Sermons To The People Advent Christmas New Year Epiphany:

Sermons to the People Augustine of Hippo, 2002-10-15 A superb new translation brings the words of Augustine the preacher stirringly to life When the great Saint Augustine was called from his country home to become Bishop of Hippo in the fourth century his new responsibilities took him away from the solitude of his writing and into the glare of the public eye The author of two of the greatest works of religious literature Confessions and City of God Augustine became a shepherd to the people inspiring and enlightening them with his sermons His skills as a speaker were as great if not greater than his skills as a writer According to his friend Possidius Those who read what Augustine wrote on the divine topics do get something out of them But those who saw and heard him in person they were the ones who got heaven and Earth Sermons to the People collects the homilies on the liturgical seasons of the Church Saint Augustine delivered over the course of his lifetime This Image edition includes the first sermons in that vast collection from Advent Christmas New Year s and the Epiphany Newly translated by William Griffin they address timeless concerns including the problems of materialism and the intellectual difficulties of faith Griffin renders the sermons with such immediacy it is as though he had been present when Augustine spoke to his flock The Church Quarterly Review ,1875 *Until Shiloh Comes* John Jennings, 2020-07-19 This book brings a fresh perspective on how important dates in the life of Jesus of Nazareth can be understood in relation to prophecy number calendar religious feasts the rotation of the priestly divisions and astronomical events of the day It seeks to reconcile a theoretical framework provided by the Old Testament with actual observations recorded in the Gospels of Matthew and Luke The chronology resonates with Old Testament paradigms established in the Torah including Sabbath Tabernacles and the Flood It provides a reconciliation of the priestly divisions across the First and Second Temple periods It fulfils the prophecies of Daniel and Jeremiah and ensures that the words of the Psalmist that All the days ordained for me were written in your book before one of them came to be are quite literally true This book provides the first comprehensive chronology for the life of Jesus of Nazareth It is fully consistent with biblical paradigms and Old Testament prophecy It reconciles the biblical text to modern scientific and astronomical data It provides hard scientific evidence to support its conclusions Like most major scientific breakthroughs the solution is logical elegant and comprehensible It will stand the test of time C.S. Lewis—The Work of Christ Revealed P. H. Brazier, 2012-08-14 C S Lewis The Work of Christ Revealed focuses on three doctrines or aspects of Lewis s theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefigurement In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of aut Deus aut malus homo either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefigurement intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C S Lewis titled C S Lewis Revelation and the
