*The Culture of Cursilería* Noël Valis, 2003-01-16 Similar to the term kitsch but evoking pretensions to elegance cursileria and its role in the cultural life of modern Spain and the subjects of this work      **The Translingual Imagination** Steven G. Kellman, 2000-01-01 It is difficult to write well even in one language Yet a rich body of translingual literature by authors who write in more than one language or in a language other than their primary one exists The Translingual Imagination is a pioneering study of the phenomenon which is as ancient as the use of Arabic Latin Mandarin Persian and Sanskrit as *linguae francae* Colonialism war mobility and the aesthetics of alienation have combined to create a modern translingual canon Opening with an overview of this vast subject Steven G Kellman then looks at the differences between ambilinguals those who write authoritatively in more than one language and monolingual translinguals those who write in only one language but not their native one Kellman offers compelling analyses of the translingual situations of African and Jewish authors and of achievements by authors as varied as Mary Antin Samuel Beckett Louis Begley J M Coetzee Joseph Conrad Eva Hoffman Vladimir Nabokov and John Sayles While separate studies of individual translingual authors have long been available this is the first in depth study of the general phenomenon of translingual literature      Sentimental Songs Felipe Alfau, 1992

Conversations with Ilan Stavans Ilan Stavans, 2005-01-01 For almost twenty years Ilan Stavans described by the Washington Post as Latin America's liveliest and boldest critic and most innovative cultural enthusiast has interviewed path breaking intellectuals and artists in a wide range of media As host of the critically acclaimed PBS series La Plaza he interviews guests on pressing issues that affect the Western Hemisphere today asking hard hitting questions on immigration religion bilingualism race and democracy This book collects for the first time in one volume Stavans's most provocative and enlightening interviews with Hispanics from both sides of the Rio Grande Spontaneous and surprising these conversations reflect Latino life in the United States in all its facets Among the more than two dozen selections Edward James Olmos talks about Hispanics in Hollywood John Leguizamo describes how he shapes a stage show author Richard Rodriguez reflects on his gang background Esmeralda Santiago takes on the Puerto Rican stereotype and Piri Thomas shares thoughts on the writing of *Down These Mean Streets* A conversation is a tango writes Stavans for it takes two to dance it *Conversations with Ilan Stavans* invites readers to catch the rhythm and enjoy these unique meetings of minds      **Hispanic New York** Claudio Iván Remeseira, 2010 Over the past few decades a wave of immigration has turned New York into a microcosm of the Americas and enhanced its role as the crossroads of the English and Spanish speaking worlds Yet far from being an alien group within a mainstream and supposedly pure Anglo America people referred to as Hispanics or Latinos have been part and parcel of New York since the beginning of the city's history They represent what Walt Whitman once celebrated as the Spanish element of our nationality *Hispanic New York* is the first anthology to offer a comprehensive view of this multifaceted heritage Combining familiar materials with other selections that are either out of print or not easily accessible

Claudio Iv n Remeseira makes a compelling case for New York as a paradigm of the country s Latinoization His anthology mixes primary sources with scholarly and journalistic essays on history demography racial and ethnic studies music art history literature linguistics and religion and the authors range from historical figures such as Jos Mart Bernardo Vega or Whitman himself to contemporary writers such as Paul Berman Ed Morales Virginia S nchez Korrol Roberto Suro and Ana Celia Zentella This unique volume treats the reader to both the New York and the American experience as reflected and transformed by its Hispanic and Latino components

**Stavans Unbound** Bridget Kevane,2019-08-27 Twenty five years ago Ilan Stavans published his first book *Imagining Columbus The Literary Voyage* 1993 Since then Stavans has become a polarizing figure dismissed and praised in equal measure a commanding if contested intellectual whose work as a cultural critic has been influential in the fields of Latino and Jewish studies politics immigration religion language and identity He can be credited for bringing attention to Jewish Latin America and issues like Spanglish he has been instrumental in shaping a certain view of Latino Studies in universities across the United States as well abroad he has anthologized much of Latino and Latin American Jewish literature and he has engaged in contemporary pop culture via the graphic novel He was the host of a PBS show called *Conversations with Ilan Stavans* and has had his fiction adapted into the stage and the big screen The man as one critic stated clearly has energy to burn and it does not appear to be abating This collection celebrates twenty five years of Stavans s work with essays that describe the good and the bad the inspired and the pedestrian the worthwhile and the questionable

**Incomparable Empires** Gayle Rogers,2016-11-01 The Spanish American War of 1898 seems to mark a turning point in both geopolitical and literary histories The victorious American empire ascended and began its cultural domination of the globe in the twentieth century while the once mighty Spanish empire declined and became a minor state in the world republic of letters But what if this narrative relies on several faulty assumptions and what if key modernist figures in both America and Spain radically rewrote these histories at a foundational moment of modern literary studies Following networks of American and Spanish writers translators and movements Gayle Rogers uncovers the arguments that forged the politics and aesthetics of modernism He revisits the role of empire from its institutions to its cognitive effects in shaping a nation s literature and culture Ranging from universities to comparative practices from Ezra Pound s failed ambitions as a Hispanist to Juan Ram n Jim nez s multilingual maps of modernismo Rogers illuminates modernists profound engagements with the formative dynamics of exceptionalist American and Spanish literary studies He reads the provocative often counterintuitive arguments of John Dos Passos who held that American literature could only flourish if the expanding U S empire collapsed like Spain s did And he also details both a controversial theorization of a Harlem Havana Madrid nexus for black modernist writing and Ernest Hemingway s unorthodox development of a version of cubist Spanglish in *For Whom the Bell Tolls* Bringing together revisionary literary historiography and rich textual analyses Rogers offers a striking account of why foreign literatures mattered so much to two dramatically changing countries at a pivotal moment in history

**Translating New York** Regina Galasso, 2018 The pre publication version of *Translating New York* was awarded the 2017 Northeast Modern Language Association Book Award for the best unpublished book length manuscript on modern language literature The cultural production of Spanish speaking New York is closely linked to the Caribbean and to Latin America at large but the city also plays a pivotal role in the work of a host of authors from the Iberian Peninsula writing in Spanish Catalan and English In many cases their New York City texts have marked their careers and the history of their national literatures Drawing from a variety of genres *Translating New York* recovers cultural narratives occluded by single linguistic or national literary histories and proposes that reading these texts through the lens of translation unveils new pathways of cultural circulation and influence Looking beyond representations of the city's physical space *Translating New York* suggests that travel to the city and contact with New York's multilingual setting ignited a heightened sensitivity towards both the verbal and non verbal languages of the city garnering literary achievement and aesthetic innovation Analyzing the novels poetry and travel narratives of Felipe Alfau Jos Moreno Villa Julio Camba and Josep Pla this book uncovers an international perspective of Iberian literatures *Translating New York* aims to rethink Iberian literatures through the transatlantic travels of influential writers

**Shorter Poems** Gerald Burns, 1993 Gerald Burns is a leading practitioner of long lined thickly textured verse These long lines are long life to us go back to Kenneth Irby's A Set I saw first in a flyer from Lawrence KS where Burroughs chats with Cage whose spitbubbles may remind us with Zukofsky the heart of the bluebonnet's black Anyone can learn from anything he writes and as these lines from For J R Here indicate Burns has learned much his long dragnet lines display a lifetime of wide reading and close observation from an astonishing range of subjects

**Imagining Columbus** I. Stavans, 2016-04-30 *Imagining Columbus* is Stavans's contribution to the literature on Columbus My purpose says Stavans is to revisit to investigate to play with the asymmetrical geometries of the admiral's literary adventures in the human imagination Arguing that writers have portrayed Columbus in three ways as prophet or messiah as ambitious gold seeker and as a conventional rather unremarkable man Stavans examines numerous poems novels short stories dramas and other works on Columbus in this provocative book In Part 1 Mapmaking Stavans explores the two opposing views of the celebration of the quincentennial and discusses the most notable biographies of Columbus including those by Washington Irving and Samuel Eliot Morison In Part 2 Lives of a Literary Character Stavans takes up the geographic and historical development of Columbus as a narrative figure in literature and devotes a chapter to each of the three literary views of the admiral Stavans includes portrayals of other writers' views on Columbus like Walt Whitman Alejo Carpentier James Fenimore Cooper Friedrich Nietzsche Nikos Kazantzakis Rub n Dar o Michael Dorris Louise Erdrich among others
