**The Kingdom of God and the Glory of the Cross** Patrick Schreiner, 2018-03-15 The kingdom of heaven is like a grain of mustard seed that a man took and sowed in his field It is the smallest of all seeds but when it has grown it is larger than all the garden plants and becomes a tree so that the birds of the air come and make nests in its branches Matthew 13 31 32 When Jesus began his ministry he announced that the kingdom of God was at hand But many modern day Christians don't really understand what the kingdom of God is or how it relates to the message of the gospel Defining kingdom as the King's power over the King's people in the King's place Patrick Schreiner investigates the key events prophecies and passages of Scripture that highlight the important theme of kingdom across the storyline of the Bible helping readers see how the mission of Jesus and the coming of the kingdom fit together Part of the Short Studies in Biblical Theology series

**The Last Days with the Two Witnesses** Tina M. Moore, 2023-07-17 Paul wrote to Timothy concerning the dangers of the last days in which we live But understand this that in the last days dangerous times of great stress and trouble will come difficult days that will be hard to bear Although darkness covers the earth and a mist of darkness is over the people the Lord will rise upon His two witnesses the two olive trees of Revelation 11 whose oil brings light for the Church to see by in these last days The pressure from the world's system of witchcraft Babylon will crush God's two anointed ones favorably emitting the golden oil to the nations of the world The testimonies of these two end time prophets will bear witness to the power of the gospel as they are given the grace to prevail over the things they suffer They will bear the fruit of the kingdom from the metaphorical tree of life and their lives will produce evidence that God's power is with them to destroy the wicked serpent seed They will be living proof of God's authority to trample on serpents and scorpions and over all the power of the enemy Luke 10 19

**The Doleful Creatures of Outer Darkness** Tina M. Moore, 2023-05-22 Perhaps you or someone you know exhibits patterns of instability in a particular aspect of life This fluctuation may show up as erratic mood changes excessive fears or

worries extreme feelings of guilt bouts of depression double mindedness addictive behaviors sexual bondage etc In the New Testament Paul teaches us that our struggle is not against flesh and blood enemies but against evil rulers and authorities of the unseen world against mighty powers in this dark world and against evil spirits in the heavenly places The evil spirits that Paul referred to here are synonymous with the wild beasts that tempted Jesus in the wilderness for forty days As a matter of fact they are the same spirits that pressure us today compelling us to the bitter realm of what the Bible refers to as outer darkness The Old Testament reveals that these spirits embodied animals the metaphorical doleful creatures mentioned in the book of Isaiah and throughout the entire Bible However God's desire is to shine a light on these irritants so that we can cast them out and be made whole again After all Paul encouraged us to be openly aware of Satan's devices lest he should gain an advantage over us The revelation knowledge you receive from this book will give you the insight you need to recover the parts of your life you've once lost or handed over to the enemy

**Faithmapping** Daniel Montgomery, Mike Cosper, 2013  
Helps Christians cultivate unity within the church by articulating a holistic view of the Christian life the whole gospel for the whole church to the whole world

**Myths and Folk-tales of the Russians, Western Slavs, and Magyars** Jeremiah Curtin, 2020-09-28 I remember well the feelings roused in my mind at mention or sight of the name Lucifer during the earlier years of my life It stood for me as the name of a being stupendous dreadful in moral deformity lurid hideous and mighty I remember also the surprise with which when I had grown somewhat older and begun to study Latin I came upon the name in Virgil where it means the Light bringer or Morning star the herald of the sun Many years after I had found the name in Virgil I spent a night at the house of a friend in Milwaukee Wisconsin right at the shore of Lake Michigan The night was clear but without a moon a night of stars which is the most impressive of all nights vast brooding majestic At three o'clock in the morning I woke and being near an uncurtained window rose and looked out Rather low in the east was the Morning star shining like silver with a bluish tinge of steel I looked towards the west the great infinity was filled with the hosts of heaven ranged behind this Morning star I saw at once the origin of the myth which grew to have such tremendous moral meaning because the Morning star was not in this case the usher of the day but the chieftain of night the Prince of Darkness the mortal enemy of the Lord of Light I returned to bed knowing that the battle in heaven would soon begin I rose when the sun was high next morning All the world was bright shining and active gladsome and fresh from the rays of the sun the kingdom of light was established but the Prince of Darkness and all his confederates had vanished cast down from the sky and to the endless eternity of God their places will know them no more in that night again They are lost beyond hope or redemption beyond penance or prayer I have in mind at this moment two Indian stories of the Morning star one Modoc the other Delaware The Modoc story is very long and contains much valuable matter but the group of incidents that I wish to refer to here are the daily adventures and exploits of a personage who seems to be no other than the sky with the sun in it This personage is destroyed every evening He always gets into trouble and is burned up but in his back is a golden disk which

neither fire nor anything in the world can destroy From this disk his body is reconstituted every morning and all that is needed for the resurrection is the summons of the Morning star who calls out It is time to rise old man you have slept long enough Then the old man springs new again from his ashes through virtue of the immortal disk and the compelling word of the star Now the Morning star is the attendant spirit or medicine of the personage with the disk and cannot escape the performance of his office he has to work at it forever So the old man cannot fail to rise every morning As the golden disk is no other than the sun the Morning star of the Modocs is the same character as the Lucifer of the Latins      **The Message of**

**the Kingdom of God** T. Desmond Alexander,2024-01-18 Across 22 chapters T Desmond Alexander expounds the theme of the kingdom of God from selected Old and New Testament texts showing its relevance for today God made us to rule with him as his representatives to establish his kingdom on earth But Adam and Eve s rebellion alienated humanity from God s kingdom instead making them slaves to the kingdom of darkness As the promised ruler Jesus Christ comes as the perfect king to redeem enslaved humanity This servant king brings God s kingdom on earth through self sacrificial love In hope we now await the return of the king and the coming of the eternal kingdom With a fully integrated study guide suitable for both individuals and groups The Message of the Kingdom of God will help you to see how the Bible s unified teaching on this vital theme can impact your life today The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture      An Anthology of Russian Folktales Jack V.
