Cities at the Heart of Inequalities Clementine Cottineau, Denise Pumain, 2022-06-01 Cities have become the major habitat for human societies They are also the places where the starkest social inequalities show up Income social land and housing inequalities shape the built environment and living conditions of different neighborhoods of cities and in return unequal access to services environmental quality and favorable health conditions in different neighborhoods and cities fuel the reproduction of interpersonal inequalities This book examines how inequalities are produced and reproduced both within and between cities In particular we review land rent and social segregation theories from diverse disciplinary references and through examples taken from around the world The attraction of urban centralities which is further reinforced by the growing financialization of property and urban capital is also analyzed through the lens of its influence on rent seeking mechanisms and the ever increasing pressure of population migration

Christ the Heart of Creation Rowan Williams, 2018-09-06 In this wide ranging book Rowan Williams argues that what we say about Jesus Christ is key to understanding what Christian belief says about creator and creation overall Through detailed discussion of texts from the earliest centuries to the present day we are shown some of the various and subtle ways in which Christians have discovered in their reflections on Christ the possibility of a deeply affirmative approach to creation and a set of radical insights in ethics and politics as well Throughout his life Rowan Williams has been deeply influenced by thinkers of the Eastern Christian tradition as well as Catholic and Anglican writers This book draws on insights from Eastern Christianity from the Western Middle Ages and from Reformed thinkers from Calvin to Bonhoeffer as well as considering theological insights sparked by philosophers like Kierkegaard and Wittgenstein Christ the Heart of Creation concerns fundamental issues for Christian belief and Williams tackles them head on he writes with pellucid clarity and shows his gift for putting across what are inevitably complex ideas to a wide audience
