Sensuous Couple The:

The Sensuous Couple Robert Chartham,1981-04-12 **Right Where You Are Sitting Now** Robert Wilson,1993-01-25
Discusses consciousness the nature of God sexuality human knowledge robots and the future **Creativity and the Erotic Dimensions of the Analytic Field** Dianne Elise,2019-06-11 Creativity and the Erotic Dimensions of the Analytic Field centers on the mutually reinforcing relationship between erotic and creative energies Erotic embodiment is given context within a contemporary model of clinical process based in analytic field theory and highlighting Winnicott Dianne Elise uses clinical material to bring theory alive giving clinicians an explicit picture of how they might utilize the ideas presented In a fascinating return to Freud s emphasis on libido and Eros a creative mind is seen as located within a libidinal connection to the erotic body The erotic is underscored as an important ingredient of the clinical situation a lively spontaneity that partakes of the analyst s as well as the patient s creative self vitalizing the field of clinical engagement A full formulation of the analytic field must include awareness of the centrality of the erotic in the maternal matrix in ongoing development and in the clinical setting The erotic aesthetic dimension of the mind potentiates the creative interplay of the analytic process Written in an engaging and accessible style this original contribution makes complex theory available to psychoanalytic clinicians at all levels and to a wide range of readers while offering sophisticated theoretical and clinical innovations Elise addresses the need to engage multiple aspects of erotic life while maintaining a reliable professional boundary **Steamy Sex Games** ,2024-10-29 Steamy Sex Games adds spice to your sex life with dozens of tantalizing seductions and scenarios **In Celebration of Love, Marriage, and Sex** Gary L. Crawford,2007-12 Nowhere do Christians find a more relevant word about marriage and love than in the poetic expression of God s gift in the Song of Solomon Practical Life **The New Injection Treatment For Impotence** Gorm Wagner,Helen Singer Kaplan,2019-07-05 In this volume two experts on sexual disorders describe the most effective treatment yet developed for male impotence The authors review both the medical and the psychiatric aspects of injection treatment for men of all ages with particular attention to older men and those with psychogenic impotence The authors also discuss ethical considerations *When Your Sex Drives Don't Match* Sandra Pertot,2007-02-26 What libido type are you People have different sexual tastes and preferences which according to Dr Sandra Pertot can be traced to 10 basic libido types each with a unique set of feelings desires and expressions By learning to recognize them couples can better understand and work through their sexual conflicts A complete guide to a mutually satisfying sexual relationship Once couples have identified their libido types Pertot offers useful ways to manage sexual incompatibilities and in most cases achieve a mutually satisfying sex life Her clear advice emphasizes a combination of increased communication understanding of differences and building upon previously established aspects of the relationship Authoritative information based on more than thirty years of clinical expertise Pertot was compelled to write this book because in over thirty years of experience counseling couples she s found that mismatched libidos is one of the most common

issues with which couples struggle She s learned to recognize that most sexual problems are not the result of complicated psychological or relationship issues but rather have completely sensible causes that can be identified and worked out

Encounters with Modern Indian Art Yashodhara Dalmia,2025-09-22 This book explores modern art in India tracing its evolution from the setting up of the Progressive Artists Group in the 1940s to the contemporary movements today It discusses some of the fundamental issues around Indian art such as the extent of its rootedness in the country the amalgamation of Western art methods and Indian aesthetics in the art and its increasing infusion with popular modes In a series of essays the book looks at works from the late Mughal period when artists began to move towards modernism to the visionary approaches of artists like Rabindranath Tagore Nandalal Bose Ramkinkar Baij and Benodebehari Mukherjee in Santiniketan It also explores innovative works of the Indo Hungarian artist Amrita Sher Gil and contributions of progressive artists such as Francis Newton Souza Sayed Haider Raza and M F Husain to the new and experimental forms being practised in the present highlighting the transformative role of modern Indian art through the twentieth century as the works of each successive generation reflect the socio cultural contexts With rich illustrations the book will be of interest to students and educators of art art history intellectual and cultural history as well as to connoisseurs of art **The Sensuous Lie** Celia

McCarthy,Emily McCarthy,2019-09-09 For over a decade Rekindling Desire has helped to restore and affirm pleasure oriented sexuality for thousands of people Drawing on respected therapist Barry McCarthy s extensive knowledge and experience this updated third edition offers strategies and solutions for no sex relationships and low sexual desire Contained within are psychosocial sexual skill exercises that will develop communication and confidence as well as fascinating case studies that illustrate a wide range of couples sexual frustrations The shame embarrassment and hesitancy that individuals feel with themselves and the resentment and blame they can feel towards their sexual partners are explored and put into context With an individualized relapse prevention plan to ensure sexual gains are maintained and built upon the book encourages couples to work as a team to minimize guilt and maximize intimacy Rekindling Desire 3rd edition fully celebrates

female and male sexuality challenges inhibitions and avoidance and promotes satisfying secure and sexual relationships Whether you are married cohabitating or dating it will help renew sexual desire and empower people of all sexual orientations and ages on the path towards healthy pleasure oriented sexuality **Sex Over 50 (Updated and Expanded)** Joel D. Block, 2008-08-05 There are 78 million people now crossing the 50 year mark and they re redefining middle age and creating a new vision of what a fulfilling sex life means Sex Over 50 speaks to this legion of gracefully aging Americans who are looking for professional practical advice on how to make the transition to deeper richer more sophisticated sexual relationships This edition includes a new chapter on the dating scene for Boomers as well as updated information on hormone replacement therapy and erectile dysfunction The Future of Marriage (Easyread Large Edition) David Blankenhorn, 2010 With precision and passion David Blankenhorn offers a bold new argument in the debate over same sex marriage that it would essentially deny all children not just the children of same sex couples their birthright to their own mother and father If we change marriage we change parenthood for all families Altering marriage to accommodate same sex couples would mean weakening in culture and eliminating in law the idea that children need both their mother and their father The Future of Marriage analyzes recent survey data from 35 countries offering the first scientific evidence that support for marriage is weakest in those nations where support for gay marriage is strongest Blankenhorn explains how same sex marriage would transform our most pro child social institution into a purely private relationship an expression of love between adults defined by each couple as they wish Changing marriage laws to include same sex couples he argues would require us to deinstitutionalize marriage amputating from the institution one after another of its core ideas until the institution itself is like a room with all the furniture removed and everything stripped from the walls For Blankenhorn the main question concerning the future of marriage in the United States is not whether we will adopt gay marriage The main question is whether the social institution of marriage will become stronger or weaker If we wish to strengthen marriage on behalf of children there is no shortage of ideas for doing so What matters is whether we as a society regard this as a worthy and urgent goal *Planet of the Datas* , **Thriving** Alan M. Dahms, 1980 Uncoupling Convention Ann D'Ercole, Jack Drescher, 2013-06-17 What does it mean to be member of a gay lesbian couple or family The contributors to Uncoupling Convention Psychoanalytic Approaches to Same Sex Couples and Families address this question by drawing on two cultural movements of the twentieth century psychoanalysis and the gay lesbian civil rights movement Taken together these traditions provide a framework for understanding and providing psychotherapeutic assistance to gay and lesbian patients who present with troubled relationships The contributors to this volume espouse a clinical focus that supplants the heterosexual perspectives of traditional psychoanalysis with new narratives about family life Drawing on cultural feminist gay lesbian and queer studies they illustrate how concepts of gender and sexuality are routinely informed by unproven heterosexist assumptions both conscious and unconscious By examining the changing developmental needs and family

dynamics of gay and lesbian families the contributors broaden our very understanding of what a family is They illustrate how contrasting cultural constructions of homosexuality and family life play out in same sex couples They delineate the multiple realities of gender subjectivity both in children and in their gay parents They ponder how technology is shaping reproductive experiences as lesbians become part of the biomedical system And they explore recurrent themes of feeling different and ashamed including the shameful secrecy surrounding same sex couples financial matters In uncoupling conventions the contributors are effectively coupling post Freudian psychoanalysis with the insights of queer theory and the critical edge of contemporary cultural studies The result is a framework for addressing the relational and family related challenges of gay and lesbian patients that ranges far beyond traditional approaches and will benefit analytic couples and family therapists alike

Dirty Red Tarryn Fisher, 2025-02-04 Manipulation Lies Backstabbing Just your typical obsessively toxic love triangle Dear Opportunist You thought you could take him from me but you lost Now that he's mine I'll do anything to keep him Do you doubt me I have everything that was supposed to be yours In case you were wondering he doesn't even think about you anymore I won't let him go ever Dirty Red Leah Smith finally has everything she's ever wanted Except she doesn't Her marriage feels more like a loan than a lifelong commitment and the image she has worked so hard to build is fraying before her eyes With a new role and a past full of secrets Leah must decide how far she is willing to go to keep what she has stolen

You know Olivia's side of the story but now it's Leah's turn

The Populist Temptation Barry Eichengreen, 2018-05-03

Populism of the right and left has spread like wildfire throughout the world. The impulse reached its apogee in the United States with the election of Trump but it was a force in Europe ever since the Great Recession sent the European economy into a prolonged tailspin. In the simplest terms, populism is a political ideology that vilifies economic and political elites and instead lionizes the people. The people populists of all stripes contend need to retake power from the unaccountable elites who have left them powerless. And typically, populists' distrust of elites shades into a catchall distrust of trained experts because of their perceived distance from and contempt for the people. Another signature element of populist movements is faith in a savior who can not only speak directly to the people but also serve as a vessel for the plain people's hopes and dreams. Going back to the 1890s, a series of such saviors have come and gone in the US alone, from William Jennings Bryan to Huey Long to finally Donald Trump. In *The Populist Temptation*, the eminent economic historian Barry Eichengreen focuses on the global resurgence of populism today and places it in a deep context. Alternating between the present and earlier populist waves from modern history, he argues that populists tend to thrive most in the wake of economic downturns when it is easy to convince the masses of elite malfeasance. Yet while there is more than a grain of truth that bankers, financiers, and bought politicians are responsible for the mess, populists' own solutions tend to be simplistic and economically counterproductive. Moreover, by arguing that the ordinary people are at the mercy of extra-national forces beyond their control—international capital, immigrants, cosmopolitan globalists—populists often degenerate into demagoguery and xenophobia. There is no one solution to addressing the concerns that populists raise, but Eichengreen argues that there is an obvious place to start: shoring up and improving the welfare state so that it is better able to act as a buffer for those who suffer most during economic slumps. For example, America's patchwork welfare state was not well equipped to deal with the economic fallout that attended globalization and the decline of manufacturing in America, and that played no small part in Trump's victory. Lucidly explaining both the appeals and dangers of populism across history, this book is essential reading for anyone seeking to understand not just the populist phenomenon but more generally the lasting political fallout that follows in the wake of major economic crises.
