Val d'Eremao, 1888 **The Serpent's Seed** Joel H. Emerson, 2011-05-25 THE SERPENTS SEED expounds upon a Biblical doctrine that is essential for the proper understanding of both the Scriptures and the present day but which has remained obscured for the past fifteen hundred years And the doctrine is this that since the creation of man we have been at war not only against Satan and his corruptive influences but against the literal offspring of fallen angels and mortal women These hybrid creatures reigned during the days of Noah and Abraham battled Joshua and King David for control of Israel tormented the Jews during the time of Jesus and continue to roam the earth even today Our society even our church has fallen under the sway of these ancient and terrible beings Thus The Serpents Seed was written so that we might not depart from the faith giving heed to seducing spirits and doctrines of devils 1st Timothy 4 1 **The Untold Story of Saatane** Yolanda R. preachment on God nature and the human condition in direct opposition to current source criticism which maintains that inconsistencies within the text support an atomistic reading of multiple authors In The Names of God Brichtho brings us his poetic reading of Scripture to the Book of Genesis Using contemporary methods and insights of literary criticism he examines one of the great inconsistencies within Genesis that have led to the supposition of multiple authors the assortment of terms or names for the Deity among them Yahweh and Elohim and attempts to show the appropriateness of certain of these names to the stories in which they appear He also looks at a variety of other data within Genesis such as genealogies eponyms and chronologies and shows that their poetical function their variety ingenuity and imaginative whimsy is vital to the structure of the text as a whole In finding a unity in this diversity of materials Brichtho makes a strong case for the text as the artistic achievement of a single author

What Happened on the Cross Nick Peros,2020-08-07 What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished Both the shedding of blood and death were essential in the accomplishment of salvation and What Happened on the Cross shows why these were essential Using over 740 Scripture verses to make its argument the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation above all showing clearly that the cross had nothing to do with punishment for sins our sins were never punished upon the cross rather our sins were forgiven Understanding how salvation was accomplished upon the cross and that it was about forgiveness not punishment both exalts
