Democracy Michael L. Ferguson, 2012-10-18 Democratic theorists frequently assume that the people must have something in common or else democracy will fail This produces an ironically anti democratic tendency to emphasize the passive possession of commonality Sharing Democracy counters this tendency with a radical vision of democracy grounded instead in the active exercise of political freedom **Documentarity** Ronald E. Day, 2019-10-01 A historical conceptual account of the

different genres technologies modes of inscription and innate powers of expression by which something becomes evident In this book Ronald Day offers a historical conceptual account of how something becomes evident Crossing philosophical ontology with documentary ontology Day investigates the different genres technologies modes of inscription and innate powers of expression by which something comes into presence and makes itself evident He calls this philosophy of evidence documentarity and it is through this theoretical lens that he examines documentary evidence and documentation within the tradition of Western philosophy largely understood as representational in its epistemology ontology aesthetics and politics Day discusses the expression of beings or entities as evidence of what exists through a range of categories and modes from Plato s notion that ideas are universal types expressed in evidential particulars to the representation of powerful particulars in social media and machine learning algorithms He considers among other topics the contrast between positivist and anthropological documentation traditions the ontological and epistemological importance of the documentary index the nineteenth century French novel s documentary realism and the avant garde s critique of representation performative literary genres expression as a form of self evidence and the post documentation technologies of social media and machine learning described as a posteriori real time technologies of documentation Ultimately the representational means are not only information and knowledge technologies but technologies of judgment judging entities both descriptively and prescriptively *Manual for Living* Seth David Chernoff, 2010-06-07 The award winning Manual For Living REALITY A User

Share Our World: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Let's delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year.

The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed.

Share Our World : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
