Serpent At Her Breast:

The Serpent's Teeth Ovid, 2006-05-04 In a world of gods and monsters nothing is as it seems When a deadly serpent's teeth are sown in the ground warriors spring from the bloody soil Only a great man can tame them and fulfil his destiny Far away Medusa snakes writhing in her hair meets her nemesis the princess Andromeda is chained to a rock people are transformed into owls frogs even mountains a boy falls tragically in love with his own reflection Enter a universe where love is cruel men are destroyed by the gods and treachery is paid for in blood

The Complete Story of the Grail Chrétien (de Troyes), 2015 The mysterious and haunting Grail makes its first appearance in literature in Chrétien de Troyes Perceval at the end of the twelfth century But Chrétien never finished his poem leaving an unresolved story and an incomplete picture of the Grail It was however far too attractive an idea to leave Not only did it inspire quite separate works his own unfinished poem was continued and finally completed by no fewer than four other writers The Complete Story of the Grail is the first ever translation of the whole of the rich and compelling body of tales contained in Chrétien's poem and its four Continuations which are finally attracting the scholarly attention they deserve Besides Chrétien's original text there are the anonymous First Continuation translated here in its fullest version the Second Continuation attributed to Wauchier de Denain and the intriguing Third and Fourth Continuations probably written simultaneously with no knowledge of each other's work by Manessier and Gerbert de Montreuil Two other poets were drawn to create preludes explaining the background to Chrétien's story and translated here also are their works The Elucidation Prologue and Bliocadran Only in this The Story of the Grail's complete form can the reader appreciate the narrative skill and invention of the medieval poets and their surprising responses to Chrétien's theme not least their crucial focus on the knight as a crusader Equally Chrétien's original poem was almost always copied in conjunction with one or more of the Continuations so this translation represents how most medieval readers would have encountered it Nigel Bryant's previous translations from Medieval French include Perlesvaus the High Book of the Grail Robert de Boron's trilogy Merlin and the Grail the Medieval Romance of Alexander The True Chronicles of Jean le Bel and Perceforest

The Serpent's Tooth Alex Rutherford, 2015-05-12 As the seventeenth century dawns the vast Moghul Empire finally encompasses the entire Indian subcontinent But despite controlling unimaginable wealth and ruling over a quarter of the world's population the Moghul dynasty finds itself in increasing peril Devastated by the death of his beloved wife the once ruthless Shah Jahan has all but abandoned his throne Where he should be protecting his power he has instead devoted himself to constructing the elaborate Taj Mahal a tribute to his wife's memory Aging ill and blinded by grief the Shah cannot see the enmity building between his own sons ambitious hatred so strong it could bring down the entire empire Accurate and compelling Alex Rutherford's The Serpent's Tooth is filled with strikingly human characters and heart-pounding action bringing India's bloody history to life

Shakespeare's Fear and How to Cure It Ralph Alan Cohen, 2018-05-03 For teachers and lovers of Shakespeare Shakespeare's Fear and How to Cure It provides a comprehensive approach to the challenge and

rewards of teaching Shakespeare and gives teachers both an overview of each of Shakespeare's 38 plays and specific classroom tools for teaching it. Written by a celebrated teacher scholar and director of Shakespeare, it shows teachers how to use the text to make the words and the moments come alive for their students. It refutes the idea that Shakespeare's language is difficult and provides a survey of the plays by someone who has lived intimately with them on the page and on the stage.

The Female Fantastic Lizzie McCormick, Jennifer Mitchell, Rebecca Soares, 2018-08-06 For women identified writers of both eras, the fantastic offered double vision. Not only did the genre offer strategic cover for challenging the status quo, but also a heuristic mechanism for teasing out the gendered psyche's links to creative personal and erotic agency. These dynamic presentations of female and gender queer subjectivity are linked in intriguing and complex matrices to key moments in gendered history. This volume contains essays from international scholars covering a wide range of topics including werewolves, mummies, fairies, demons, time travel, ghosts, haunted spaces, and objects, race, gender, queerness, monstrosity, madness, incest, empire, medicine, and science. By interrogating two non-consecutive decades, we seek to uncover the interrelationships among fantastic literature, feminism, and modern identity and culture. Indeed, while this book considers the relationship between the 1890s and 1920s, it is more an examination of women's modernism in light of gendered literary production during the fin de siècle than the reverse.

The Good And Evil Serpent James H. Charlesworth, 2010-01-01 The serpent of ancient times was more often associated with positive attributes like healing and eternal life than it was with negative meanings. This groundbreaking book explores in plentiful detail the symbol of the serpent from 40,000 BCE to the present and from diverse regions in the world. In doing so, it emphasizes the creativity of the biblical authors' use of symbols and argues that we must today reexamine our own archetypal conceptions with comparable creativity.

From publisher description: **The Serpent's Tale** Ariana Franklin, 2008 Ordered by Henry II to establish the possible role of Eleanor of Aquitaine in the poisoning death of Henry's mistress, a reluctant Adelia Aguilar joins forces with her infant daughter's father, the Bishop of St Albans, during an investigation within the labyrinth-walled tower of the victim's home. By the author of *Mistress of the Art of Death*.

Indian Serpent-lore Jean Philippe Vogel, 1926 [The Collected Sicilian Folk and Fairy Tales of Giuseppe Pitre](#) Jack Zipes, Joseph Russo, 2013-01-11 This two-volume set collects 300 of the most entertaining and important folk and fairy tales of Giuseppe Pitre, a nineteenth-century Sicilian folklorist whose significance ranks alongside the Brothers Grimm. In stark contrast to the more literary ambitions of the Grimms' tales, Pitre's possess a charming, earthy quality that reflects the customs, beliefs, and superstitions of the common people more clearly than any other European folklore collection of the 19th century. Edited, translated, and with a critical introduction by world-renowned folk and fairy tale experts Jack Zipes and Joseph Russo, this is the first collection of Pitre's tales available in English. Carmelo Letterer's illustrations throughout the volume are as lively and vivid as the stories themselves, illuminating the remarkable imagination captured in the tales.

Patalon,2015-05-26 The book had originally been titled THE HUMAN HORROR STORY It was a very over descriptive novel that in many other opinions was just too graphic and gory So although that novel had been decided by me to be put on a shelf for future revising one of its chapters caught my attention So I removed that particular chapter and began building a new story surrounding that specific idea and long and behold within four months I created my second novel RED EYES I worked diligently on making sure that the subject matter although a horror story wouldn't upon being published offend anyone So happy and relieved that the finished novel after several personal revisions was finally what I thought completed How very wrong was I The first project somehow decided to find itself added as an extension to the new novel So once again I had to go in and perform surgery Now both stories had to be merged to be one novel So now I began thinking about a new title Finally I came up with merging both titles into one RED EYES AND THE HUMAN HORROR STORY A SPINE TINGLING

ADVENTURE INTO UNKNOWN REALMS Two men each facing an unimaginable inexplicable journey each must face horrors and promises in an alternate reality that is both surreal and yet oddly familiar One man suffering from depression deals with his pain by imagining an easier world until an accident pushes him into another realm where he is reunited with a lost love but also must face zombies and an evil demon He must face the truth of the comforting illusions he created but as his dream world becomes more and more compelling and satisfying what will happen when he has to return to real life The second man enters an alternate reality by committing suicide an act that as he has been warned will have serious consequences He is reunited with his soulmate but they can't stay in the reality they currently inhabit An adversary that they thought they had destroyed is back and they must face him again and to their horror they come to learn that they must defeat their demons over and over as they move to new realms the price for taking your own life is to be doomed to move continually from one reality to the next Red Eyes and the Human Horror Story is a thrilling endlessly inventive exploration of the ways in which imagination shapes our reality and how reality shapes our dream worlds *Women's Authorship in Interwar Yugoslavia*

Jelena Petrović,2018-10-01 This book highlights the extent to which women were positioned as historical subjects in the process of constructing political social and cultural history in Yugoslavia while simultaneously facing the politics of institutional exclusion and academic ignorance of progressive ideas and emancipatory struggles To this effect the book interprets a series of works written in interwar Yugoslavia by women or about women's position in public space The research corpus is varied including LGBT literature autobiographies travelogues literary correspondence political writings parody bibliographies and dictionaries etc The book argues that women have been programmatically made absent from the so called

universal canon of post Yugoslav literature or else negatively valorised or labeled while at the same time women's writing in interwar Yugoslavia reflected articulated and mapped significant social political and cultural issues The book proposes a re reading of the once censored and forgotten texts to counter the politics of exclusion that operates even today in the post Yugoslav space This re reading is carried out in the light of contemporary feminist theories and aims to reveal and emphasise the emancipatory importance of women's authorship In this way Jelena Petrovi provides a fresh perspective on the topical issue of the still contested post Yugoslav space
