

The background of the book cover is a photograph of a person seen from behind, standing on a wide, light-colored stone staircase. The person is wearing a long, black, flowing robe and has their arms outstretched horizontally to the sides. They are looking up towards a very bright, glowing light source at the top of the stairs, which creates a strong lens flare effect. The walls on either side of the stairs are a warm, light brown or tan color. The overall mood is one of spiritual ascent and openness.

accurate aesthetic of rural African Americans and their connection to the historical moment This in depth perspective captures the spectrum of African American experiences that contradict and refine how historians write analyze and interpret southern African American life in the post slavery era

The Georgia of the North Hettie V. Williams,2024-07-12 The Georgia of the North is a historical narrative about Black women and the long civil rights movement in New Jersey from the Great Migration to 1954 Specifically the critical role played by Black women in forging interracial cross class and cross gender alliances at the local and national level and their role in securing the passage of progressive civil rights legislation in the Garden State is at the core of this book This narrative is largely defined by a central question How and why did New Jersey s Black leaders community members and women in particular affect major civil rights legislation legal equality and integration a decade before the Brown v Board of Education Topeka Kansas decision In this analysis the history of the early Black freedom struggle in New Jersey is predicated on the argument that the Civil Rights Movement began in New Jersey and that Black women were central actors in this struggle

Religious Education in the African American Tradition Kenneth H. Hill,2012-11 Schweitzer s goal in this book is to explore what postmodernity actually means for theology and how theology and the church may respond to its challenges He focuses on the life cycle as it is changing with the advent of postmodernity looking sequentially at segments of the life cycle using different lenses modernity postmodernity and responses from church and theology Schweitzer concludes with a theology of the life cycle
