Rabindranath Tagore and James Henry Cousins Sirshendu Majumdar,2021-09-21 This book presents a set of original letters exchanged between Rabindranath Tagore the first Asian to win the Nobel Prize for Literature and the eminent Irish poet and theosophist James Henry Cousins Through these letters the volume explores their shared ideas of culture art aesthetics and education in India aspects of Irish Orientalism Irish literary revival theosophy eastern knowledge and spiritualism cross cultural dialogue and friendship Renaissance in India anti imperialism nationalism internationalism and cosmopolitanism The book reveals a hitherto unexplored facet concerning two leading thinkers in the history of ideas in a transnational context With its lucid style extensive annotations and a comprehensive Introduction this book will be an essential read for scholars and researchers of Indian literature Bengali literature comparative literature South Asian studies Tagore studies modern Indian history philosophy cultural studies education political studies postcolonial studies India studies Irish history and Irish literature It will also interest general readers and the Bengali diaspora     **The Pedagogy of Protest** Brendan Walsh,2007 This book provides the first complete account of Patrick Pearse s educational work at St Enda s and St Ita s schools Dublin Extensive use of first hand accounts reveals Pearse as a humane energetic teacher and a forward looking and innovative educational thinker Between 1903 and 1916 Pearse developed a new concept of schooling as an agency of radical pedagogical and social reform later echoed by school founders such as Bertrand Russell This placed him firmly within the tradition of radical educational thought as articulated by Paulo Freire and Henry Giroux The book examines the tension between Pearse s work and his increasingly public profile as an advocate of physical force separatism and by employing previously unknown accounts questions the perception that he influenced his students to become active supporters of militant separatism The book describes the later history of St Enda s revealing the ambivalence of post independence administrations and shows how Pearse s work which has long been neglected by historians has had a direct influence on a later generation of school founders up to the present     Selected Letters of Rabindranath Tagore Rabindranath Tagore,1997-06-26 A selection of some 350 letters spanning Nobel prize winning writer Rabindranath Tagore s entire life the first to be available to English readers     *Wellesley Magazine* ,1916     **Passages through India** Somak Biswas,2023-09-21 Passages Through India offers a study of the phenomenon of Western Indophilia romanticised engagements around Hindu ideas of India It argues that affective practices cultivated between major Indian guru figures

Gandhi Tagore and Vivekananda and their white disciples serviced a larger politics of respectability tied to exigencies of Indian cultural and nationalist politics Indophile deployments in transnational projects like the abolition of indentured labour and global Hinduism while anti colonial were not quite emancipatory Such deployments in Africa America Fiji and India frequently reproduced deep hierarchies around race class caste and gender Unifying distinct strands of western discipleship within a shared tradition of Indophilia Passages Through India offers a new methodological framework that situates self and subjectivity as central to processes of global mobility and migration
