## **Sermons Chapel Talks And Debates:**

**Sermons, Chapel Talks, and Debates** Arvy Glenn Freed, 1930 This book is exactly what its title implies sermons chapel talks and debates of Arvy G Freed      **The Churches of Christ** Richard T. Hughes, 2001-05-30 This volume tells the story of the Churches of Christ one of three major denominations that emerged in the United States from a religious movement led by Alexander Campbell and Barton W Stone in the early 19th century Beginning as an effort to provide a basis on which all Christians in America could unite the leaders of the movement relied on the faith and practice of the primitive church Ironically this unity movement eventually divided precisely along the lines of its original agenda as the Churches of Christ rallied around the restorationist banner while the Disciples of Christ gathered around the ecumenical cause Yet having begun as a countercultural sect the Churches of Christ emerged in the 20th century as a culture affirming denomination This brief history together with biographical sketches of major leaders provides a complete overview of the denomination in America The book begins with a concise yet detailed history of the denomination s beginnings in the early 19th century Tracing the influence of such leaders as Stone and Campbell the authors chronicle the triumphs and conflicts of the denomination through the 19th century and its reemergence and renewal in the 20th century The biographical dictionary of leaders in the Churches of Christ rounds out the second half of the book and a chronology of important events in the history of the denomination offers a quick reference guide A detailed bibliographic essay concludes the book and points readers to further readings about the Churches of Christ      **Catalogue** Monmouth College (Monmouth, Ill.), 1923      **Encyclopedia of Religion in the South** Samuel S. Hill, Charles H. Lippy, Charles Reagan Wilson, 2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of the Religion in the South has been totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history      Restoration Review , 1961      **The Life and Writings of Rufus C. Burleson** Rufus Columbus Burleson, Harry Haynes, 1901 This work contains a biography of Rufus C Burleson a Baptist preacher and second president of Baylor University It also includes his sermons addresses

Smith,2010-01-01 Historians have traditionally interpreted the American land grant higher education movement as the result of political and economic forces Little attention has been given however to any explicit or implicit theological motivations for the movement This book tells the story of how the Christian belief of many founders of the University of Illinois motivated their educational theory and practice Constructing a social gospel of labor s millennium their shorthand for God s kingdom being enhanced through agricultural and mechanical education they initially proposed that the university would impart a millenarian blessing for the larger society by providing abundant food economic prosperity vocational dignity and a charitable spirit of sacred unity and public service Rich in primary source research Smith s account builds a compelling case for at least one such institution s adaptation of an inherited evangelical educational tradition transitioning into a new era of higher learning that has left its mark on university life today     **Antiquarian Bookman** ,1954     **Subject Guide to Books in Print** ,1983     *Catalogue* Oxford College for Women (Oxford, Ohio),Western College for Women,1908

**Scholars and Poets Talk About Queens** Carole Levin,Christine Stewart-Nuñez,2015-08-18 *Scholars and Poets Talk About Queens* is a lively and erudite collection unusual in an especially appealing way This collection of essays shows how queens were represented in the Middle Ages and Renaissance through primary accounts chronicles and literary representations The book also contains modern poetry and short plays about these same queens allowing readers to understand and appreciate them both intellectually and emotionally Contributors study a wide range of queens including such famous and fascinating women as Queen Elizabeth I Cleopatra Hecuba the Empress Matilda Mary Stuart Margaret of Anjou Catherine of Aragon and the pirate queen Grace O Malley By pairing scholarly essays with contemporary poems about them the collection demonstrates the continued relevance and immediacy of these powerful and fascinating women

**Selling the Old-time Religion** Douglas Carl Abrams,2001 The relationship between Protestant fundamentalists and mass culture is often considered complex and ambiguous *Selling the Old Time Religion* examines this relationship and shows how the first generation of fundamentalists embraced the modern business and entertainment techniques of marketing advertising drama film radio and publishing to spread the gospel Selectively and with more sophistication than has been accorded to them fundamentalists adapted to the consumer society and popular culture with the accompanying values of materialism and immediate gratification despite the seeming conflict between these values and certain tenets of their religious beliefs *Selling the Old Time Religion* is written by a fundamentalist who is based at the country s foremost fundamentalist institute of higher education It is a candid and remarkable piece of scholarship that reveals from the inside the movement s first encounters with some of the media methods it now wields with well documented virtuosity Carl Abrams draws extensively on sermons popular journals and educational archives to reveal the attitudes and actions of the

fundamental leadership and the laity Abrams discusses how fundamentalists outlook toward contemporary trends and events shifted from aloofness to engagement as they moved inward from the margins of American culture and began to weigh in on the day s issues from jazz to flappers in large numbers Fundamentalists in the 1920s and 1930s were willing to compromise certain traditions that defined the movement such as premillennialism holiness and defense of the faith Abrams concludes but their flexibility with forms of consumption and pleasure strengthened their evangelistic emphasis perhaps the movement s core Contrary to the myth of fundamentalism s demise after the Scopes Trial the movement s uses of mass culture help explain their success in the decades following it In the end fundamentalists imitated mass culture not to be like the world but to evangelize it
