Shakespeare's histories and counter-histories Dermot Cavanagh, Stuart

Hampton-Reeves, Stephen Longstaffe, 2018-07-30 Shakespeare's history plays have always been pivotal to our understanding of his works. This collection renews attention to these crucial plays by exploring official and unofficial versions of the past histories and counter histories in the plays of Shakespeare and his contemporaries. By exploring the diversity of Shakespeare's engagement with history in all its forms, these contributors open up a range of new interpretive possibilities for understanding the way history plays with the past. The book is divided into three sections: Memory and mourning, Counter histories, Identity and performance. In each section, leading theorists, historicists, and performance critics offer fresh perspectives on the key issues that are transforming our understanding of Shakespeare. These include gender and violence, the mapping of Britain, cultural memory and religion. This collection will appeal to all critically engaged readers of Shakespeare. In particular, it will command wide-ranging interest from undergraduates, postgraduates, academic researchers, and students of early modern theatre, history, and culture.
