Oprah's Jesus Kurt D. Bruner,2010-08-01 When it comes to religion the most respected voice of the past decade is not a pastor evangelist priest or rabbi She is a warm articulate woman whose presence dominates daytime television and grocery store checkout stands Her influence has propelled little known authors into best selling millionaires and spawned a media empire worth billions Oprah s name and image are instantly recognized by millions of adoring fans who view her as a long term friend and trusted spiritual mentor But many have become troubled that Oprah seems less and less tolerant of her childhood faith and has begun celebrating a Jesus very different than the God Man of her Sunday school lessons Oprah s Jesus leverages the enormous popularity of Oprah Winfrey to explore the rise of generic spirituality rooted in personal preference versus transcendent beliefs rooted in historic Christian orthodoxy *Happiness* Randy Alcorn,2024-06 Christians are supposed to be happy In fact we are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today s culture the vast majority of Christians are perceived as angry judgmental people who don t seem to derive any joy from life whatsoever So why aren t we happy Unfortunately many Christians are taught early on that God doesn t want us to be happy he wants us to be holy In fact many Christians are laboring under the false notion that God himself is not happy But nothing could be further from the truth God does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn t mean we can t also experience joy and happiness here on earth In *Happiness* noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere
