Dr. Mark O'Doherty, 2017-11-11 Malawi has discovered a mass grave in the north of the country containing the remains of 25 people suspected to be migrants from Ethiopia police said on Wednesday The grave was discovered late on Tuesday but we cordoned it off and started exhuming today So far we have discovered 25 bodies police spokesman said Police were alerted by villagers in the Mzimba area about 250 kilometres 155 miles north of the capital Lilongwe who stumbled on the grave while collecting wild honey in a forest Malawi is a popular route for illegal immigrants from East Africa being smuggled to South Africa the continent's most industrialised country and a magnet for poor migrants from elsewhere on the continent Police often catch trucks transporting migrants passing through the country en route to South Africa via Mozambique Kalaya said that between January and September this year authorities had intercepted 221 illegal immigrants 186 of whom were Ethiopians Two years ago immigration authorities in neighbouring Mozambique made a grim discovery finding 64 migrants from Ethiopia dead inside a freight container loaded on a truck They were presumed to have died from suffocation A few survivors were among the group The International Organization for Migration IOM chief in Malawi Nomagugu Ncube said they were still gathering information about the latest incident The IOM report found that close to 51 000 Ethiopian migrants had gone missing since 2016 According to official statistics 4 265 deaths and 1 707 disappearances from the districts of Hadiya and Kembata Tembaro were recorded along the southern route to South Africa between 2012 and 2019 An overwhelming number of migrants said they had experienced a severe lack of food water or shelter on their journey the IOM researchers found Most had suffered abuse violence assault or torture while one in four had been asked to find additional money for bribes despite already paying an average of US 5 000 for the journey So this kind of criminal activity in Africa is unacceptable Hence African law enforcement agencies together with the assistance of the International Intelligence Community must bring the perpetrators of these severe crimes to justice Furthermore the International Community must provide greater assistance to disadvantaged communities who are challenged with socioeconomic deprivation so that abductions kidnapping and murder through forced migration can be stopped

Country Music Irwin Stambler, Grelun Landon, 2000-07-14 A comprehensive reference source on the history impact and current state of country music offering portraits of figures in the

country music world *The Sheikh's Fierce Fiancée* Leslie North, Sheikh Issam doesn't have time to find a bride. He'd rather a sign would appear to him signaling the perfect woman and save him the trouble of finding her. However, he didn't foresee the sign being the sister-in-law of his rival nation's president crashing into the holiest temple in his country. Now he and the fearsome beauty must find a way to circumvent the ancient religious law that demands her death or he'll face war on three fronts. Mackenzie came to Al Dashed with a mission: save the women's shelter that had taken root in a disputed fort between Al Dashed and her brother-in-law's country. With war growing more likely every day, she doesn't have time to waste arguing her way out of an unjust death sentence. She's ready to sit down with Sheikh Issam and make sure he understands that the safety of the women and children in the shelter is more important than his alpha male posturing. What Mackenzie isn't ready for is Issam offering her the perfect outcome: marriage. Members of the royal family are exempt from prosecution of holy law. He'll meet his marriage deadline, and she'll have his ear about the disputed fort and its vulnerable occupants. It seems perfect. Now if only she could get him to listen.

Desert Sheikhs Leslie North, *The Complete Desert Sheikh Series Boxset* Dive into three Sheikh romances: *Princes American women and Passion*, *The Sheikh's Royal Seduction*. An exotic prince, a sharp-tongued vet, a passion neither can ignore. Desperate to save his favorite lioness, Sala, from a deadly disease, Prince Zatar summons exotic wildlife veterinarian Alex Seaton to the palace. But when a stunning woman clad in western clothing arrives at the palace, he's convinced there must be a mistake. The sharp-tongued defiant woman couldn't possibly be skilled enough to save Sala. However, as she works to heal his beloved pet, a dark passion simmers between them. To take her to his bed would be scandalous, but how can he resist such sweet temptation? Alexis Seaton is all too aware of the practiced seduction of royalty. As a renowned animal healer, she's spent time in countless luxurious gardens with some of the most exotic big cats in the world. To maintain her professional status, she must resist the prince's sultry searching eyes and sensual promises. Only a fool would give up her life's passion for one night in the arms of a man who would forget her by morning. But under Zatar's watchful gaze, her resolve shifts like the sands of Arabia, and even she may not be able to resist the Sheikh's royal seduction forever. *The Sheikh's Unexpected Protector*. He once destroyed her life; now he's getting the chance to save it. Princess Salari moved to Paris after her father, the king of Kattahar, exiled her. But when she hears about his sudden death, she's ready to come home. After ten years away, she's stunned by the sight of Kalif, the man who destroyed her life. Her former childhood friend and the only man to ever break her heart has morphed into the sexiest royal guardsman she's ever seen. Although she refuses to even entertain the thought of falling for his seductive glances again, she won't have a chance to avoid him. Someone doesn't want Salari back in the palace, and they'll stop at nothing to make sure she ends up dead. With no choice but to accept Kalif's protection, she'll have to guard her heart against the one man who can destroy it. Kalif Nazat never expected to be tasked with guarding Princess Salari. She still despises him despite his attempts to apologize for his part in her exile. He'd had no good options that day ten years ago, and even the lesser of two evils had terrible consequences for the only woman he'd

ever loved But with someone wishing Salari dead he figures keeping her alive is the only way he can redeem himself As the killer closes in he ll risk his life to keep her safe and in turn risk losing his heart forever The Sheikh s American Fianc e Christina is in the tiny country of Kattahar for one reason and one reason only she s looking for a potential donor for her adorable niece who s desperate for a kidney While cleaning out her parents attic Christina stumbles upon a family secret her sister Kasha is adopted and her birth mother Sabrina a potential kidney donor is living in Kattahar With her world thrown into a tailspin Christina heads to Kattahar to seek Sabrina out What s not in her plans is becoming involved with anyone including the sinfully hot man she can t keep her eyes off But when he asks her to be his fianc e she s more than a little intrigued As desperate as Christina is to find her sister s birth mother Dakaric King of Al Qalb is just as desperate to keep power hungry crown seeking women from distracting him from his goal of making his country prosperous Christina just happens to be the perfect woman at the perfect time She s only in Kattahar for one week just long enough to pose for some PR photos and prove his fianc e exists If she agrees to the ruse to keep the gold diggers away he ll help her find Kasha s mother The only hitch in his plan is his growing attraction to Christina who is beginning to look more and more perfect in every way

The Legacy of the United States of America □ A Country of Confident Idiots facilitating Militarism, Nuclear Armament and Disregard for Basic Human Rights Dr. Mark O'Doherty,2017-04-06 Ranked only 20th in Global Education but filling the number one spot when it comes to self esteem the US has become a country of confident idiots Many American people such as ex National Security Advisor John Bolton personify what American politics is all about Aggression open hostility and winning no matter what the cost This book also addresses America s aggressive foreign policy that Militarism and warmongering play a legitimate role in international politics which is not only counterproductive but also distorts national spending priorities with millions of poverty stricken Americans taking refuge in a negative lifestyle of individualism leading to crime alcoholism drug addiction homelessness and increased gun violence Critical but also deeply sensitive and humane this book explores social scientific and Christian approaches so that America can be made great again Peacebuilding Policies such as conflict resolution and international cooperation are also explored in this work US HEALTHCARE CRISIS Amid the pandemic the crisis in the US healthcare system has become evident as up to 35 million Americans are estimated to see their health coverage disappear in the middle of this Covid 19 nightmare And premiums for those who retain their health insurance in this crisis could increase by up to 40% As stories circulate of 34 000

coronavirus medical bills the uninsured remain terrified of going bankrupt just to get tested and treated for Covid 19 In many cases Americans just cannot afford to go to a doctor or the hospital Hence it s imperative that a Basic Income Guarantee BIG together with basic health insurance is implemented in the US It should also be noted that inequality and social discrimination of people is increasing dramatically in the US As things stand the Biden administration is unwilling to implement a Basic Income Guarantee BIG which would be necessary to guarantee basic human rights and to stop the discrimination of unemployed people which causes grave political instability and civil unrest in the US In a world where there are no guarantees and as citizens who must be under government rule we should at least be assured that we will be able to feed clothe and handle the simplest needs of human beings Hence implementing a basic income guarantee is an essential prerequisite to counteract inequality and to ensure basic human rights in the US and the International Community **The**

Legacy of President Xi Jinping of China □ A Study of Social Instability, Human Rights Violations, Civilian

Suffering and Communism in the People's Republic of China Dr. Mark O'Doherty, 2019-08-26 Dear All The Chinese Communist Party CCP argues that their concept of social stability requires that the welfare of the collective should always be put ahead of the rights of any individual whenever conflicts between these arise The fallacy and error of this policy is that it s enforced by a few key figures in the CCP who have not been democratically elected by the people As evidenced by the Tiananmen Square protests of 1989 the People of China have demanded their right to freedom of peaceful assembly and association which the CCP government is still suppressing with an iron fist to this very day China increasingly becoming a totalitarian state It should be noted that the Supreme People s Court of China is an utterly incompetent legal community responsible for blatant human rights violations in all 22 provinces of China and a disgrace to the International Community With China s economy being in free fall the country has been decimated by enormous political and economic setbacks as well as horrifying human rights failures Hence China s so called superpower status has been revoked Thus the general consensus has been reached that China no longer qualifies as a superpower To avoid a power vacuum in the world a new country is going to take China s place as a superpower namely the Republic of Austria at least until China has agreed to evolve and improve itself Hence the new superpower in the world will be the Republic of Austria Although most Austrian politicians are rather incompetent the Austrian Foreign Ministry is quite capable of handling any queries concerning Austria s new superpower status The Chinese government is expected to fall in line with Austria s Human Rights Policy which for the time being will be conducted by the NGO BTB Global Peacebuilding We encourage the Chinese Communist Party to give up their monopoly on power and implement Universal Suffrage in China so that other political parties can also be elected in national elections and participate in governing China Love and Light Mark BTB Global Peacebuilding POTUS UNITED NATIONS PS We would be quite willing to give our dear friend President Xi Jinping a Kowtow if he agrees to implement the Universal Declaration of Human Rights UDHR in China However if President Xi refuses to implement the UDHR in China we will expect

a Kowtow from him instead

The Sheikh's Sham Engagement Leslie North, 2019-08-28 Nasser Safar isn't what you'd call a long term man. She chose her love for her sister over her love for him. It's a wound that still haunts Nasser even while he continues the education project that had been their shared dream. Willow Everstone left the only man she'd ever loved after he'd given her an ultimatum: stay with him or leave to care for her cancer-ridden sister and let him go. It was the hardest decision she ever had to make and in the end she lost her chance at a future with the love of her life. Now with her sister in remission Willow is ready to follow her dream of bringing education to all parts of the world. Her first project: A newly minted international initiative in Nasser's country. Neither Nasser nor Willow are happy having to work together to create the Tribe's new school. Despite their earlier reluctance the marriage of convenience soon turns sultry glances into steamy nights. And when a surprise baby calls the fake part of their plan into question they'll have to decide if they're willing to give their second chance at love a fighting chance or leave their blossoming future behind. Healing the Sudan □ Improving Human Rights, Gender Mainstreaming and Education in the Republic of Sudan Dr. Mark O'Doherty, 2017-10-17 Fighting between rival government factions is intensifying across much of Sudan as diplomatic efforts to end the conflict begin to gather momentum. At least 97 people have been killed and hundreds wounded as clashes have spread since Saturday when violence erupted.

between army units loyal to Gen Abdel Fattah al Burhan the head of Sudan's transitional governing Sovereign Council and the paramilitary Rapid Support Forces RSF led by Gen Mohamed Hamdan Dagalo known as Hemedti who is deputy head of the council. In Khartoum fighting has centred on key sites such as the international airport, presidential palace and the army headquarters where Burhan is thought to be based. Military jets flew low over the capital at first light on Monday after a night of repeated bouts of firing and shelling. Witnesses told Reuters the army was renewing airstrikes on RSF bases in Omdurman, Khartoum's sister city across the Nile. Dozens of bodies have been seen by witnesses in one central neighbourhood of the capital while hundreds of students remain trapped by the fighting in schools. The African Union's top council called for an immediate ceasefire without conditions. It also asked the AU Commission chair Moussa Faki Mahamat to immediately travel to Sudan to engage the parties towards a ceasefire. Arab states with stakes in Sudan: Qatar, Egypt, Saudi Arabia and the United Arab Emirates made similar appeals. The Saudi foreign minister Prince Farhan bin Faisal spoke by phone with Sudan's rival generals and urged them to stop all kinds of military escalation. Saudi state TV reported. The US secretary of state Antony Blinken has called for an immediate ceasefire and a return to talks to put Sudan back on track to a civilian led government. People in Sudan want the military back in the barracks, they want democracy, they want a civilian led government. Sudan needs to return to that path so that the Universal Declaration of Human Rights UDHR can be restored in the Republic of the Sudan. Hence it is imperative that both General Abdel Fattah al Burhan and General Mohamed Hamdan Dagalo stop the violence and commence with Peace Talks to put Sudan back on track to a civilian led government so that Democracy can be restored in Sudan. Otherwise an intervention from the NGO Community will be necessary so that humanitarian disaster can be averted and the Universal Declaration of Human Rights UDHR can be restored in the Republic of the Sudan.

Healing Zimbabwe – Improving Human Rights, Equality and Education in the Republic of Zimbabwe Dr. Mark O'Doherty, 2017-10-29 Dear All It is imperative that Russia makes Peace with Ukraine so that the Universal Declaration of Human Rights UDHR and the UN Convention on the Rights of the Child UNCRC can be restored in the International Community as requested by the Secretary General of the United Nations Mr António Guterres and Pope Francis. As many as 200 000 people have been killed or injured in the war so far including nearly 1 000 Ukrainian children. Hence it is imperative that Peace is restored between Ukraine and Russia to stop the killing of Children. A continuation of Russia's war in Ukraine would increasingly tarnish Russia's reputation in the International Community and isolate the Russian people economically, socially and culturally which is unnecessary and can be avoided if Russia restores peaceful and diplomatic relations with the International Community. This includes the withdrawal of all Russian troops from Ukrainian territory. We are expecting the Russian Armed Forces to restore the Universal Declaration of Human Rights UDHR in the International Community by arresting Vladimir Putin and putting him on trial for crimes against Humanity. This includes restoring Freedom of Speech.

Freedom of Press and Freedom of Association in Russia Once all Russian forces have withdrawn from Ukrainian territory we intend to implement the replacement of NATO by a new International Peacebuilding Alliance In our opinion this should have been done already after the Cold War during the time when Boris Yeltsin was the first president of the Russian Federation from 1991 to 1999 but which the US neglected to do So I expect my colleagues in the Government of Russia to make Peace with Ukraine and uphold the Legacy of Peace of Mikhail Gorbachev and Boris Yeltsin by working together with Ukrainian president Volodymyr Zelenskyy This includes working together with my good friends Joe Biden Avril Haines and Antony Blinken who are really solid fellows It should also be noted that Putin s former speechwriter says a military coup is becoming a possibility in Russia In short it is imperative that Human rights and International Law are restored in the International Community and that Civil Liberties and Basic Human Rights are restored in Russia God Bless Love and Light Acting president of and the United States Mark O Doherty BTB Global Peacebuilding 1 February 2023
