Catching the Dream Joyce W. Leo & Nathalie Roy, 2011-03-26 Catching the Dream is a collection of poems written by 14 poets from all over the world These poets all share a common trait they fell in love with Susan Boyle s voice and personality and were inspired enough to join a fan site for the first time ever for most of them where they discovered each other and enjoyed the pleasures of cyber creation and communication Long time lovers of words and word games they naturally

expressed the joy and wonderment they felt through poetry Their common adventure started with playing a word tag game of having the Last Word As they shared thoughts and feelings experimenting different poetic styles they gained trust with each other and joined on the same journey ultimately taking the form of individual spiritual quests into the common humanity that unites us all Calling themselves the Golden Girls these poets reflect the uniqueness and preciousness of gold as well as its overtones of age ripeness and wisdom Each poet has a distinctive voice but together they create a continuous chant their voices blending to sing a Hymn to Life The 211 poems were edited and arranged by Joyce W Leo and Nathalie Roy
