Converge Bible Studies: Our Common Sins Dottie Escobedo-Frank, 2013-04-04 The disciples were fairly ordinary people They had regular families made their livelihoods in regular ways and had typical and varied political leanings But they met Jesus and started to live extraordinary lives Because of their closeness to Jesus we tend to think that the disciples lived lives with less sin than we live with We imagine that Jesus' love rubbed off on them so that they were also extraordinary humans But the Gospels show us differently They show us that Jesus' close companions were as human as we are And it is because we recognize the sins of the disciples as our own that we can relate to them so closely They are our common sins Converge Bible Studies is a series of topical Bible studies based on the Common English Bible Each title in the series consists of four studies on a common topic or theme Converge can be used by small groups classes or individuals Primary Scripture passages are included for ease of study as are questions designed to encourage both personal reflection and group conversation The topics and Scriptures in Converge come together to transform readers' relationships with others themselves and God
