Shanghaied In San Francisco:

Shanghaied in San Francisco Bill Pickelhaupt, 1996 Bill Pickelhaupt in this reprint of a classic tells the true story of shanghaiing kidnapping men for a voyage at sea after they were slipped drugged liquor and the politicians who let it happen in San Francisco for over sixty years Includes victims first hand accounts and 50 photographs and drawings **Shanghaied in San Francisco** Bill Pickelhaupt, 1996-12 Bill Pickelhaupt in this reprint of a classic tells the true story of shanghaiing kidnapping men for a voyage at sea after they were slipped drugged liquor and the politicians who let it happen in San Francisco for over sixty years Includes victims first hand accounts and 50 photographs and drawings *From Whaler to Clipper Ship* Michael Jay Mjelde, 2023-12-14 Captain Henry Gillespie 1857 1937 of Portland Maine went to sea as a young man of 17 serving as able bodied seaman on a New Bedford whaler Over the next 47 years he would advance to deck officer then master of sailing and steam ships He was commissioned as an officer in the US Navy during World War I commanding vessels operating in the war zone Following the war he returned to merchant marine service until his retirement in 1921 Maritime historian Michael Jay Mjelde has chronicled the colorful life and career of this down east man of the sea mining available first person accounts interviews with family members government records and maritime archives on both coasts The result is a narrative in clear highly engaging prose that puts readers on the tilting decks and noisy wharfs frequented by Gillespie Through Mjelde s retelling of a remarkable life the age of clipper ships the Cape Horn trade and oceangoing steamers comes into vivid relief affording a richly embossed assessment of Captain Gillespie s life and times *From Whaler to Clipper Ship* adds a layer of full bodied context to our understanding of this pivotal era in American maritime history The wealth of detail will appeal to scholars students and maritime history enthusiasts The Trail to Crazy Man Louis

L'Amour, 2018-03-01 Louis L Amour is now one of the most iconic Western writers of all time but once upon a time he was Jim Mayo a regular writer for the pulps Some of the tales he wrote in those days stuck with him enough that he later revised and expanded them into novels But there was a special magic to the originals and after research and restoration these stories appear here now in their original form In *The Trail to Peach Meadow* Ca on Mike Bastian taken in by the legendary outlaw Ben Curry as an orphaned child and raised to one day take over his empire of crime finds that day has come As he prepares for his first criminal job a gold train robbery Mike must decide whether to follow the path laid out before him or to carve out a destiny of his own In the title story Charles Rodney shanghaied and forced into labor on a merchant vessel eventually dies from repeated beatings but not before deeding part of his ranch to Rafe Caradec whom he hopes will protect his family

Redemptive Dreams Jason S. Sexton, 2023-11-10 An essential piece in California Studies *Redemptive Dreams* Engaging Kevin Starr s California offers the first critical engagement with the vision of California s most ambitious interpreter While Starr s multifaceted and polymathic vision of California offered a unique gaze synthesizing central features big themes and incredible problems with the propitious golden dream his eight volume California Dream series along with several other

books and thousands of published articles and essays often puzzled historians and other scholars. Historians in the contemporary school of critical historiography often found Starr's narrative approach seeking to tell the internal drama of the California story to be less attuned to the most important work happening in the field. Such a perspective fails to acknowledge key developments in historical subfields like Black and African American Studies, Chicana/o Studies, Asian Studies, Native Studies, and others that draw from the narrative in their critical work and how this relates to Starr's contribution. But it also neglects Starr as a theological interpreter. Along with being a major figure in California institutional life with literary output spanning genres from journalism to critical cultural and political commentary to history and memoir, Starr's unique contribution to California Studies as a distinctly Catholic historian has yet to be adequately understood. Through his lived experience as a devout Catholic to the particular theological features of this faith tradition that animated his views, this critical sociological perspective sheds new light on his project. With contributions from sociology, history, and theology akin to investigations appearing in *Theology and California: Theological Refractions on California's Culture* (Routledge), *Redemptive Dreams* offers interdisciplinary perspectives that highlight key features inherent in interdisciplinary theological reflection on place and illuminates these diverse disciplinary discourses as they appear in Starr's articulation of the California Dream. Such a vision remains important for reckoning with California's place in the world.

Queer Sites
David Higgs, 2002-01-04 There are areas which can be described as gay space in that they have many lesbians and gays in the population. *Queerspace: A History of Urban Sexuality* edited by David Higgs offers a history of gay space in the major cities from the early modern period to the present. The book focuses on the changing nature of queer experience in London, Amsterdam, Rio de Janeiro, San Francisco, Paris, Lisbon, and Moscow. This book provides an interdisciplinary analysis of extensive source material including diaries, poems, legal accounts, and journalism. By concentrating on the importance of the city and varied meeting places such as parks, river walks, bathing places, the street bars, and even churches, the contributors explore the extent to which gay space existed, the degree of social collectiveness felt by those who used this space, and their individual histories.

Historic San Francisco
Rand Richards, 2007 No American city has a more colorful history than San Francisco. In this unique book, author Rand Richards not only provides a vivid narrative of this special city from its very beginnings all the way through to the modern era but also tells where to find the historic buildings, sites, museums, and artifacts that make that history come alive. Just a few of the things you will find in *Historic San Francisco* are the locations of and the fascinating histories behind: A 1623 Spanish cannon that once guarded the entrance to the Golden Gate; A gold nugget discovered by James W. Wadsworth at Coloma in January 1848; The last surviving Nob Hill mansion; Relics from the 1906 earthquake and fire including clusters of melted dimes and pennies found in the ruins. Book jacket

Shanghaiing Sailors Mark Strecker, 2014-05-19 Shanghaiing or forcing a man to join the crew of a merchant ship against his will plagued seafarers the world over between 1849 and 1915 Perpetrators were known as crimps and they had no respect for a man's education social status race religion or seafaring experience The merchant ships were involved in the opium tea and gold trades and the practice was spurred by the opening of the Suez Canal A major reason for it was a shortage of sailors and the unwillingness of seamen to sail on certain types of ships They suffered from great deprivations all for a paltry sum usually squandered during shore leave Navies and pirates had their own form of shanghaiing called impressment This work explores the rich history of shanghaiing and impressment with a focus on victims and also considers the 19th century seafarer and the circumstances that made shanghaiing so lucrative

Captain Alex MacLean Don MacGillivray,2008-11-01 Alex MacLean was the inspiration for the title character in Jack London's bestselling novel The Sea Wolf Originally from Cape Breton MacLean sailed to the Pacific side of North America when he was twenty one and worked there for thirty five years as a sailor and sealer His achievements and escapades while in the Victoria fleet in the 1880s laid the foundation for his status as a folk hero But this biography reveals more than the construction of a legend Don MacGillivray opens a window onto the sealing dispute brought the United States and Britain to the brink of war with Canadian sealing interests frequently enmeshed in espionage scientific debate diplomatic negotiations and vexing questions of maritime and environmental law A Foreign Voyage John T.

Grider,2017-04-24 JOHN GRIDER joined the Institute for Reconciliation and Social Justice at the University of the Free State as a Research Fellow in November 2015 He recently completed this captivating project which investigates the complex interplay between gender class and race sourced from the narratives of men who found themselves working in the transforming Pacific maritime industry during the mid nineteenth century Ambrose Bierce and the Dance of Death

Sharon Talley,2009-12-15 Ambrose Bierce and the Dance of Death uses psychoanalytic theory in combination with historical cultural and literary contexts to examine the complex motif of death in a full range of Bierce's writings Scholarly interest in Bierce whose work has long been undervalued has grown significantly in recent years This new book contributes to the ongoing reassessment by providing new contexts for joining the texts in his canon in meaningful ways Previous attempts to consider Bierce from a psychological perspective have been superficial often reductive Freudian readings of individual stories such as An Occurrence at Owl Creek Bridge and The Death of Halpin Frayser This new volume not only updates these interpretations with insights from post Freudian theorists but uses contemporary death theory as a framework to analyze the

sources and expressions of Bierce's attitudes about death and dying This approach makes it possible to discern links among texts that resolve some of the still puzzling ambiguities that have until now precluded a fuller understanding of both the man and his writings Lively and engaging Ambrose Bierce and the Dance of Death adds valuable new insights not only to the study of Bierce but to that of nineteenth century American literature in general *McClure's Magazine* ,1913 *Cancer Time Bomb: How the BRCA Gene Stole My Tits and Eggs* Joelle Burnette,2012-04-03 *Lonely Planet San Francisco* 1 Ashley Harrell,2022-12 Lonely Planet's San Francisco is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Catch a ferry to Alcatraz wander in the Castro and admire the Mission murals all with your trusted travel companion Get to the heart of San Francisco and begin your journey now Inside Lonely Planet's San Francisco Travel Guide Up to date information all businesses were rechecked before publication to ensure they are still open after 2020's COVID 19 outbreak NEW top experiences feature a visually inspiring collection of San Francisco's best experiences and where to have them What's NEW feature taps into cultural trends and helps you find fresh ideas and cool new areas NEW pull out passport size Just Landed card with wi fi ATM and transport info all you need for a smooth journey from airport to hotel Planning tools for family travelers where to go how to save money plus fun stuff just for kids Color maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation websites transit tips prices Honest reviews for all budgets eating sleeping sightseeing going out shopping hidden gems that most guidebooks miss Cultural insights give you a richer more rewarding travel experience history people music landscapes wildlife cuisine politics Over 40 maps Covers The Marina Fisherman's Wharf the Piers Downtown Civic Center SoMa North Beach Chinatown Nob Hill Russian Hill Japantown Fillmore Pacific Heights The Mission Dogpatch Potrero Hill the Castro The Haight Hayes Valley Golden Gate Park the Avenues The Perfect Choice Lonely Planet's San Francisco our most comprehensive guide to San Francisco is perfect for both exploring top sights and taking roads less traveled Looking for just the highlights Check out Pocket San Francisco a handy sized guide focused on the can't miss sights for a quick trip Looking for more extensive coverage Check out Lonely Planet's USA for a comprehensive look at all the country has to offer About Lonely Planet Lonely Planet is a leading travel media company providing both inspiring and trustworthy information for every kind of traveler since 1973 Over the past four decades we've printed over 145 million guidebooks and phrasebooks for 120 languages and grown a dedicated passionate global community of travelers You'll also find our content online and in mobile apps videos 14 languages armchair and lifestyle books ebooks and more enabling you to explore every day Lonely Planet guides are quite simply like no other New York Times Lonely Planet It's on everyone's bookshelves it's in every traveler's hands It's on mobile phones It's on the Internet It's everywhere and it's telling entire generations of people how to travel the world Fairfax Media Australia **Cosmopolitan** ,1912 **The Cosmopolitan**
