Shakespeare's Tragedy of Cymbeline (Classic Reprint) William Shakespeare, 2018-10-09 Excerpt from Shakespeare's Tragedy of Cymbeline The play is so badly printed in the folio the style is so involved and many passages are so obscure that it has seemed advisable in the Notes to retain many of the textual variations recorded in my former edition and to summarize the conflicting opinions of the leading editors and critics on the more important of the perplexing passages These controverted points furnish good material for discussion in classes and clubs and critical students and readers will be more or less interested in them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books

Shakespeare's Tragedy of Cymbeline William Shakespeare, 2017-11-23 Excerpt from Shakespeare's Tragedy of Cymbeline With Introduction and Notes Explanatory and Critical The tragedy OF cymbeline as it is called in the original copy belongs both by internal and external marks to the last ten years Of the Poet's life the same period which produced of *Coriolanus* *Antony and Cleopatra* *The Tempest* and *The Taming of the Shrew* The only contemporary notice we have of it is from the Diary of Dr Simon Forman who gives with considerable detail the leading incidents of the play as he saw it performed somewhere between April 1610 and May 1611 It may be well to add that *Cymbeline* as we learn by an entry of Sir Henry Herbert Master of the Revels was acted at Court in January 1633 and was well liked by the King which is to me an interesting fact in reference to that ill-starred Prince Charles the First who whatever may be thought of him as a statesman and ruler was undoubtedly a man Of royal tastes in literature and art About the Publisher Forgiven Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgiven Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
