert Adams, 2011-01-14 Every year Robert Adams prepares a series of five reviews of contemporary novels to be delivered alone on a theatre stage to sold out audiences in Toronto and Montreal In *A Love of Reading* Adams has now gathered 18 of his most brilliant reviews from *Jack Maggs* by Peter Carey and *The Poisonwood Bible* by Barbara Kingsolver to *A Fine Balance* by Rohinton Mistry and *Barney's Version* by Mordecai Richler In them he skillfully interweaves a nimble and entertaining discussion of plot theme and characterization with fascinating historical biographical and literary context He is repeatedly drawn to the spectacle of less than perfect humans making their way in a hostile world and as a result a review by Robert Adams is almost always a hugely satisfying mix of rich pathos and abundant humour Famously Adams reads a book a day from which he selects only those novels that are truly extraordinary that have made him see some part of the world or some aspect of the human condition in a new light because for Adams the best books always take the reader on a journey with a destination very distant from the point of departure It should be not only a journey of discovery an exploration of the author's vision but also of risk By matching one's own vision to that of the author says Adams the reader enters an exciting negotiation to produce a new vision of his own This joint enterprise between reader and writer the shared risk and the wonder of discovery is the foundation of *A Love of Reading* For the last six years Robert Adams has presented an annual series of book reviews to sold out audiences Eighty per cent of Adams 3 000 subscribers in Toronto and Montreal renew for the following season This book is a selection of modern classics from a discriminating and entertaining guide Perfect for reading groups Quill Quire noting the jump in sales of any book reviewed by Adams has called the phenomenon The Adams Effect
