material in the story of the soul's journey around the six faces of the cube. However, the popular Waite deck or any other Tarot deck can be used in studying the Cube of Space. Included is the material needed for the construction of a model of the Cube of Space, and Hulse recommends that the reader assemble this model as it will greatly facilitate a clear understanding of the symbolic meaning behind each of the twenty-two directions of space delineated by the cube. Includes a color insert for construction of your own Cube. **Historic Magazine and Notes and Queries**, 1905
