*Shakespeare through Presentist Readings* James O'Rourke,2011-11-18 This book offers a theoretical rationale for the emerging presentist movement in Shakespeare studies and goes on to show in a series of close readings that a presentist Shakespeare is not an anachronism Relying on a Brechtian aesthetic of na ve surrealism as the performative model of the early modern urban public theater James O Rourke demonstrates how this Brechtian model is able to capture the full range of interplays that could take place between Shakespeare s words the nonillusionist performance devices of the early modern stage and the live audiences that shared the physical space of the theatre with Shakespeare s actors O Rourke argues that the limitations placed upon the critical energies of early modern drama by the influential new historicist paradigm of contained subversion is based on a poetics of the sublime which misrepresents the performative aesthetic of the theater as a self sufficient spectacle that compels reception in its own terms Reimagining Shakespeare as our contemporary O Rourke shows how the immanent critical logic of Shakespeare s works can enter into dialogue with our most sophisticated critiques of our cultural fictions *World-Wide Shakespeares* Sonia Massai,2007-05-07 Drawing on debates around the global local dimensions of cultural production an international team of contributors explore the appropriation of Shakespeare s plays in

film and performance around the world In particular the book examines the ways in which adapters and directors have put Shakespeare into dialogue with local traditions and contexts The contributors look in turn at local Shakespeares for local national and international audiences covering a range of English and foreign appropriations that challenge geographical and cultural oppositions between centre and periphery and big time and small time Shakespeares Responding to a surge of critical interest in the poetics and politics of appropriation *World Wide Shakespeares* is a valuable resource for those interested in the afterlife of Shakespeare in film and performance globally
